And whereas, the Competent Authority has under sub-section (1) of section 6 of the said Act, has submitted his report to the Central Government.

And whereas, the Central Government after considering the said report is satisfied that the right of user in the land specified in the Schedule appended to this notification should be acquired;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 6 of the said Act, the Central Government hereby declares that the right of user in the land specified in the Schedule appended to this notification is acquired;

And further, in exercise of the powers conferred by sub-section (4) of section 6 of the said Act, the Central Government hereby directs that the right of users in the said land shall instead of vesting in the Central Government, vest from the date of publication of this declaration, in the India Oil Corporation Limited free from all encumbrances.

[F. No. R-25011/2/2008-O.R.-I]
B. K. DATTA, Under Secy.

राजपत्र, 1 नवम्बर 2009

का. आ. 3035.— केन्द्रीय सरकार को लोकाहित में यह आवश्यक प्रतीत होता है कि पारादीप (उड़ीसा) से रायपुर (छत्तीसगढ़) एवं राँची (झारखण्ड) तक पेट्रोलियम उत्पादों के परिवहन के लिये इंडियन ऑयल कॉर्पोरेशन लिमिटेड द्वारा "पारादीप - न्यू सम्बलपुर - रायपुर - राँची पाइपलाइन" बिछाई जानी चाहिये;

और केन्द्रीय सरकार को उक्त पाइपलाइन बिछाने के प्रयोजन के लिए यह आवश्यक प्रतीत होता है कि ऐसी भूमि, जिसके नीचे पाइपलाइन बिछाई जाने का प्रस्ताव है और जो इस अधिसूचना से उपाबद्ध अनुसूची में वर्णित है, में उपयोग के अधिकार का अर्जन किया जाए-

अतः अब, केन्द्रीय सरकार, पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, उनमें उपयोग के अधिकार का अर्जन करने के अपने आशय की घोषणा करती है:

कोई व्यक्ति, जो उक्त अनुसूची में वर्णित भूमि में शिखर है, उस तारीख से जिसको भारत के राजपत्र में यथा प्रकाशित इस अधिसूचना की प्रतियां सधारण जनता को उपलब्ध करा दी जाती है, इक्कीस दिन के भीतर, उसमें उपयोग के अधिकार का अर्जन करने के लिए भूमि के नीचे पाइपलाइन बिछाए जाने के संबंध में श्री सुकान्त कुमार प्रधान, सक्षम प्राधिकारी, इंडियन पेट्रोल कॉर्पोरेशन लिमिटेड, पारादीप - न्यू सम्बलपुर - रायपुर - राँची पाइपलाइन परियोजना - 1296 फॉरेस्टर पार्क, भुवनेश्वर - 751009 (उड़ीसा) को लिखित रूप में आक्षेप भेज सकता है-

[फा. सं. आर 25011/9/2009 ऑ.आर. 1]

बी. के. दाता, अवर सचिव

New Delhi, the 4th November, 2009

S. O. 3035.— Whereas, it appears to the Central Government that it is necessary in the public interest that for the transportation of petroleum products from Paradip (Orissa) to Raipur (Chhattisgarh) & Ranchi (Jharkhand), "Paradip - New Sambalpur - Raipur - Ranchi Pipeline" should be laid by Indian Oil Corporation Limited;

And whereas, it appears to the Central Government that for the purpose of laying the said pipeline, it is necessary to acquire the right of user in the land described in the schedule annexed to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein;

Any person interested in the land described in the said schedule may, within twenty-one days from the date on which the copies of this notification, as published in the Gazette of India, are made available to the general public, object in writing to the acquisition of the right of user therein for laying of the pipeline under the land to Sri Sukanta Kumar Pradhan, Competent Authority, Indian Oil Corporation Limited, Paradip - New Sambalpur - Raipur - Ranchi Pipeline Project, 1295, Forest Park, Bhubaneswar-751009, (Orissa).

[F. No. R-25011/9/2009-O.R.-I]

B. K. DATTA, Under Secy.

नई दिल्ली, 4 नवम्बर, 2009

का. आ. 3036— केन्द्रीय सरकार को लोकहित में यह आवश्यक प्रतीत होता है कि पारादीप (उड़ीसा) से रायपुर (छत्तीसगढ़) एवं राँची (झारखण्ड) तक पेट्रोलियम उत्पादों के परिवहन के लिये इंडियन ऑयल कॉर्पोरेशन लिमिटेड द्वारा "पारादीप - न्यू सम्बलपुर - रायपुर - राँची पाइपलाइन" बिछाई जानी चाहिये;

और केन्द्रीय सरकार को उक्त पाइपलाइन बिछाने के प्रयोजन के लिए यह आवश्यक प्रतीत होता है कि ऐसी भूमि, जिसके नीचे पाइपलाइन बिछाई जाने का प्रस्ताव है और जो इस अधिसूचना से उपाबद्ध अनुसूची में वर्णित है, में उपयोग के अधिकार का अर्जन किया जाए;

अतः अब, केन्द्रीय सरकार, पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, उनमें उपयोग के अधिकार का अर्जन करने के अपने आशय की घोषणा करती है;

कोई व्यक्ति, जो उक्त अनुसूची में वर्णित भूमि में हितबद्ध है, उस तारीख से जिसको भारत के राजपत्र में यथा प्रकाशित इस अधिसूचना की प्रतियाँ साधारण जनता को उपलब्ध करा दी जाती हैं, इक्कीस दिन के भीतर, उसमें उपयोग के अधिकार का अर्जन करने के लिए भूमि के नीचे पाइपलाइन बिछाए जाने के संबंध में श्री सुकान्त कुमार प्रधान, सक्षम प्राधिकारी, इंडियन ऑयल कॉर्पोरेशन लिमिटेड, पारादीप - न्यू सम्बलपुर - रायपुर - राँची पाइपलाइन परियोजना, 1295, फॉरेस्ट पार्क, भुवनेश्वर - 751009 (उड़ीसा) को लिखित रूप में आक्षेप भेज सकेगा।

[फा. सं. आर-25011/10/2009-ओ.आर.-I]

बी. के. दत्ता, अवर सचिव

New Delhi, the 4th November, 2009

S. O. 3036.—Whereas, it appears to the Central Government that it is necessary in the public interest that for the transportation of petroleum products from Paradip (Orissa) to Raipur (Chhattisgarh) & Ranchi (Jharkhand), "Paradip - New Sambalpur - Raipur - Ranchi Pipeline" should be laid by Indian Oil Corporation Limited;

And whereas, it appears to the Central Government that for the purpose of laying the said pipeline, it is necessary to acquire the right of user in the land described in the schedule annexed to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein;

Any person interested in the land described in the said schedule may, within twenty-one days from the date on which the copies of this notification, as published in the Gazette of India, are made available to the general public, object in writing to the acquisition of the right of user therein for laying of the pipeline under the land to Sri Sukanta Kumar Pradhan, Competent Authority, Indian Oil Corporation Limited, Paradip -New Sambalpur - Raipur - Ranchi Pipeline Project, 1295, Forest Park, Bhubaneswar-751009, (Orissa).

[F. No. R-25011/10/2009-O.R.-1]

B. K. DATTA, Under Secy.

नई दिल्ली, 4 नवम्बर, 2009

का. आ. 3037—केन्द्रीय सरकार को लोकहित में यह आवश्यक प्रतीत होता है कि पारादीप (उड़ीसा) से रायपुर (छत्तीसगढ़) एवं राँची (झारखण्ड) तक पेट्रोलियम उत्पादों के परिवहन के लिये इंडियन ऑयल कॉर्पोरेशन लिमिटेड द्वारा "पारादीप - न्यू सम्बलपुर - रायपुर - राँची पाइपलाइन" बिछाई जानी चाहिये;

और केन्द्रीय सरकार को उक्त पाइपलाइन बिछाने के प्रयोजन के लिए यह आवश्यक प्रतीत होता है कि ऐसी भूमि, जिसके नीचे पाइपलाइन बिछाई जाने का प्रस्ताव है और जो इस अधिसूचना से उपाबद्ध अनुसूची में वर्णित है, में उपयोग के अधिकार का अर्जन किया जाए;

अतः अब, केन्द्रीय सरकार, पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, उनमें उपयोग के अधिकार का अर्जन करने के अपने आशय की घोषणा करती है;

कोई व्यक्ति, जो उक्त अनुसूची में वर्णित भूमि में हितबद्ध है, उस तारीख से जिसको भारत के राजपत्र में यथा प्रकाशित इस अधिसूचना की प्रतियाँ साधारण जनता को उपलब्ध करा दी जाती हैं, इक्कीस दिन के भीतर, उसमें उपयोग के अधिकार का अर्जन करने के लिए भूमि के नीचे पाइपलाइन बिछाए जाने के संबंध में श्री सुकान्त कुमार प्रधान, सक्षम प्राधिकारी, इंडियन ऑयल कॉर्पोरेशन लिमिटेड, पारादीप - न्यू सम्बलपुर - रायपुर - राँची पाइपलाइन परियोजना, 1295, फॉरेस्ट पार्क, भुवनेश्वर - 751009 (उड़ीसा) को लिखित रूप में आक्षेप भेज सकेगा।

[फा. सं. आर 25011/11/2009 ओ.आर. 11]

बी. के. दत्ता, अव्वर सचिव

New Delhi, the 4th November, 2009

S. O. 3037.—Whereas, it appears to the Central Government that it is necessary in the public interest that for the transporation of petroleum products from Paradip (Orissa) to Raipur (Chhattisgarh) & Ranchi (Jharkhand), "Paradip - New Sambalpur - Raipur - Ranchi Pipeline" should be laid by Indian Oil Corporation Limited;

And whereas, it appears to the Central Government that for the purpose of laying the said pipeline, it is necessary to acquire the right of user in the land described in the schedule annexed to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein;

Any person interested in the land described in the said schedule may, within twenty-one days from the date on which the copies of this notification, as published in the Gazette of India, are made available to the general public, object in writing to the acquisition of the right of user therein for laying of the pipeline under the land to Sri Sukanta Kumar Pradhan, Competent Authority, Indian Oil Corporation Limited, Paradip - New Sambalpur - Raipur - Ranchi Pipeline Project, 1295, Forest Park, Bhubaneswar-751009, (Orissa).

[फा. सं. आर-25011/12/2009-ओ.आर. I]

बी. के. दाता, अवर सचिव

New Delhi, the 4th November, 2009

S. O. 3038.—Whereas, it appears to the Central Government that it is necessary in the public interest that for the transportation of petroleum products from Paradip (Orissa) to Raipur (Chhattisgarh) & Ranchi (Jharkhand), "Paradip - New Sambalpur - Raipur - Ranchi Pipeline" should be laid by Indian Oil Corporation Limited;

And whereas, it appears to the Central Government that for the purpose of laying the said pipeline, it is necessary to acquire the right of user in the land described in the schedule annexed to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein;

Any person interested in the land described in the said schedule may, within twenty-one days from the date on which the copies of this notification, as published in the Gazette of India, are made available to the general public, object in writing to the acquisition of the right of user therein for laying of the pipeline under the land to Sri Sukanta Kumar Pradhan, Competent Authority, Indian Oil Corporation Limited, Paradip -New Sambalpur - Raipur - Ranchi Pipeline Project, 1295, Forest Park, Bhubaneswar-751009, (Orissa).

[F. No. R-25011/12/2009-O.R.-I]

B. K. DATTA, Under Secy.

नई दिल्ली, 4 नवम्बर, 2009

का. आ. 3039.—केन्द्रीय सरकार को लोकहित में यह आवश्यक प्रतीत होता है कि पारादीप (उड़ीसा) से रायपुर (छत्तीसगढ़) एवं राँची (झारखण्ड) तक पेट्रोलियम उत्पादों के परिवहन के लिये इंडियन ऑयल कॉर्पोरेशन लिमिटेड द्वारा "पारादीप - न्यू सम्बलपुर - रायपुर - राँची पाइपलाइन" बिछाई जानी चाहिये;

और केन्द्रीय सरकार को उक्त पाइपलाइन बिछाने के प्रयोजन के लिए यह आवश्यक प्रतीत होता है कि ऐसी भूमि, जिसके नीचे पाइपलाइन बिछाई जाने का प्रस्ताव है और जो इस अधिसूचना से उपाबद्ध अनुसूची में वर्णित है, में उपयोग के अधिकार का अर्जन किया जाए;

अतः अब, केन्द्रीय सरकार, पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, उनमें उपयोग के अधिकार का अर्जन करने के अपने आशय की घोषणा करती है;

कोई व्यक्ति, जो उक्त अनुसूची में वर्णित भूमि में हितबद्ध है, उस तारीख से जिसको भारत के राजपत्र में यथा प्रकाशित इस अधिसूचना की प्रतियाँ साधारण जनता को उपलब्ध करा दी जाती हैं, इक्कीस दिन के भीतर, उसमें उपयोग के अधिकार का अर्जन करने के लिए भूमि के नीचे पाइपलाइन बिछाए जाने के संबंध में श्री सुकान्त कुमार प्रधान, सक्षम प्राधिकारी, इंडियन ऑयल कॉर्पोरेशन लिमिटेड, पारादीप - न्यू सम्बलपुर - रायपुर - राँची पाइपलाइन परियोजना, 1295, फॉरेस्ट पार्क, भुवनेश्वर - 751009 (उड़ीसा) को लिखित रूप में आक्षेप भेज सकेगा।

[फा. सं. आर 25011/13/2009-ओ.आर. I]

बी. के. दत्ता, अवर सचिव

New Delhi, the 4th November, 2009

S. O. 3039.—Whereas, it appears to the Central Government that it is necessary in the public interest that for the transportation of petroleum products from Paradip (Orissa) to Raipur (Chhattisgarh) & Ranchi (Jharkhand), "Paradip - New Sambalpur - Raipur - Ranchi Pipeline" should be laid by Indian Oil Corporation Limited;

And whereas, it appears to the Central Government that for the purpose of laying the said pipeline, it is necessary to acquire the right of user in the land described in the schedule annexed to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein;

Any person interested in the land described in the said schedule may, within twenty-one days from the date on which the copies of this notification, as published in the Gazette of India, are made available to the general public, object in writing to the acquisition of the right of user therein for laying of the pipeline under the land to Sri Sukanta Kumar Pradhan, Competent Authority, Indian Oil Corporation Limited, Paradip -New Sambalpur - Raipur - Ranchi Pipeline Project, 1295, Forest Park, Bhubaneswar-751009, (Orissa).

MINISTRY OF LABOUR AND EMPLOYMENT

New Delhi, the 5th October, 2009

S.O. 3041 — In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the Award (Ref. No. 36/97) of the Central Government Industrial Tribunal-Cum-Labour Court, Jabalpur as shown in the Annexure, in the Industrial Dispute between the management of Indore Ujjain Kshetriya Gramin Bank and their workmen, received by the Central Government on 5-10-2009.

[No. L-12012/182/95-IR (B-1)]

AJAY KUMAR, Desk Officer

ANNEXURE

**BEFORE THE CENTRAL GOVERNMENT
INDUSTRIAL TRIBUNAL-CUM-LABOUR COURT,
JABALPUR**

No. CGIT/LC/R/36/97

Presiding Officer : Shri Mohd. Shakir Hasan

Shri Dilip Kumar Baghela,

Gram : Fatehabad,

Post: Chandrawaliganj,

Distt. Ujjain (MP)

...Workman

Versus

The Chairman,

Indore Ujjain Kshetriya Gramin Bank,

Head Office, Ujjain (MP)

...Management

AWARD

Passed on this 25th day of September 2009

1. The Government of India, Ministry of Labour vide its Notification No. L-12012/182/95-IR (B-1) dated 7-2-97, has referred the following dispute for adjudication by this tribunal :

“Whether the action of the management of Indore Ujjain Kshetriya Gramin Bank, in terminating the services of Sh. Dilip Kumar Baghela w.e.f. 30-6-93 is just and legal? If not, to what relief is the workman entitled to?”

2. The case of the workman in short is that the workman was employed as a messenger in the bank against the clear vacancy and worked continuously till 30-4-93. On that date, he was terminated from the service without compliance of the provision of Sec-25-F of the Industrial Dispute Act, 1947. The workman is said to have worked more than 240 days in the preceding calendar year. It is submitted that the impugned order of termination be declared as illegal and the non-applicant/Bank be directed to reinstate the applicant/workman with all consequential benefits.

3. The management/non-applicant appeared and contested the reference by filing written statement in the case. The case of the non-applicant, inter alia, is that the workman was not appointed on 1-5-90 and did not serve continuously upto 30-4-93. He was not terminated as he was not appointed. The workman never completed 240 days in a calendar year as such the provisions of I.D. Act are not attracted. The applicant/workman is not entitled to any relief and the reference be answered in favour of the management.

4. The workman after appearance in the case absented as such the reference proceeded exparte against him vide order dated 4-7-07.

5. To prove the case the management has examined one witness. Shri Rajendra Maheshwari was posted as Branch Manager of Fatehabad Branch from 1992 to 1993 onwards. He has stated that the workman was never appointed according to rules and regulation of the Bank and he was engaged on daily wages on different occasions. He has further stated that he was not engaged permanently or on any permanent post. His evidence does not show that he was engaged for 240 days in a calendar year preceding to his dis-engagement. The burden was on the applicant to prove the case that he worked 240 days in a calendar year. Thus it is clear that the workman is not entitled to any relief. The reference is, therefore, answered in negative against the workman.

6. Accordingly award is passed exparte against the workman without any costs.

7. Let the copies of the award be sent to the Government of India, Ministry of Labour & Employment as per rules.

MOHD. SHAKIR HASAN, Presiding Officer

The Managing Director,
State Bank of Travancore,
Head Office, Poojappura, Trivandrum,
Kerala State, Trivandrum-695 012
By Adv. Ramakrishnan P.

... Management

This case coming up for hearing on 7-9-2009, this Tribunal-cum-Labour Court on 15-9-2009 pass the following :

AWARD

This is a reference made under Section 10(1) (d) of Industrial Disputes Act. The reference is :

"Whether the action of the management of the State Bank of Travancore with headquarters at Poojappura, Trivandrum-12 in dismissing the services of Sh. R. Ajay Nair, Head Cashier of Kallambalam branch of the bank, Dist. Trivandrum, Kerala vide Order No. DGM/T/DPC/I dated 8-4-2003 is justified? If not, to what relief the concerned workman entitled to?"

2. The facts of the case in brief are as follows :—
The workman Sri. R. Ajay Nair entered service of State Bank of Travancore on 28-11-1983 as Cashier/Clerk. He became Head Cashier in 1992. He was posted in Kallambalam branch of Trivandrum on 16-1-2000. While so, on 3-10-2001 in the evening when the cash was tallied a shortage of Rs. 4,00,000 was detected. The matter was

informed to the Chief Manager. The cash was re-checked and verified and the shortage was confirmed. The workman was placed under suspension and disciplinary proceedings were initiated. An enquiry was conducted and he was found guilty of the charge of misappropriation of money and four other charges of excess receipt of money, issuance of cheque without maintaining sufficient balance in the account and speculation in shares/securities and he was dismissed from service. The said disciplinary action is under challenge in the reference. According to the workman the shortage occurred due to an inadvertent mistake of giving a bundle of 500 rupee currency instead of 100 rupee currency to a stranger who had approached him for change. It is contended that poor vision and poor light arrangement in the cabin had contributed to the incident. It is stated that a cheque issued by him was honoured as and when it was received in the branch for collection and hence there is no violation of any rule of the bank. The shortage or excess in cash is a common phenomenon in banks and is often traced out while tallying the cash in the evening. He denies that he speculates in shares/securities except a very few transactions for meagre amounts. He also denies that he had tried to intercept a letter sent from Attingal branch of the bank to another branch for recovery of overdues in the housing loan relating to his wife. It is contended that the enquiry officer has not considered the evidence in an impartial manner. He failed to comply with the principles of natural justice. The enquiry is vitiated by irregularities of a grave nature. The punishment imposed are shockingly disproportionate to the charges.

3. According to the management the enquiry was conducted in conformity with the principles of natural justice and fairness. The workman was given sufficient opportunity to cross examine management witnesses and adduce defence evidence. The workman had not informed the bank about his poor eye sight before the incident. The findings of Enquiry Officer are based on evidence. The punishments imposed are commensurate with the gravity of misconduct. There is no reason either to interfere with the findings or the punishment.

4. In the light of the above contentions the following points arise for consideration :

1. Are the findings sustainable ?
2. Is the punishment proportionate ?

The evidence consists of Ext.M-1 Enquiry File alone.

5. Point No. 1 :— 5 charges are levelled against the workman. The first charge is that while working as Head Cashier on 3-10-2001 he had misappropriated R. 4,00,000. In the reply to the charge sheet the workman explained that on 3-10-2001 he had exchanged currency to a stranger who had approached him for 100 rupee denomination currency in exchange of 500 rupee denomination currency of Rs. 1,00,000. But inadvertently the workman parted with one bundle of 500 rupee currency (Rs. 5,00,000) instead of one bundle of 100 rupee currency (Rs. 1,00,000). This

happened due to paucity of light and vision complaint. On the date of the incident he had given explanation to the Chief Manager of the branch that while tallying cash in the evening there was a shortage of Rs. 3,99,000 and the only possibility is that at about 12-12.30 noon a person had approached him and requested for change for Rs. 1,00,000 consisting of 200 number of 500 rupee notes. But while giving the change inadvertently he had given a bundle consisting of 1000 number of 500 rupee notes instead of 1000 number of 100 rupee notes. He was not in a position to identify the person who got the change. The workman undertook to repay the amount found short.

6. It is to be noted that in the first explanation given on the date of the incident (3-10-2001) there is no mention about poor light in the cabin or his poor eye sight. These aspects were mentioned only in the reply to the memo of charges submitted on 18-3-2002. A medical certificate about his eye sight was produced long after, on 31-12-2002, but not marked (page 14 of Ext.M-1). He was a cashier for 16 years admittedly and Head Cashier for 8 years. Till 18-3-2002 he had not informed the bank that he had some problem with his eye sight or the lighting in his cabin was poor. As a Head Cashier he has to deal with lakhs and crores of rupees almost everyday. He is the joint custodian of cash along with the Deputy Manager (Accounts). In the morning large sums are withdrawn from the vault and distributed to cashiers who are in the payment counters. The workman on 3-10-2001 was sitting in the receipt counter. If he had any difficulty in discerning the denominations of currency or in verifying the genuineness of currency received in his counter or in counting the cash he should have informed the manager or other superior officers and should have requested for a change of his post. The problem of vision is raised for the first time after incident. Hence no credence can be given to such a contention.

7. On 3-10-2001 in the morning the workman had taken out of vault 1481 number of 500 rupee currency along with other denominations of currency. He distributed 760 number of 500 rupee currency to two payment cashiers on that day. Ext. PEX-2 cash verification report by the officers of the bank on 3-10-2001 shows that out of the 500 rupee currency taken out of the vault he had distributed to the paying cashiers some 500 rupee currency. The total 500 rupee currency distributed to the paying cashiers was 760 in number. If all the 760 number of 500 rupee currency were distributed out of the currency taken out of the vault then the balance 500 rupee currency (out of 1481) would have been only 721. There would not have been a full bundle consisting of 1000 number of 500 rupee notes left. The workman had on that day received Rs. 5,87,703 in his receipt counter. He had not noted the number of each denomination of currency he had received on that day. He does not say that he had distributed either the entire amount or some out of the amount received by him in his receipt counter to

the payment cashiers. In the absence of such a contention it has to be presumed that out of the 500 rupee notes taken out of the vault he had distributed 760 number of 500 rupee currency to the two payment cashiers on that day. If so the balance could be only 721 number of 500 rupee currency and not 1000 number. Hence there was no possibility for handing over 1000 number of 500 rupee notes instead of 1000 number of 100 rupee notes to the strenger.

8. PW1 is the Chief Manager. He says (page 8 & 9 of proceedings) that on 3-10-2001 in noon the workman wanted Deputy Manager (accounts) to verify whether all the 500 rupee currency in the vault were taken out or not. The Deputy Manager verified and confirmed that all the 500 rupee currency were withdrawn from the vault and nothing was left in the vault. The workman then recollected that a stranger had approached him for exchange of currency notes and might have parted with large sum by mistake. However he reported the shortage to the manager only at 4 p.m. Had he promptly reported the matter it was less difficult to track down the person. This is not the normal conduct of a prudent man. He should have been anxious to trace out the person as early as possible. PW6 payment cashier says (page 34 and 35) that by 4 p.m. he came to know about the shortage. In the chief examination he stated that he had not received 500 rupee currency from the head cashier on that day for payment. But in the cross examination he said that he did not remember whether he had received 500 rupee currency. Again in the re-examination he said that his memory was that he had not received 500 rupee currency on that day from the Head Cashier. It is not known to whom all 500 rupee currency were distributed by the Head Cashier. It cannot be seen from Ext. PEX-2 report. However PW4 the other payment cashier admits that he had received 500 rupee currency from the Head Cashier. The management has a case that the workman was deliberately retaining 500 rupee currency without distributing them to the two payment cashiers with some ulterior intention. But there is no evidence to show that the cashiers wanted more 500 rupee currency. The workman had given a statement to the Enquiry Officer at the end of the prosecution evidence (page 43 and 44 of the proceedings). In the statement the workman narrates that somebody had approached him for change of smaller denominations of currency to the tune of one lakh rupees. The strenger had given him a bundle of 500 rupee currency consisting of 2 sections and the amount was rupees one lakh. The workman counted the currency and verified the genuineness of currency. But while giving the change instead of 1000 number of 100 rupee denomination currency he had given 1000 No. of 500 rupee denomination currency (5 lakhs). PW3 is the Deputy Manager (Accounts). In his deposition page 20 he says that by 1.30 p.m. on 3-10-2001 the workman had requested him to verify whether all 500 rupee currency were withdrawn from the vault or not as he had found shortage in cash. PW3 then verified and

confirmed that no 500 rupee denomination currency was left in the vault.

9. It is to be noted that the workman was a cashier for 16 years and Head Cashier for 8 years. Such an experienced person cannot be so casual in dealing with money. His own admission is that he had counted the currency given to him by a stranger and verified their genuineness. It means that he was alert and vigilant at that moment. There is no evidence to show that there was any rush in the counter and thus he was preoccupied. If so it is difficult to believe that without even looking at the bundle of currency he had just thrown the bundle across the counter. Currency of different denominations were there on his table. One cannot be so callous as to hand over any bundle of currency that came to his hand. The fact that there was no such prior incident in his career is no excuse for the incident. I have already mentioned that the workman had not acted promptly as soon as shortage was noticed by him in the noon. He informed the Manager slowly at 4 p.m. Any chance to trace the stranger was lost due to delay. Towards evening some effort was made to trace out the person, but of no avail. The pleading with regard to poor vision lacks honesty. His long experience in the cash section rules out any chance of bungling. These circumstances belie the case of the workman that it was by an inadvertent mistake that he had exchanged currency of higher denominations. The possibility is as alleged by the management that workman had misappropriated the money. The fact that the workman had remitted Rs. 3,99,000 on the next day will not absolve him from the guilt.

10. Charge No. 2 is that on 3-10-2001 the workman had received an excess amount of Rs. 1000 from the customers. The management has a case that the workman had explained that his servant had approached him on that day and he had given him Rs. 1000 out of the cash received in the counter. Later instead of putting back Rs. 1000 he had returned Rs. 2000. Thus there was an excess of Rs. 1000. This is not admitted by the workman at any point of time. His answer is that shortage or excess in cash is normal in any bank. They are traced out at the time of tallying cash in the evening. He does not remember how the excess amount was received. The workman was in the receipt counter on 3-10-2001. Usually no customer is likely to remit excess amount. If the amount received by the cashier is more than the actual the cashier would return the excess amount to the customer. If the workman was in the payment counter then it is possible that by mistake excess amount is paid. Being the cashier the workman is bound to explain how this had happened. The possibility is that as alleged by the management he would have mixed his personal money with the bank money and in the process there was excess cash. The finding of the Enquiry Officer therefore is only to be confirmed.

11. Charge No. 3 is that the workman had issued a cheque in favour of his wife on 16-8-2001 without

maintaining sufficient balance in his account. The Bank of India on whom the cheque was drawn had sent it for collection to the management bank on 24-8-2001. Even on that day there was no sufficient balance in the account. Enough money was remitted only on 11-9-2001 and the cheque was honoured on that day. The reply to the memo of charge is that such features are numerous in bank. According to the workman the cheque was received for collection in bank only on 11-9-2001 and it was honoured on the same day and hence there is no violation of any instruction of the bank. Ext. PEX-15 is the cheque dated 16-8-2001. Ext. PEX-6 statement of account of the workman shows that as on 16-8-2001 the balance was only Rs. 1,116. Even on 24-8-2001 when the cheque is said to have been sent for collection there was no sufficient balance in the account. The cheque was sent by Attingal branch of Bank of India to Kallambalam branch of management. Both banks are in Thiruvananthapuram district. But on the date of drawing the cheque on 16-8-2001 nor on the date of receipt of cheque by the management bank, there was sufficient balance in the account of the workman which is against the instructions of the bank. The Enquiry Officer has found the charge partially proved and it calls for no interference.

12. Charge No. 4 is that the workman was speculating in shares and securities and there were transactions reflecting the same in his account. The transactions are disproportionate to the known source of his income. The reply to the memo of charge is that the workman does not speculate in shares/securities except a very few transactions for meagre amounts. In his statement given to the Enquiry Officer at page 44 he says that he had some investment in share market and for that purpose he had some cheque transactions through his account. Ext. PEX-6 shows frequent deposits and withdrawal of large sums of money. In the light of the very admission of the workman both in his reply to the charges and his statement before the Enquiry Officer as well as Exts. PEX-6 there can be no doubt that the charge stands proved.

13. Charge No. 5 is that workman had tried to intercept a letter sent from Attingal branch to Cherinnyur branch for recovery of overdues in the housing loan relating to his wife. Though PW1 Chief Manager and PW7 Chief Manager of Attingal branch gave evidence to this effect, since the employee of courier service was not examined the Enquiry officer found that the charge is not proved.

In the light of the above circumstances I find no reason to interfere with the findings of Enquiry Officer.

14. Point No. 2 The punishment imposed is dismissal from service. It is contended by the workman that the punishment is shockingly disproportionate. The charges proved are gross in nature. No mitigating circumstances are pleaded in the claim statement. It is seen from the order of Appellate Authority of the bank that the workman had submitted in appeal that he was innocent, that his poor eye sight had contributed to the mistake and the punishment

imposed is too harsh and will be detrimental to his family and his social life. His wife is an employee of the bank. The punishment will devastate himself and his family mentally, financially and socially. His plea was rejected by the Appellate Authority holding that the misconduct was serious in nature. Before this court other than the contention that the workman has a clean past record no other mitigating circumstances are put forward. Considering the serious nature of misconduct i.e. misappropriation of large sum, the punishment cannot be said to be shockingly disproportionate. Hence I do not propose to interfere with the punishment either.

In the result an award is passed finding that the action of the management in dismissing the workman from service is legal and justified and he is not entitled for any relief.

The award will come into force one month after its publication in the Official Gazette.

Dictated to the Personal Assistant, transcribed and typed by her, corrected and passed by me on this the 15th day of September, 2009

Industrial Dispute No. 62 of 1997

BETWEEN

Deputy General Manager, Union Bank of India,
Second Story, Sharda Tower,
Kapoorthala, Lucknow.

AND

Sri S. C. Shukla, C/o Sri B.P. Saxena,
426 W-2 Saket Nagar, Kanpur.

AWARD

1. Central Government, Ministry of Labour & Employment, New Delhi, vide Notification No. L-12012/190/96-IR(B-II) dated 21-4-97, has referred the following Dispute for adjudication before this Tribunal—

“Whether the action of the management of Union Bank of India, in dismissing from service Sh. S.C. Shukla, Clerk cum Cashier is just and legal? If not, to what relief is the said workman entitled?”

2. The case of the workman as set by him in his statement of claim, in short, is that he was employed as

clerk cum cashier in Union Bank of India at its Saidraja Branch in District, Varanasi. By nature of his employment he falls in the category of workman as defined under Section 2(s) of Industrial Disputes Act, 1947. It has also been pleaded that in past the workman was suspended and a charge sheet dated 2-12-74 was served upon him and after holding the enquiry, the bank terminated the services of the applicant on 31-10-74. Being aggrieved by the said order of termination, the workman raised an industrial dispute which was ultimately referred to this Tribunal and the same was registered as I.D. No. 35 of 1985. By holding that the termination order is illegal, the tribunal also directed reinstatement of the workman with full back wages. The management opposite party assailed the award of the tribunal before the Hon'ble High Court of Judicature at Allahabad by way of filing Civil Misc. Writ Petition No. 6739 of 1986. The Hon'ble High Court by means of its interim order admitted the writ petition provided the bank reinstates the workman. The workman was reinstated in the service of the bank by the opposite party. It is also pleaded by the workman that the vindictiveness of the bank is proved when the opposite party again served charge sheet dated 26-7-88, over which the opposite party bank instituted an enquiry against the workman. It has been averred by the workman that the above charge sheet was issued to him by one Sri Ravindra Raj in his capacity as disciplinary authority without disclosing his status in the hierarchy of the bank. The height of vindictiveness of the bank can further be judged from the fact that while the enquiry proceedings were in progress, the bank sent another charge sheet dated 19-12-88 to the enquiry officer for enquiry. It has also been pleaded by the workman that the continued silence thereafter, had adverse effect on the applicant due to which he fell ill in April 90 for which the applicant continuously submitted leave applications. It is also pleaded by the workman that after recovery from his illness, he went to the bank for joining his duties in the month of Jan. 1993, but the manager of Saidraja branch of the bank did not permit him over which an industrial dispute No. 73 of 1993 is pending before this tribunal. Sri S.K. Gahlout was appointed to enquire the correctness of the charge sheets as mentioned in Para 7 and 8 of the claim statement. It is also pleaded by the workman that during the course of enquiry proceedings he submitted an application dated 27-12-88 before the enquiry officer seeking certain documents upon which the enquiry officer directed the presenting officer to make available the documents sought for by the workman. On 9-2-89, the enquiry proceedings could not be held as the presenting officer could not appear in the enquiry due to his illness. Workman further pleads that on 3-4-89 at about 1.00 p.m. he received a communication from the enquiry officer in which it was alleged that the enquiry against the workman shall be commenced the same day. Workman has also claimed that though said notice was dated 25-3-89 but it was actually dispatched on 30-3-89, therefore, under these

circumstances, the workman could not participate in the enquiry held on 3-4-89, and hoped that some other date will be fixed in the enquiry. Vide letter dated 4-4-89, of the enquiry officer, the workman came to know that the enquiry was held ex-parte against the workman by the enquiry officer and the enquiry proceedings were concluded by the enquiry officer on 4-4-89. It was also made known to the workman by means of letter dated 4-4-89 of the enquiry officer that he is going to submit his findings on 5-4-89. Even the enquiry officer has not provided any opportunity to the workman for submitting his written brief in his defence. The manner in which the enquiry was concluded by the enquiry officer would show that there was flagrant denial of natural justice to the workman on account of which the enquiry conducted stood vitiated. It is also pleaded by the workman that the enquiry officer did not submit its findings on 5-4-89, but no action in any manner was taken by the opposite party bank continuously for 4 years and 3 months. The workman has further pleaded that it is after lapse of the aforesaid period, he received show cause notice dated 24-7-93, issued by Sri N.K. Agrawal, an officer of the Zonal Office of the Bank, in his capacity as Disciplinary Authority proposing tentative punishment on the proved charges. It is the further case of the workman that the charge sheet as referred to in paragraph 7 and 8 of the claim statement was issued by the Central Office of the Bank at Bombay and the enquiry officer was also appointed from the Central Office of the Bank at Bombay, therefore, it was out with the authority of any functionary of the Zonal Office of the Bank to act as a disciplinary authority. Ultimately said Sri N.K. Agrawal while he was posted in West Zone Division II at Pune, passed final order of punishment after one year and six months dismissing the workman from the service of the bank vide letter dated 21-1-95. It has also been claimed by the workman that when the punishment order was passed by Sri N.K. Agrawal, he was not the disciplinary authority for the workman. After receipt of the final order, the workman preferred an appeal against the same on 4-3-95, which was within time as the workman submitted his appeal within 45 days of the date of final orders. The action of the opposite party has further been assailed on a number of grounds, which need not be mentioned as the same has already been referred hereinabove in the body of this award.

3. On the basis of above it has been prayed by the workman that the action of the management in dismissing the workman from the service of the bank be held as unjustified and illegal and the workman be directed to be reinstated in the service of the opposite party with full back wages and all consequential benefits.

4. The opposite party bank filed its reply against the claim of the workman, wherein as preliminary objection it has been pleaded by the opposite party that the present order of reference made by the Central Government is inoperative in the eye of law and, therefore, is liable to be

rejected; that none of the workman of the bank has ever and/or sponsored the present matter of dispute and as such it was at no point of time converted as an Industrial Dispute as required under the law. Before submitting the Para-wise reply to the statement of claim it has been pleaded by the opposite party bank that the workman while posted as Saidraja Branch of the bank had made an over payment of Rs. 1000 on one occasion which was made good by depositing the same amount. Subsequently, he was involved in misappropriation of Rs. 200 in September, 1974. After holding enquiry Sri Shukla was dismissed from the employment of the bank with effect from 31-10-75. An Industrial Dispute was raised by Sri Shukla, which came up before this Tribunal for adjudicating whether dismissal with effect from 31-10-75 was justified. Ultimately this Tribunal held that Sri Shukla committed gross negligence and reduced the punishment of dismissal to a fine of Rs. 1000 and ordered Sri Shukla's reinstatement. The bank filed a writ petition No. 6739 of 1986 against the award of this Tribunal and the appeal was admitted by partially staying the award to the effect that in case the petitioner reinstates the respondent No. 1 within six weeks from this date, the wages liable to be paid to respondent as calculated with effect from 5th February, 1986, till the date of such reinstatement and the execution for the rest of the wages shall in the mean time remain stayed. On the event of the failure to reinstate the respondent as directed above, this stay will stand vacated. Thus the High Court, Allahabad has partially stayed the operation of the award insofar as it has restrained Sri Shukla to claim back wages. Accordingly he was reinstated and the matter is at present sub-judice. Subsequently it has been reported that Sri Shukla was not attending his duties regularly and during the period of 22 months from 19th June, 1986 to 20th April, 1988, he had remained absent for 11 months (excluding Sundays and holidays without prior intimation/leave, the details of which has been mentioned by the opposite party bank at page No. 2 of their reply (paper No. 8/3). For the above absence the workman was given a charge sheet dated 26-7-88, by the bank. It was proved in the enquiry that he had remained absent unauthorisedly and attempted to withdraw Rs. 351.60 unauthorisedly, besides the above, it was established that several memoranda were issued and despite advice he has not improved in his attendance. Thus it was held that the workman was habitual absentee and irregular in attending his duties. In 1989, he has availed all available leave of 40 days within four months up to 15-4-89, leaving privilege leave balance "NIL" and did not attend to his duties thereafter. Even his work performance was far from satisfactory which has been reported as acts of omission and commission. It has also been alleged by the opposite party bank that he remaining absent for so long without intimation since April, 1990 he appeared before the Branch Manager along with a certificate from homeopathic Doctor on 9-1-1993, by requesting him to allow for duties. He has not submitted any medical certificate nor assigned any

reasons during the period of absence thereof. He was therefore, dismissed.

5. On the merit of the case it has been pleaded by the opposite party bank that Sri Ravindra Raj who was working as Superintendent (IR) in department of Personnel, Central Office is the disciplinary authority in terms of guidelines issued in staff circular No. 2309 dated 28th May, 1981. The disciplinary authority therein is authorized to institute disciplinary action keeping with chapter XIX on the settlement on Industrial Dispute between certain Banking Companies and their workman dated 19-10-66, as modified by the settlement dated 22-11-79. It is also alleged that the enquiry against the workman was concluded on 4-4-89 but before the final orders could be passed the workman raised an Industrial Dispute. The Government of India had ordered an enquiry under Para 517 of Sashty Award, and it was only after conclusion of the above matters the disciplinary authority passed his final order on 21-1-95. It is also pleaded by the bank that the enquiry proceedings were adjourned on a number of occasion on the request of the workman, where as the enquiry proceeding was adjourned only once due to illness of the presenting officer.

6. It is also alleged that the notice posting the enquiry on 3-4-89 on 30-3-89 as alleged by the workman himself shows that he was well aware of the fact of the date on which the enquiry was posted and simply inferring that the enquiry will be adjourned without intimating his inability to attend the enquiry is an afterthought. It is also pleaded by the opposite party that Sri Shukla had submitted his explanation on 17-11-93 to the memorandum dated 24-7-93, wherein penalty of dismissal without notice was proposed. Accordingly the workman was accorded personal hearing by the disciplinary authority to go into the aspect of extenuating and mitigating circumstances before awarding the punishment. Thus the disciplinary authority has considered all these factors before arriving at a conclusion. Hence there is no violation of the principles of natural justice as contended by the claimant. It is also pleaded by the opposite party bank that there is no requirement under the settlement in vogue to give opportunity to both parties and the delinquent workman to submit written arguments. It is also averred by the opposite party that in terms of Para 19.14 of the Bipartite Settlement, 1966 prescribed time limit for appeal by a delinquent employee against the orders of the disciplinary authority is 45 days. In the instant case Sri Shukla had preferred an appeal on 4-3-95 and the personal hearing was granted on 10-10-95 by the appellate authority and finally the appeal was disposed off on 19-10-95. Lastly it has been pleaded that being a Government of India Undertaking the bank is custodian of public funds and customer service is its prime objective. Absence from duties for a prolonged period not only causes hindrance to

customer service but also dislocation of work. Accordingly Sri Shukla concerned workman is not entitled to any relief whatsoever and reference made may kindly be rejected.

7. The workman has filed his rejoinder but nothing new has been pleaded therein except reiterating the facts already pleaded by him in his statement of claim.

8. The claimant has filed three documents i.e. (1) photocopy of EO's report dated 25-3-89, (2) photocopy of envelope and (3) photocopy of enquiry officer's letter dated 4-4-89.

9. The claimant has also filed copy of bank's circular No. 2309 dated 28-5-81, (2) copies of the proceedings of personal hearing granted by the appellate authority, (3) copy of order of the appellate authority dated 19-10-95.

10. Claimant has also filed vide list paper No. 35/1 original documents i.e. (1) charge sheet No. CO : IRD : 12290 :88 dated 19-12-88, (1) show-cause notice dated 24-7-93, proposing the punishment (3) final order of punishment dated 21-1-95 and (4) appellate order dated 30-10-95.

11. The opposite party bank has filed vide list paper No. 10/1-10/3 21 documents ranging from page No. (1) to (52), which are certified copy of memo dated 26-7-88 of the disciplinary authority (hereinafter referred to as DA for the sake of brevity), certified copy dated 27-7-88 of the DA appointing Enquiry Officer, certified copy dated 22-11-88 of Branch Manager Saiyadraja Branch along with Xerox copy of voucher dated 1-11-88 and letter dated 2-12-88 of IR Department, Central Office, Bombay, certified copy dated 19-12-88 of DA Central Office Bombay, certified copy dated 19-12-88 of DA Central Office, Bombay addressed to Sri Shukla, certified copy of notice of enquiry dated 12-1-89 vide enquiry officer to Sri Shukla, certified copy of letter dated 25-3-89 of enquiry officer addressed to Sri Shukla, certified copy of letter dated 4-4-89 addressed to Sri Shukla, certified copy of reply dated 12-6-89 of enquiry officer to Sri Shukla, certified copy of letter dated 15-4-89 to Sri Shukla addressed by the enquiry officer, certified copy of letter dated 17-4-89 of Chief Manager (P) Lucknow, addressed to the Chief Manager (IR) Department, Mumbai, regarding the orders kept in abeyance due to ID Proceedings, certified copy of letter dated 4-11-93 to Manager (P) Lucknow, addressed to Shri Shukla, certified copy of order dated 24-7-93, of Sri N.K. Agrawal, DA, Lucknow, addressed to Sri Shukla proposing punishment of dismissal, certified copy of findings and order of dismissal passed by DA Sri N.K. Agarwal a Zonal Office of the bank at Pune, certified copy of DO letter dated 19-11-93 of Sri Agarwal, Chief Manager (P), Zonal Office Delhi addressed to Chief Manager (Mumbai), passing orders in view of ID, certified copy of proceedings of personal hearing held on

17-11-93, certified copy of explanation dated 24-7-93, of Sri Shukla in response of dismissal order 24-7-93, certified copy of envelope addressed to Sri Shukla, certified copy of letters dated 5-10-93 before ALC(C) Lucknow, certified copy of letters dated 24-6-93 of the Chief Manager (IR) Central Office, Mumbai addressed to Chief Manager (P) Zonal Office Lucknow, certified copy of DO letter dated 24-11-93 of Chief Manager (IR) addressed to Sri N.K. Agrawal.

12. Opposite party bank has also filed photocopy of domestic enquiry proceedings into the charges levelled against the workman vide memo dated 26-7-88, including deposition of management witness Sri S.P. Mishra page (1) to (44) Ext. M-1 to M-44, photocopy of the management exhibits in the enquiry Ext. M-1—M-61. Here exhibits are M-2/1 to M-2/82, photocopies of findings of enquiry officer in the enquiry against Sri Shukla with enclosures, here Ext. M-3/1 to M-3/37, photocopy of the order of the appellate authority in the matter of appeal dated 4-3-95 preferred by Sri Shukla against the order of his dismissal. Here the exhibits are M-4/1 to M-4/4.

13. Both the parties adduced oral evidence also in support of their respective cases. The applicant claimant has produced himself as witness in the witness box, but he did not appear of his cross examination. I have also taken this aspect of the matter while analyzing the evidence. Opposite party management has produced two witnesses M.W.1 and M.W.2. NO other oral evidence has been adduced by either party.

14. After filing of the claim statement, written statements and documents by both the parties a preliminary issue was framed by my learned predecessor which is to the effect "whether the enquiry conducted by the opposite party bank was fairly conducted".

15. After hearing both the parties my learned predecessor has held vide order dated 20-5-98, that the enquiry conducted by the management bank in respect of Sri Shukla was not fair and proper and a date was fixed for evidence of the management on merit of the charges.

16. I have heard the parties at length and perused whole evidence.

17. It is the contention of the authorized representative of the workman that as the enquiry was held unfair as per the findings of the tribunal initial burden was shifted primarily and mainly on the management to prove the charges before the tribunal.

18. The representative for the workman has also challenged the validity and propriety of the findings of the enquiry officer and the order of punishment on a number

of legal grounds also.

19. It has been contended by the authorized representative for the workman that the disciplinary authority could only be named by designation as per clause 19.14 of the First Bipartite Settlement by designation. It provides that these authorities shall be nominated by designation to pass original orders or dispose off appeals from time to time and a notice specifying the names so nominated shall be posted on the notice board from time to time.

20. It is alleged that Sri N.K. Agrawal who was in the department of Personnel Zonal Office Lucknow was designated as disciplinary authority, but he was transferred from Zonal Office Lucknow and posted in the office Deputy Zonal Head of Union Bank of India West Zone, Pune and passed the dismissal order not in the capacity of disciplinary authority of ZO Lucknow, but from Pune after his transfer. It is argued by the authorized representative of the bank that a person is designated as disciplinary authority by name and not by designation and it is contended by the opposite party bank that even after he has been transferred from Zonal Office, Lucknow to Pune, he will remain as disciplinary authority.

21. I have given due thought and have also gone through the provisions of Bipartite Settlement. I am of the clear view that disciplinary authority could not be named by a person. It could only be named by designation and when Sri Agrawal was transferred from Zonal Office Lucknow to Pune, he has ceased his powers as disciplinary authority and has become functus officio, therefore, he was not competent to pass the orders of dismissal on 21-1-95 vide paper No. 35/14-15. Therefore, the order of dismissal cannot be sustained in the eye of law.

22. Now I would like to consider whether the management has been able to prove the charges levelled against the workman before the tribunal.

23. From the dismissal order vide page No. 35/14, it is clear that finding gross misconduct i.e. disobedience of lawful and reasonable orders of the management, punishment of dismissal from the service has been imposed, second doing acts prejudicial to the interest of the bank, punishment of dismissal from the service of the bank has been imposed on the workman. To prove these charges initially the burden lies upon the opposite party management bank. They have produced two witnesses viz MW-1 Sri Sharda Prasad Mishra and M.W.2 Sri S.S. Husain. If I go through the charge sheet, what is the gross misconduct that can be inferred from second supplementary chargesheet. Further to the charge sheet dated 26-7-88, the following additional acts of omission and commission have been reported against Sri S.C.

Shukla, clerk-cum-cashier Saiyadraja Branch. Sri Shukla's salary was credited to the bill payment account on 1-11-88 when the branch manager was away from the branch, Sri Shukla prepared a transfer voucher of Rs. 351.60 paisa unauthorizedly transferred the amount to his saving bank account. The said voucher did not bear the signature of any officer of the branch. However, Sri Shukla's attempt of wrongfully withdrawing the amount was unsuccessful because the officer concern while checking the voucher during the supplementary writing corrected the ledger and brought the same to the notice of the branch manager. The aforesaid acts of omission and commission on the part of Sri Shukla constitute following misconduct. The gross misconduct—(1) Doing acts prejudicial to the interest of the bank.

24. Thus the charge sheet has been issued by the disciplinary authority. It is paper No. 35/2 Ext. M-19.

25. These are such gross charges which were required to be proved by the management before the Tribunal.

26. Witnesses MW.1 and MW.2 has been produced. Witness MW.2 Sri Husain has not spoken a single word about this gross misconduct that is preparing a fraudulent transfer voucher of Rs. 351.60 paisa and unauthorizedly transferring the same to his credit but was not successful. Therefore, the management cannot take any advantage from the evidence of MW.2.

27. Now I would like to consider the evidence adduced by M.W.1 Sri S.P. Mishra. He simply stated in a single line that is whatever the charge levelled in charge-sheet dated 19-12-88 regarding Rs. 351 is true. But in the cross examination he admitted that he was not present on 1-11-88 in the said branch where this fraudulent transfer voucher was prepared because he had gone to attend meeting. Therefore his evidence cannot be taken in the category of direct evidence. It has been argued that this transfer voucher was fraudulently prepared by Sri Shukla on 1-11-88. when MW.1, was not present in the branch. It has been inferred from enquiry report that one official Sri R.K. Murmu who was working in the branch reported this matter of preparing of fraudulent transfer voucher in writing to the branch manager, but said Sri Murmu has not been produced in evidence. It is set principle of evidence that the documents do not speak itself, original documents are to be produced before the court and also they have to be proved before the court by a person who knows the contents of the documents.

28. In this case original transfer voucher has not been produced. Simply putting exhibits on the photocopies does not mean that those documents are to be believed.

Putting exhibits is a technical process. Photocopies of this transfer voucher are Ext.M-2/64, but this document has not been proved. Original transfer voucher should have been produced. Thus the person should have been produced before the court, who must allege that this document was prepared in the hand writing of Sri Shukla and were being misutilized fraudulently. There is not even an iota of evidence before the tribunal.

29. There is another allegation that the acts of Sri Shukla are prejudicial to the interest of bank. But I do not find any evidence where it can be said that the acts of Mr. Shukla were prejudicial to the interest of the bank. Claimant has produced himself in evidence, though he has not produced himself for cross examination.

30. I have already said previously that the onus lies on the shoulder of the management to prove its case.

31. There is other contention of the authorized representative of the claimant that when the charge sheet has been served no designation has been shown of the disciplinary authority therein in paper No. 35/2 and 35/3. It is also the contention of the authorized representative of the claimant that all the memos which were served relate to not performing the duty obediently. In this regard I would like to say that the disciplinary authority had already considered absence without leave and irregular attendance in the category of minor misconduct and punishment of stoppage of increments have been imposed on the workman.

32. Reference before this tribunal is whether the action of the management of Union Bank of India in dismissing from Service Sri Shukla is just and legal.

33. After going and analyzing the whole evidence of the parties and hearing the parties at length, I am of the view that the management has utterly failed in proving the charges before the tribunal and has also failed in proving that the action of the management in dismissing Sri Shukla from the service of the bank was fair and legal.

34. Therefore, for the reasons recorded above, it is held that the action of the management of Union Bank of India, in dismissing Sri S.C. Shukla from the service of the bank is neither fair nor legal. Accordingly, the management is directed to reinstate Sri Shukla in the service of the bank with full back wages and all consequential benefits.

35. Reference is answered accordingly in favour of the workman and against the opposite party bank.

AWARD

Passed on 25-9-09

Government of India vide Notification No. L-12012/262/98/IR(B-II) Dated 19-04-1999 by exercising its powers under Section 10 of the Industrial Disputes Act, 1947 (hereinafter referred to as the Act) referred the following Industrial dispute for adjudication of this Tribunal:-

“Whether the action of the Regional Manager UCO Bank, Gandhinagar, Jammu in terminating of the services of Sh. Darshan Lal an Armed Guard in Gandhinagar Branch of the Bank is just and legal? If not, what relief the workman is entitled to and from which date?”

On the basis of perusal of statement of claim of the workman, his case in nutshell is that he was appointed as Armed Guard on 05-01-1995 by Regional Manager of the respondent bank through Zila Sainik Board, Jammu. His services were terminated by an oral order without any notice, retrenchment compensation and one month wages in lieu of the notice. He was directly working under the administrative control of the respondent bank and his termination was bad in law being against the provisions of the Act. On the basis of above facts, the workman has prayed for setting aside the termination order and for a consequential order for his reinstatement into the services with all benefits.

The management of the bank contested the claim of the workman by filing written statement. It is contended by the management of the respondent bank that the workman was not appointed against any substantial vacancy. He was appointed for a fixed period as daily wager on account of militancy prevailing in the state of J & K in the year 1995. To meet this exigency of militancy, the bank approached

the Zila Sainik Board for providing ex-servicemen having their own Gun to be appointed on daily wages. It is further contended by the bank that the appointment of the workman was in compliance of the decisions taken in a meeting between the Advisor to the Governor of Punjab with the Senior Officers of the bank for providing security arrangements to the Bank. The Bank has challenged the master and servant relationship between the workman and the management of the respondent bank and has further contended that the workman was a daily wager and a daily wager has no right to any post.

Both of the parties were afforded the opportunity for adducing evidence. Oral evidence was recorded. The bank also preferred to file photocopies of certain vouchers by which the payment was made good to the workman. Shri A.K. Kaul, a witness produced by the management of the respondent bank admitted in his cross-examination that workman has completed 240 days with the bank, preceding to the date of his termination. Thus, the issue before this Tribunal is what was the nature of appointment of the workman? In this regard, the management of respondent bank has taken two pleas. The first one is that the workman was appointed on daily wage basis through the Zila Sainik Board. The second plea is that he was appointed in compliance of the decision taken in the meeting held between the Advisor to the Governor of Punjab and Senior Officers of the Banks regarding security concern of all the banks. No material has been filed by the management of the bank regarding the meeting held in between the Advisor to the Governor of Punjab and the Senior Officers of the Bank. On account of failure of bank to produce the material evidence regarding the meeting and the appointment of SPO's on the basis of decision taken in the meeting, I am of the view that bank has totally failed to prove before this Tribunal that the appointment of workman was purely on the basis of the decision taken in the meeting held in between the Advisor to the Governor of Punjab and Senior Officers of the Bank. There is no nexus between this meeting and the decision taken therein and the appointment of the workman as daily waged worker.

The next plea taken by the bank is that he was appointed as daily waged worker through Zila Sainik Board. It is also the case of the workman that he was appointed through Zila Sainik Board on daily wage basis but the payment was made good monthly. The vouchers filed by the Bank also prove this contention of the workman that he was paid monthly. On the basis of the evidence adduced by the parties, written and documentary, I am of the view that Zila Sainik Board was only an instrument to help the bank in getting the services of the workman as per the requirement of the bank. It has no other role to play in relationship between the workman and the management of the bank. The fact which came before this Tribunal is that workman was directly appointed on daily wage basis by the management of respondent bank as Security Officer.

All this shows that workman was appointed directly by the management of respondent bank as Security Guard on daily wage basis. He was paid wages directly by the bank and was under the administrative control of the management of the bank.

I agree with the contention of the bank that a daily wage worker has no right to the post. The question before this Tribunal is not the right of the workman against any post. The question is the legality of the termination of the workman. The law empowers the management of any organization for termination of services of any daily waged worker but regulate it that the services cannot be terminated without notice, one month wages in lieu of notice or retrenchment compensation. So, this Tribunal is discussing the issue of legality of termination without exceeding its powers regarding the right of the workman to the post. It is admitted case that workman has completed 240 days in the preceding year from the date of his termination and his services could have been terminated by the management after issuing a month notice/one month wages in lieu of notice after paying the legal terminal dues. It was not done by the management, which makes the termination of the workman illegal and void being against the provisions of the Act.

Whenever the termination of the workmen is held to be void and illegal being against the provisions of the Act, there are two possible remedies available. The Tribunal can order for reinstatement of the services of the workman on the same position from which his services were terminated. Alternatively, the workman may be compensated with an amount of reasonable compensation based and calculated on reasonable criteria. It is also the settled principle of service jurisprudence that priority should be given to reinstate the services of the workman. In case, the vacancies are not available or such type of other contingency, the workmen should be compensated by a reasonable amount of compensation. In this case, it is the contention of the management that on account of regular appointment, made as per the rules of the department, no post is lying vacant. Thus, in my view reinstatement of the services of the workman is not the appropriate remedy and he should be compensated by a reasonable amount of compensation. The law permits this Tribunal to do so.

Now the question is what should be a reasonable amount of compensation? This Tribunal has to adopt criteria for fixing the amount of compensation. In my view the criteria for calculating the reasonable amount should be the one month wages and terminal dues to which the workman was entitled at the time of his termination, interest thereon, depreciation in money and period/expenses, which is taken/incurred in administrative and legal proceedings before the Assistant Labour Commissioner and the Tribunal. Apart from it the present economic circumstances (inflation) has to be taken into consideration while calculating the amount of compensation. I have gone through the

vouchers filed by the management of the bank to make good the payment of wages to the workman. Considering of the above factors and the facts of long legal battle of litigation, I am of the view that Rs. 1,00,000 (Rupees One lakh only) will be a reasonable compensation, which will meet the ends of justice. Accordingly, the management of the bank is directed to pay/deposit in the Tribunal an amount of Rs. 1,00,000 (Rupees One lakh only) within one month from the date of publication of the award. It is hereby made clear that if the bank pays or deposits the said amount within one month from the publication of the award, the bank is not obliged to pay any interest. If the bank fails to do so, the workman will also be entitled for the interest on the said amount of Rs. 1,00,000 (Rupees One lakh only) at the rate of 8 per cent per annum from the date of filing the claim petition till the final payment. Let Central Government be approached for publication of the award, and thereafter, file be consigned to the record room.

Barnai, PO muthi, Teh. & Distt. Jammu.

...Applicant

Versus

The Regional Manager, United Commercial Bank, RCO
29-B, C/C, Gandhi Nagar, Jammu (J&K).

...Respondent.

APPEARANCES

For the workman : Sh. R.P. Rana, Advocate.
For the Management : Sh. N. K. Zakhmi,
Advocate.

AWARD

Passed on 25-9-09

The Government of India vide Notification No. L-12012/261/98-IR(B-II) Dated 19-04-1999 by exercising its powers under Section 10 of the Industrial Disputes Act, 1947 (hereinafter referred to as the Act) referred the following Industrial dispute for adjudication of this Tribunal:-

“Whether the action of the Regional Manager UCO Bank, Gandhinagar, Jammu in terminating of the services of Sh. Sher Singh Jamwal an Armed Guard in Fruit Market, Branch of the Bank is just and legal? If not, what relief the workman is entitled to and from which date?”

On the basis of perusal of statement of claim of the workman, his case in nutshell is that he was appointed as Armed Guard on 17-01-1995 by Regional Manager of the respondent bank through Zila Sainik Board, Jammu. His services were terminated by an oral order without any notice, retrenchment compensation and one month wages in lieu of the notice. He was directly working under the administrative control of the respondent bank and his termination was bad in law being against the provisions of the Act. On the basis of above facts, the workman has prayed for setting aside the termination order and for a consequential order for his reinstatement into the services with all benefits.

The management of the bank contested the claim of the workman by filing written statement. It is contended by the management of the respondent bank that the workman was not appointed against any substantial vacancy. He was appointed for a fixed period as daily wager on account of militancy prevailing in the state of J & K in the year 1995. To meet this exigency of militancy, the bank approached the Zila Sainik Board for providing ex-servicemen having their own Gun to be appointed on daily wages. It is further contended by the bank that the appointment of the workman was in compliance of the decisions taken in a meeting between the Advisor to the Governor of Punjab with the Senior Officers of the bank for providing security arrangements to the Bank. The Bank has challenged the master and servant relationship between the workman and the management of the respondent bank and has further contended that the workman was a daily wager and a daily wager has no right to any post.

Both of the parties were afforded the opportunity for adducing evidence. Oral evidence was recorded. The bank also preferred to file photo copies of certain vouchers by which the payment was made good to the workman. Shri A.K. Kaul, a witness produced by the management of the respondent bank admitted in his cross-examination that workman has completed 240 days with the bank, preceding to the date of his termination. Thus, the issue before this Tribunal is what was the nature of appointment of the workman? In this regard, the management of respondent bank has taken two pleas. The first one is that the workman was appointed on daily wage basis through the Zila Sainik Board. The second plea is that he was appointed in compliance of the decision taken in the meeting held between the Advisor to the Governor of Punjab and Senior Officers of the Banks regarding security concern of all the banks. No material has been filed by the management of the bank regarding the meeting held in between the Advisor to the Governor of Punjab and the Senior Officers of the Bank. On account of failure of bank to produce the material evidence regarding the meeting and the appointment of SPO's on the basis of decision taken in the meeting, I am of the view that bank has totally failed to prove before this Tribunal that the appointment of workman was purely on the basis of the decision taken in the meeting held in between the Advisor to the Governor of Punjab and Senior Officers of the Bank. There is no nexus between this meeting and the decision taken therein and the appointment of the workman as daily waged worker.

The next plea taken by the bank is that he was appointed as daily waged worker through Zila Sainik Board. It is also the case of the workman that he was appointed through Zila Sainik Board on daily wage basis but the payment was made good monthly. The vouchers filed by the Bank also prove this contention of the workman that he was paid monthly. On the basis of the evidence adduced by the parties, written and documentary, I am of the view that Zila Sainik Board was only an instrument to help the bank in getting the services of the workman as per the requirement of the bank. It has no other role to play in relationship between the workman and the management of the bank. The fact which came before this Tribunal is that workman was directly appointed on daily wage basis by the management of respondent bank as Security Officer. All this shows that workman was appointed directly by the management of respondent bank as Security Guard on daily wage basis. He was paid wages directly by the bank and was under the administrative control of the management of the bank.

I agree with the contention of the bank that a daily wage worker has no right to the post. The question before this Tribunal is not the right of the workman against any post. The question is the legality of the termination of the workman. The law empowers the management of any organization for termination of services of any daily waged

worker but regulate it that the services cannot be terminated without notice, one month wages in lieu of notice or retrenchment compensation. So, this Tribunal is discussing the issue of legality of termination without exceeding its powers regarding the right of the workman to the post. It is admitted case that workman has completed 240 days in the preceding year from the date of his termination and his services could have been terminated by the management after issuing a month notice/one month wages in lieu of notice after paying the legal terminal dues. It was not done by the management, which makes the termination of the workman illegal and void being against the provisions of the Act.

Whenever the termination of the workman is held to be void and illegal being against the provisions of the Act, there are two possible remedies available. The Tribunal can order for reinstatement of the services of the workman on the same position from which his services were terminated. Alternatively, the workman may be compensated with an amount of reasonable compensation based and calculated on reasonable criteria. It is also the settled principle of service jurisprudence that priority should be given to reinstate the services of the workman. In case, the vacancies are not available, or such type of other contingency, the workman should be compensated by a reasonable amount of compensation. In this case, it is the contention of the management that on account of regular appointment, made as per the rules of the department, no post is lying vacant. Thus, in my view reinstatement of the services of the workman is not the appropriate remedy and he should be compensated by a reasonable amount of compensation. The law permits this Tribunal to do so.

Now the question is what should be a reasonable amount of compensation? This Tribunal has to adopt criteria for fixing the amount of compensation. In my view the criteria for calculating the reasonable amount should be the one month wages and terminal dues to which the workman was entitled at the time of his termination, interest thereon, depreciation in money and period/expenses, which is taken/incurred in administrative and legal proceedings before the Assistant Labour Commissioner and the Tribunal. Apart from it the present economic circumstances (inflation) has to be taken into consideration while calculating the amount of compensation. I have gone through the vouchers filed by the management of the bank to make good the payment of wages to the workman. Considering of the above factors and the facts of long legal battle of litigation, I am of the view that Rs. 1,00,000 (Rupees One lakh only) will be a reasonable compensation, which will meet the ends of justice. Accordingly, the management of the bank is directed to pay/deposit in the Tribunal an amount of Rs. One lakh within one month from the date of publication of the award. It is hereby made clear that if the bank pays or deposits the said amount within one month from the publication of the award, the bank is not obliged to

pay any interest. If the bank fails to do so, the workman will also be entitled for the interest on the said amount of Rs. 1,00,000 (Rupees One lakh only) at the rate of 8 per cent per annum from the date of filing the claim petition till the final payment. Let Central Government be approached for publication of the award, and thereafter, file be consigned to the record room.

Management

AWARD

Shri Anand Singh Tilara was working as a personal driver of S.R. Podar Zonal Manager Ghaziabad Zone Bank

of Indian and performing his duties at Ghaziabad office of the Bank. He was employed on 1-4-1991. He served Shri Podar upto 7-5-2003, when Shri Podar was transferred service of Tilara came to end. Aggrieved by said fact he raised an industrial dispute before the Conciliation Officer. Since the conciliation proceedings failed, the appropriate Government referred the dispute to this Tribunal for adjudication vide order No. L-12012/182/2003-IR (B-II) New Delhi dated 5-1-2004 with the following terms :—

“Whether the action of the Zonal Manager Bank of India, Ghaziabad in terminating the services of Anand Singh Tilara, Driver, w.e.f. 7-5-2003 is just, fair and legal? If not, what relief is he entitled to?”

2. Claim statement was filed by the workman pleading therein that he was serving Bank of India as a driver at its Ghaziabad office since 1-4-91. His appointment was made as per requirement in terms of rules and regulations. He worked with the Bank till 7-5-03 continuously. His last drawn wages were Rs. 3850 p.m. His service has been appreciated as such a case for regularization and permanent absorption in service was recommended. His regularization could not be considered due to arbitrary and illegal decision of having bench mark of 5 years continuous for service that purpose. He completed four years and 7 months service on 11-11-95, the date when 5 years service fact mark was to be fulfilled with malafide intentions. His services were unilaterally terminated without compliance of the provisions of Section 25-F of the I.D. Act. Termination of his services amount to retrenchment. His termination was in violation of the provisions of section 25-F of the Act and is illegal. He presents that he may be reinstated in service of the management with continuity of service and full back wages.

3. Management contests the claim petition pleading that there existed no relationship of employer and employee between the parties there was no industrial dispute to be referred for adjudication to this Tribunal Regulation 26 of the Banking of India (Officers Service Regulations) 1979 authorises an officer in Section 5 and condition to use banks care for personal purposes, for which they could engage personal drivers. Shri Tilara was engaged as personal driver by one of the officers of the bank. Since he was never engaged by the bank, hence there was no relationship of employer employee between him and the bank. It is pleaded that there was no question of payment of salary of Rs. 3850 to Shri Tilara. It was denied that he rendered four years and 7 months continuous service with the bank. It is pleaded that recruitment in the bank is to be done through regular appointment channel and the claimant cannot steal a march over others by claiming his regularization. Since the claimant was not in the employment of the bank, there is no question of violation of the provisions of Section 25-F of the Act. It has been claimed that the reference may be answered in favour of the management bank.

4. On pleadings of the parties following issues were settled :

1. Whether there exists an employer and employee relationship between the parties.
2. As in terms of reference ?
3. Relief.

5. Shri Anand Singh Tilara (WW1) Nand Kishore (WW 2) and Bhoop Singh (WW 3) were examined on behalf of the workman. Shri V. K. Sharma, (MW1) was examined on behalf of the management.

6. Arguments were heard at the bar. Shri B. K. Paul, authorized representative, advanced arguments on behalf on the workman. Shri Rajat Arora, authorized representative, presented facts on behalf of the management. I have given my careful considerations to the arguments advanced at the bar and cautiously perused the record. My findings on issue involved in the controversy are as follows :—

Issue No. 1

7. Anand Singh Tilara in his affidavit that he was working with M/s. Bank of India, Ghaziabad Branch as driver since 1-4-91. His appointment was made as per requirement of the office. His salary was Rs. 3850 p.m. on 17-5-03. He worked to the satisfaction of his officers and there has been no complaint against his work and behaviour. Despite his completing four years and seven months service, his case for absorption was not considered by the management. While working as driver with the bank he worked under direct control and supervision of the bank. During his duty hours he has been challaned (for traffic violations). He has been performing all duties assigned to him by officers of the bank. As an after thought he has been termed as personal driver, which action is wrong. The management has erred in law by not regularising his services. Order of termination of his service is wrong and malafide. The management is still in need of services of a driver. Provident Fund and ESI subscription were deducted by the management from his salary. He relied documents Ex. WW1/1 to Ex. WW 1/44. During the course of his cross examination he admits that he was not recruited or appointed through employment exchange. He did not pass any examination, as required for recruitment in the services of the bank. He admits that he was working as personal driver under Shri S. R. Podar, the Chief Regional Manager. He further admits that sometimes his salary was paid by Chief Regional Manager, sometimes by Regional Manager and sometimes it was handed over to him through a peon.

8. Nand Kishore swears in his affidavit that he was working as driver with Bank of India from 7-5-03 till November, 2004. He has signed vouchers Ex. WW2/1 and Ex. WW2/2. He got car repaired and job card to that effect is Ex. WW2/4. Anand Singh Tilara was serving in the bank

as driver since 1-4-91, but his services were not regularized. Anand Singh Tilara has worked as driver with the bank and not as a personal driver of officer of the bank. During the course of his cross examination he admits that Anand Singh Tilara was working in the bank prior to him.

9. Bhoop Singh Chauhan swears in his affidavit that he has been working as peon-cum-driver with the bank since 1-10-68. He got voluntary retirement on 31-12-2000. Anand Singh Tilara has been working as driver with the bank since 1-4-91 against a vacant and permanent post. His services were terminated on 7-5-03 in illegal manner. Anand Singh is entitled for reinstatement in service, since his junior is still serving the bank. During the course of his cross examination he admits that the officer with whom Tilara was working, was competent to grant him leave. He used to address his leave application to the officer with whom he was attached. He showed ignorance as to whether Tilara was working as personal driver to the Zonal Manager.

10. Shri V. K. Sharma swears in his affidavit that Anand Singh Tilara was not an employee of the bank. He was only a personal driver of S. R. Podar, Zonal Manager of the bank. Anand Singh Tilara was not entitled for regularization of his services. There was no employer and employee relationship between Anand Singh Tilara and the bank. Shri Tilara was never paid wages by the bank, since he was not appointed by the bank. During the course of his cross examination he admits that office Memo Ex. WW 1/18, EX, WW 1/19 and Ex. WW 1/20 are of the bank. He further admits that Ex. WW 1/21 to Ex. WW 1/24 are internal letters issued by the bank. He showed his inability to identify signatures of officer on Ex. WW 1/21 to Ex. WW 1/24. He admits that Ex. WW 1/6 appears to have been issued by the bank.

11. Out of facts projected by the workman as well his witnesses it came to light that they could not dispel the case that Shri Tilara was employed as a personal driver to S. R. Podar. Ex. WW 1/6 has been proved by the workman. When this document was perused it came to light that Anand Singh Tilara moved as application for his absorption in bank as sub staff. In response to his application, letter Ex. WW 1/6 was written by the Zonal Manager to his higher authorities, wherein he has been detailed that Shri Tilara was working as personal driver to Shri S.R. Podar, Zonal Manager of the bank. Ex. WW 1/8, Ex. WW 1/17, Ex. WW 1/19, Ex. WW 1/24, Ex. WW 1/26, Ex. WW 1/28, Ex. WW 1/31, Ex. WW 1/40 and Ex. WW 1/41 reaffirm those very facts. Therefore, it is emerging over the record that Shri Anand Singh was working as personal driver to Shri S.R. Podar, Zonal Manager of the bank. Facts testified by Shri V.K. Sharma give confirmation to the proposition that Shri Tilara was working as a personal driver to Shri Podar. He was requesting the authorities for his appointment in the services of the bank on the basis of service rendered to Shri Podar. Hence it stood proved that Shri Anand Singh

Tilara was working as personal driver to S. R. Podar, Zonal Manager, Ghaziabad Zone of the Bank. There was no relationship of employer and employee between the parties. Issue is therefore, answered in favour of the management and against the workman.

Issue No. 2

12. Since there was no relationship of employer and employee between the parties, there was no opportunity with the management bank to terminate the services of Shri Tilara. Consequently claim of Shri Tilara that termination of his services on 7-5-03 by the bank amounts to retrenchment as defined under Section 2(oo) of the Act, is unfounded. His claim that provisions of Section 25-F of the Act were violated is farther from truth. Under these circumstances there cannot be any case for questioning the decision of the bank as unjust and illegal, when his services as personal driver of Shri S.R. Podar came to an end. The issue is answered in favour of the management and against the workman.

Relief

13. The workman could not project that he was in the employment of the bank. Despite the fact that he could not establish his case, he placed reliance on precedents in E. Hussainbhai (1978 LIC 1264), Shivanandan Sharma [1955(1) LLJ 688], Punjab Sugar Mills Company [1955(2) LLJ 454], J.K. Cotton Spinning and Weaving Mills [1955(2) LLJ 734], National Engineering Workers' Union [1960(2) LLJ 659], Gammon India Limited [1984(1) SCC 509], J.K. Cotton Spg. & Wvg Co. [AIR 1964 SC 734], Silver Jubilee Tailoring House [1973(2) LLJ 495], M/s Shining Tailors [1983(2) SSC 464], Narotam Chopra [1989(2) SSC 97], Dhani Ram and Ors. [2007(8) SLR 131], Yamuna Shankar Sharma [2007(3) SLR 450] and Municipal Board, Lakheri [2008(5) SLR 192]. In view of different and distinct facts those precedents nowhere espouse his cause. He cannot claim accolades out of the precedents referred above. Not to talk of absorption in the service of the bank, he is not entitled for any relief. All Award is accordingly passed. It be sent to the appropriate Government for its publication.

AWARD

(Date : 11-9-2009)

1. The Desk Officer from Government of India forwarded this reference on 28-4-2005 to decide whether second party workmen were in employment as casual labourers towards first party. It is also referred that whether they worked continuously towards Sub-Division, Daund from 1991. The reference is further on the line whether termination/disengagement dtd. 14-10-2004 was legal and justified.

2. After receipt of above referred reference, 6 persons filed Statements of Claims as second party vide Exh. U-1. As per them, they are working towards first party from 7 to 13 years continuously. However, they are treated as casual labourers. It is further stated that workmen are paid meager salary of Rs. 1600 pm., which is much lesser than the wages granted under the Minimum Wages Act, 1948. It is further stated that first party by its letter dtd. 25-8-2002 informed its Unit Officer that 33 part time casual labourers, whose names are mentioned in the letter has to be regularized w.e.f. 1-10-2000. Accordingly, labourers were regularized excluding the second party workmen vide order No. R-38-VII/IV/FC-15 dtd. 24-10-2002. The second party workmen thereafter, approached first party submitting their grievances. It appears that the Divisional Engineer was directed to submit the detail information in respect of second party workmen and 2 others and accordingly information was supplied. In response to abovesaid directions, 8 part time casual labourers including second party workmen submitted format vide letter dtd. 24-12-2002. There is no reply from the first party even though 2½ years are over. The workmen repeated made several representations in individual capacity and also through their union. However, first party did not pay any heed to the workmen's request. It is stated that two part time casual labourers by name Shri Hajbe Rajendra Baburao

and Shri Holkar Ravindra Sahadu have been regularized as full time casual labourers along with 33 other workmen. The above referred 2 persons are working with BSNL, Daund from 1-4-98 and are juniors to the second party workmen. The above referred action on the part of the first party is illegal, arbitrary and mala fide. It is further stated that the wages paid to the second party workmen are not regularly paid to them. The second party workmen are rendering same kind of services which is being rendered by regular employees.

3. It appears that first party is arranging to engage labourers through contractors. The second party workmen are employed to do the jobs such as digging, laying cables, fitting connections in the office of the customers, sweeping etc. The above referred work is incidental to and necessary to the main operations carried out by the first party. The workmen engaged by the first party are attending perennial and permanent nature of job. The second party workmen are working for years together and doing the work continuously and without any break. They are attending the full shift work in all the working days in a month and also in the year. Their duties are monitored by the officers of the first party. Their jobs are supervised by the said officers and leaves etc. are also sanctioned by those officers. The above fact clearly reveal the 'master and servant relationship' between first party and the second party workmen. There is direct relationship of master and servant.

However, the workmen are treated as casual without assigning good reasons. In the facts stated by the second party they are entitled to be regularized as permanent workers. They had filed Writ Petition being W.P. No. 3316/2004 before the Hon'ble High Court, Mumbai and on 4-10-2004, the Hon'ble High Court, Mumbai allowed to withdraw it with liberty to file petition before competent authority. The workmen are carrying work which is of permanent nature and first party is having sufficient workload to employ the workmen on full time basis. However, the first party has employed the workmen on part time casual basis. Therefore, the workmen are entitled for status of permanency with all other consequential benefits. The oral termination w.e.f. 14-10-2004 is necessary to be declared as illegal and second party workmen are entitled for reinstatement with full back wages.

4. The first party objected the claim filing Written Statement on 13-1-2006. It denied the status of the second party workmen and their relations as employees of first party. Thereby, as per the first party, reference is not tenable. It is stated that neither second party workmen were workers of the first party nor were engaged for any work. They were never engaged by the first party under any category. It is stated that first party has never opted such practice and violated the provisions of any Article of Constitution of India. As second party workmen never engaged, question of E.P.F. Act or Payment of Minimum Wages Act or Shops Act does not apply. It is stated the

committee of the first party consisting of Shri, MK Jahagirdar, Shri R.S. Sangeet and Shri D.S. Jagdale, union representative prepared list of 33 labourers. After scrutiny, they were regularized by the first party. It is reliably known that the second party workmen were engaged for work by contractor at period and not by the first party. They cannot put any claim of service towards first party. The first party admitted that vide its letter dtd. 20-11-2002, the Divisional Engineer was informed the grievances about second party workmen. Some information was furnished by the concerned officer from Daund in respect of 8 persons. On scrutiny, the claim of 8 persons was not found correct. The information furnished by the second party never confer any right in their favour. Moreover, the information furnished was also not correct. Therefore, no further steps were taken about regularization. First party denied that Shri Hajbe and Shri Holkar were regularized contravening the recruitment rules. The work such as digging trenches for cables, fitting connections etc. are always given to the contractor. As a policy matter, the department of telecommunication, no casual or temporary workers used to be engaged. As per policy, entire work is given to the contractor and therefore, there is no recruitment at all. First party denied that second party workmen carried the work of permanent nature. The department is having more than required staff, which are engaged for the work and therefore, there is not question of new appointment. The second party is not entitled for any relief as there is no relationship of employer and employee. The Hon'ble High Court also directed second party workmen to approach Industrial Court and from that angle also, the reference is not maintainable. So, reference may kindly be dismissed with costs.

5. In view of stated claims, on 7-11-2006, my Predecessor was pleased to frame issues vide Exh. O-3. Heard Shri Attar and Shri Khandekar, Ld. Advocates for the respective parties. Shri Attar carrying me through the entire evidence submitted that it is necessary to accept the reference of the second party. On the other hand, Shri Khandekar relying on (2006) 2 Supreme Court Cases-702, 2009 (120) FLR 834, (2006) 5 Supreme Court Cases 493, (2004) 8 Supreme Court Cases-246, (2004) 8 Supreme Court Case-195 & AIR 2006 Supreme Court 1806 submitted to reject the reference.

6. In this reference, second party who are 6 in numbers filed their affidavits-cum-evidence vide Exhs. U-7 to U-12. The record reveal that only second party Rajaram Rambhau Yede was cross examined by the first party. Second party also examined officer from first party by name Kantilal Narayan Adsul at Exh. U-28, one casual labour Shri Raju Appaji Hiranwale at Exh. U-29 and closed down the oral evidence vide pursis. Exh. 36. To disprove the above referred evidence, first party examined its officers by name Shri Popat Mali at Exh. C-32, Musa Timmekar at Exh. C-33, Shri Gorakhnath Dhokarat at Exh.C-34, Shri, Mahesh

Gundecha at Exh. C-35 and Shri Ginapa Budavi at Exh.C-36. Similarly, the letters correspondence in the form of documentary evidence is also placed on record. I had given careful thought to the arguments as well as evidence made available before this Court. The issues framed by my Predecessor are answered by me with below mentioned reasons.

ISSUES

Findings

- | | |
|--|---------------------------------|
| 1. Whether the workmen prove that they were in employment as casual labourers in BSNL under Sub-Division, Daund continuously from 1991 ? | ... Not proved. |
| 2. Whether the management of BSNL has illegally terminated services of the workmen ? | ... Not proved. |
| 3. Whether workmen are entitled to be reinstated in the service of management of BSNL with all consequential benefits ? | ... No. |
| 4. Any other relief to which they are entitled ? | ... Not entitled to any relief. |
| 5. What order ? | ... Reference stands rejected. |

REASONS

7. As to Issue No. 1.— In view of reference forwarded on 28-4-2005, it became clear that this Court has to consider the status of the second party from 1991 with continuity. Similarly reading of reference further clarifies that disengaging the act on the part of first party dtd. 14-10-2004 was illegal or otherwise has to be answered in view of case placed on record with the evidence. In that regard, as I stated earlier, there are 6 workmen claiming themselves as employees of the first party employer. Evidence of those employees are respectively from Exh. U-7 to U-12. I had given careful thought to the above referred evidence, which reveal that neither of them stated the commencement of service as referred by reference in question. As per Shri Yede, he was working with Daund Telephone Exchange from 1997. The said evidence is repeated by the second party Sunil at Exh. U-8. As per Meheraj since 1993 he was working with the first party (Exh. 9.). The evidence of Lalasaheb, which is at Exh. 10 is on the line that from 1997 he was working with Daund Telephone Exchange, Kondiba, Second party stated at Exh. U-11 that from 1997 he was working with the first party. Same evidence is there by second party Shri Jalal at Exh. U-12. The sum substance of above referred evidence is that from 1993 to 1997 second party workmen are claiming their respective commencement of service. Admittedly,

there is no written evidence placed on record about entry of service of either of the second party. The discussion above clarifies that oral evidence of second party is of such nature that calculation about continuity of service became difficult to be laid down by this court in view of reference which is expecting service from 1991. It is needless to say that no one from second party claiming his service from 1991. The above referred fact totally destroyed the stand and claim of the second party workmen. In that regard, it is necessary to say that second party workmen are claiming themselves as casual and submitted that even though some others particularly Shri. Hajbe and Shri Holkar were absorbed permanently by the first party. Here neither Shri Hajbe nor Shri Holkar is examined as witness to gather how regularization occurred. Thereby, it became difficult for this court to accept the right claimed by the second party workmen.

8. It is clear from the reading of the statement of claim that second party is placing reliance on letters dtd. 25-8-2000 and 29-9-2000. As per the second party workmen in view of above referred two letters, it was obligatory on the part of the first party to regularize their services. Let us examine what relied letters states. Letter dtd. 25-8-2000 is placed on record as document No. 4 of list Exh. C-12. Its reading reveal that Government of India directed first party officers regarding conversion part time labourers working for less than 4 hours per day into full time casual labourers. I had given careful thought to the letter and in my view it will not create any right towards second party workmen. The reason for above conclusion is that workmen, who worked for less than 4 hours were vested with such right that too on casual only. It is not the case of the second party workmen that they used to work for less than 4 hours per day. On the contrary, it appears from the statement of claim that second party workmen used to do work for more than prescribed period. Secondly, even one accept the letter, one will say that the status of casual labourers is given by above referred letter. In view of this fact, permanency claimed by the second party workmen through letter dtd. 25-8-2000 is not acceptable in view of case placed on record. Moreover, the Hon'ble Apex Court in that regard in (2006) 2 Supreme Court Cases-702 categorically laid down that casual labourers do not have any legal right unless and until appointed against duly sanctioned vacant posts. Thereby, in my view, the right claimed by second party is not reflecting in the evidence available.

9. I had given careful thought to the oral evidence by second party workmen and I gathered from the testimony of second party Shri Yede that he and others were appointed by Shri Dhokarat Sahab. There is evidence of Shri Dhokarat as witness No. 3 at Exh. C-34. He categorically denied the stand alleged by the second party. As per him, he did not know the disputed employees, he never called these employees for work, he never paid salary to these disputed employees. The cross examination clarifies that the officer is not knowing whether disputed workers were working in

the year 1997. These facts clarifies that source of appointment, which is admittedly to be oral is not established as per the statement of claim. Here, it is necessary to mention that there is no suggestion given to witness Shri Dhokarat that he was the person, responsible for the recruitment of the second party workmen. In view of all above facts on record, it became clear that source of introduction of service as well as right claimed by the second party is not reflecting in the evidence.

10. I had given careful thought to the other witness of second party by names Shri Adsul and Shri. Hiranwale and in my view, their evidence when compared with the claim of the second party workmen, will not establish the right of either of second party workmen.

11. In this reference, it is necessary to say that first party is a Government undertaking, which is governed by rules and regulations about recruitment. The correspondence placed on record as well as statement of claim itself reveal that whenever request to take action about service was there, response was there on the part of first party officers. Paras Nos. 7 to 12 of statement of claim clarifies this fact. If one consider above referred case, no one will say that there is colourful exercise or victimization of any kind on the part of the first party employer. In view of above facts on record and in view of above discussed evidence, it became clear that as of right second party workmen failed in establishing that since 1991 they worked continuously. So, issue is answered in the negative.

12. AS TO ISSUE NO. 2. :—Once I hold that there is no record to establish the stand of continuity from 1991, illegal termination will not survive at all. If one read the statement of claim, which itself reveal that there is not a single action appears on the part of the first party as illegal for the alleged termination of 2004. The officers of the first party respectively from Exh. 32 to 36 explained the procedural aspect of the recruitment of the first party. In view of above facts, it became clear that illegality as alleged by the second party workmen is not placed on record and thereby, issue is answered in the negative.

13. AS TO ISSUE NO. 3. :—The reading of statement of claim clarifies that second party workmen are claiming increase in wages, which is a question outside the reference in hand. It is necessary to say that second party is entitled to take action under Minimum Wages Act. As far as continuity and illegal termination, forgoing issues established failure on its proof and therefore, the issue has to be answered in the negative.

14. AS TO ISSUE NO. 4. :—In view of available evidence, in my view, the second party is not entitled for any relief and thereby, issue is answered in the negative.

15. AS TO ISSUE NO. 5. :—In the result, reference is not acceptable. I reject and proceed to pass following final order.

ORDER

1. Reference is hereby rejected.

2. No order as to costs.

Dated, 5-10-2009

AWARD

By order No. L-20012/489/99-IR(C-1), dated, 23-2-2000, the Central Government in the Ministry of Labour has, in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2A) of section 10 of Industrial Disputes Act, 1947 referred the following dispute for adjudication to this Tribunal :

“Whether the action of the management of Mahuda Coal Washery of M/s. BCCL, Dhanbad, to dismiss Shri Gama Bauri an unskilled mazdoor on the ground of absence by the management is just and fair? If not, to what relief is the concerned workman entitled?”

This reference case was received in this Tribunal on 1-3-2000. Thereafter, notices were sent to the parties to file written statement by the sponsoring union/workman. In spite of notices sent by Regd. post no written statement has been filed by the workman till 24-8-09. It is therefore appears that neither the concerned workman nor the sponsoring union is interested to contest the case.

In such, circumstances, I render No Dispute Award in this reference case.

AWARD

The Government of India, Ministry of Labour, in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication *vide* their Order No. L-20012(391)/93-IR (Coal-I) dated, the 28th December, 1994.

SCHEDULE

"Whether the action of the General Manager Mahuda Area of M/s. BCCL, P.O. Mahuda, Distt. Dhanbad in superannuating Shri Budhan Mahato, Loader w.e.f. 10-3-93 inspite of glaring difference in his appearance is justified? If not to what relief is the concerned workman entitled?"

2. It has been stated in the Written Statement filed on behalf of the workman concerned that Shri Budhan Mahato, the concerned workman had been working as a permanent Loader at 20/21 Pits Murulidih Colliery since long with unblemished record of service. It has been alleged that taking advantage of illiteracy and innocency of the concerned workman the management illegally and arbitrarily recorded his date of birth on the basis of which the concerned workman was superannuated in the year 1990. The concerned workman vehemently protested against such action of the management and requested the management to refer him to the Medical Board for determination of his age as there is a glaring difference of age as recorded in the alleged record and as per appearance. From the very appearance of the concerned workman anybody can assess his age which is much below 50 years.

It has been further stated that in terms of the JBCCI

decision Director (Personnel), Headquarter has the authority to review the matter regarding the discrepancy of age and glaring difference of age. Accordingly, the concerned workman represented before the Director (Personnel) for review of his age and accordingly, the concerned workman was directed to appear before the Director (Personnel), who after seeing the concerned workman directed the Management to allow the concerned workman to resume duty and to refer him to Apex Medical Board. Thereafter Shri R. P. Singh, Dy. Chief Personnel Manager (IR) by its letter dated 3-12-1990 directed the Agent of the Colliery to allow the concerned workman to resume duty and also directed to refer him to Medical Board for determination of his age. Accordingly, in pursuance of the aforesaid letter of the Dy. C.P.M., Mahuda Area, the Agent of the Colliery by Office Order dated 13/14-12-1990 allowed the concerned workman to resume duty. It has been alleged on behalf of the concerned workman that though the concerned workman was referred to Medical Board the Area Medical Board did not, comply with the direction of the Director (Personnel) and so his age was not determined by the Apex Medical Board. It has been alleged on behalf of the concerned workman that the management terminated the service of the concerned workman with effect from 9-3-83 without assigning any reason and without complying with the provision of Section 25-F of the I.D. Act, 1947. Thereafter the concerned workman represented before the management against the illegal and arbitrary determination of his service. Seeing no other alternative the Union on behalf of the concerned workman raised an Industrial dispute before the Assistant Labour Commissioner (Central), Dhanbad. During the course of Conciliation proceedings for the first time the Management submitted before the Conciliation Officer that the concerned workman was superannuated on the basis of an alleged Medical Board report that was constituted in the year 1987. In its rejoinder denying the allegations as levelled against the workman the Union submitted before the Conciliation Officer that the alleged Medical Board has allegedly determined the age of the concerned workman without conducting any classification test as per Medical Jurisprudence. However, the conciliation proceeding ended in failure and present reference was made before this Tribunal for adjudication. Accordingly, it has been prayed on behalf of the concerned workman to pass an Award holding the action of the management as not justified with direction to reinstate the concerned workman with full back wages and other consequential benefits.

3. In the Written Statement submitted on behalf of the management it has been stated that the present reference is not legally maintainable. They have stated that the date of birth/age is recorded in the Form B Register maintained under Section 48 of the Mines Act, 1952, read with Rule 77 of the Mines Rules, 1955. The date of birth recorded in the Form B Register becomes conclusive for deciding the time of superannuation of a particular workman. They have further submitted that the JBCCI Circular No. 76 states

that the management can review the date of birth of a concerned workman on the strength of the documents mentioned in the circular and the date of birth recorded in the Form B Register can be corrected. In the event of discrepancies in the date of birth/age recorded in different registers of the company, the age of that workman may be assessed by a Medical Board and the age so assessed by the Medical Board becomes binding both on the management as well as the concerned workman for the purpose of deciding the time of superannuation. In the event of any glaring difference of age recorded in the Form B Register and from the appearance of a particular workman he may be referred to the Medical Board for assessment of his age and the age assessed by the Medical Board becomes binding on the management as well as the workman for deciding the time of superannuation.

It has been stated that Circular No. 76 was issued on 25-4-1988. Prior to that date the Circular No. 37 dated 5-2-81 was in operation. The above circular got repealed after introduction of JBCCI Circular No. 76 dated 25-4-1988.

However, the concerned workman represented before the management for correction of his date of birth/age recorded in the Form B Register of the company on the ground that there was glaring discrepancy between the age recorded in the Form B Register and from his appearance. Thereafter the management referred his case to the Apex Medical Board at Koyala Nagar for assessment of his age on the basis of medical examination. He appeared on 9-1-1987 before the Apex Medical Board which assessed his age as 57 years on 9-1-1987. His date of birth/age was accordingly, entered in the Form B Register and he was allowed to continue till 31-12-1989 and was superannuated with effect from 1-1-1991. The concerned workman approached the management along with his leader and the headquarters without calling the report from the Area Office issued directions to allow him to continue on his job and be referred to the Apex Medical Board for assessment of his age. The Area Office in pursuance of the direction from the headquarters allowed the concerned workman to continue on his job and all the relevant facts remained concealed and the concerned workman continued to work on his job. Thereafter when the case of the concerned workman was referred for his medical examination by the Apex Medical Board and relevant forms AMB were filled up and sent to the Apex Medical Board, it was observed that the concerned workman had already been examined by the Apex Medical Board on 9-1-1987 and there was no justification to refer his case to the Apex Medical Board again. The existing rule of the management was that once the age/date of birth has been assessed by the Apex Medical Board, the same becomes final and binding and there is no scope for sending a workman again and again before the said Apex Medical Board for reassessment of his age. It has been submitted that the management regretted to get his age assessed again by the Apex Medical Board and he was superannuated from his service with effect from 10-3-1993. The headquarters of the management got

misguided on the basis of deceptive look of the concerned workman and passed order on the spur of the moment on the insistence of the trade union leader and directed the local management to allow the concerned workman to continue in the employment and to send him to the Apex Medical Board for assessment of his age. Since the Apex Medical Board had already assessed the age of the concerned workman on 9-1-1987 the question of further examination for assessment of his age again did not arise. Thus the headquarters was on account of misrepresentation of the facts made by the concerned workman and his union leader and as soon as the matter was brought to the notice his request for re-assessment of his age by Apex Medical Board was not acceded to. The management have further submitted that the concerned workman got advantage of three years of service by adopting such procedure and instead of superannuating in the year 1990 he superannuated in the year 1993. Under the facts and circumstances, the management have prayed to pass an Award holding that the concerned workman is not entitled to get any relief.

4. Both the parties have filed their respective rejoinder admitting and denying the contents of some of the paras of each others Written Statement.

5. The workman side in order to substantiate their case has produced the concerned workman who has been examined as WW-1. However, no document on their behalf has been marked as exhibit. Management side in order to substantiate their case has produced Mihir Kumar Tewary as MW-1 who has proved documents marked as Ext. M-1, M-2 and M-3.

6. Main argument advanced on behalf of the concerned workman is that the Medical Report marked as Ext. M-2 has not been signed by the Chief Medical Officer. So it cannot be believed. In this respect the representative of the management argued that Ext. M-2 has been prepared during course of business of the management. So it cannot be believed. Ext. M-2 shows that it has been signed by the Personnel Manager and it is not original and no original is required for such purpose. The original is maintained with the C.M.O.'s Office on the basis of which Ext. M-3 which is a letter dated 16/17-2-1993 has been written by Dr. S. Ghosal, Sr. Medical Officer to the Dy. Chief Personnel Manager, Mahuda Area stating therein that regarding the case of Shri Budhan Mahato, Loader, 20/21 Pits the old records reveals that he has already been examined by Apex Age Board on 9-1-1987 when his age was assessed as 57 years. It has also been stated therein that as per the Standing directives of D(P) (vide sanction Notesheet No. 569 dated 10-10-1991) a case once examined by Forensic Expert is not to be re-opened and is to be returned to the Area. So, when the age of the concerned workman has been assessed by the Medical Board then there is no question to re-assess his age. As per direction of the Director of Personnel, Koyala Bhawan to reassess his age only on the ground of appearance his got no meaning and does not bear any

ground when his age has already been assessed by the Apex Medical Board. No rule has been shown by the representative of the workman that if once age has been assessed then again it should be re-assessed on the letter of the Director of Personnel Koyala Bhawan.

7. In this respect cross-examination of WW-1 is relevant. WW-1 Budhan Mahato in course of his cross-examination at page has stated "I joined the service on 1959. At time of my joining my age, address, parentage are recorded. I know details are entered in Form B Register. I never raised any dispute regarding my incorrect date of birth. I was superannuated w.e.f. 10-3-1993." It only shows that he admits that in Form B Register his age was correctly mentioned and he has raised the above dispute after his retirement. MW-1 has stated that as per entry in Form B Register at Sl. No. 581 his age was 48 years in 1974 marked as Ext. M-1. He has put his LTI against this entry. As per Ext. M-2 he was medically examined by the Medical Board for assessment of age which was held on 9-1-87 and as per Medical Board report his age was assessed to be 57 years on that day.

8. Argument advance on behalf of the concerned workman that on the direction of the Director of Personnel Koyala Bhawan his age was not again re-assessed so he cannot be retired is baseless and without any justification. In the circumstances it shows that the management has rightly retired the concerned workman from service. Accordingly I hold that the concerned workman is not entitled to get any relief.

In the result, the following Award is rendered :—

"The action of the General Manager, Mohuda Area of M/s. BCCL, P.O. Mahuda, Distt. Dhanbad in superannuating Shri Budhan Mahato, Loader w.e.f. 10-3-93 in spite of glaring difference in his appearance is justified. Consequently the concerned workman is not entitled to get any relief."

New Delhi, the 13th October, 2009

S.O. 3054.— In presence of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award (Ref. No. 201/90)

of the Central Government Industrial Tribunal/Labour Court No. 1, Dhanbad now as shown in the Annexure, in the Industrial Dispute between employers in relation to the management of M/s. B.C.C.L. and their workman, which was received by the Central Government on 13-10-2009.

[No. L-20012/12/90-IR(C-1)]

SNEH LATA JAWAS, Desk Officer

ANNEXURE

BEFORE THE CENTRAL GOVT. INDUSTRIAL TRIBUNAL No. 1, DHANBAD.

In the matter of a reference u/s. 10(1) (d) (2A) of I. D. Act.

Reference No. 201 of 1990

Parties : Employers in relation to the management of M/s. Bharat Coking Coal Ltd.

AND

Their Workmen

Present : Shri H. M. Singh, Presiding Officer.

APPEARANCES

For the Employers : Sh. B.M. Prasad, Advocate.

For the Workmen : Sh. D. Mukherjee, Secretary,
Bihar Colliery Kamgar Union.

State : Jharkhand. Industry : Coal.

Dated, the 30th September, 2009.

Award

By order No. L-20012 (12)/90-IR(C-1) dated 31-8-1990 the Central Government in the Ministry of Labour has, in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947, referred the following dispute for adjudication to this Tribunal :

"Whether the management of M/s. Bharat Coking Coal Ltd, in relation to Mondal Kenduadih Colliery in Barora Area No. 1 is justified in denying employment to the dependents of the following deceased workmen under para 10.4.1 and 10.4.2. of NCWA-II? If not, to what relief the workmen are entitled?"

S. No.	Name of the deceased workmen	Name of the dependent
1.	Late Chaku Dhoba	Smt. Lakhami Devi.
2.	Late Durga Dhoba	Smt. Matu Devi.
3.	Late Atwari Bhuiya	Shri Sarju Bhuiya.
4.	Late Jakir	Shri Naushed Mian.
5.	Late Asuthosh Goswami	Shri . Gangadhar Goswami.

2. Written statement on behalf of the concerned workmen has been filed stating that Late Chaku Dhoba, Durga Dhoba, Atwari Bhuiya, Jakir and Asutosh Goswami were the workmen in Reference No. 22 of 1987. All the aforesaid workmen were the permanent employees of Mondal Kendwadih Colliery of M/s. BCCL. The workmen were stopped from duty which culminated into the Reference No. 22 of 1987. The Central Govt. Industrial Tribunal No. 1, Dhanbad, had been pleased to pass an award in favour of the workmen directing the management to re-instate the concerned workmen with full back wages. The management, however, did not implement the award and practically forced the poor starving workmen to enter into a settlement with the management in violation of the provisions of the award. The award was passed on 22-4-1980 and as per law the management was bound to implement the award within thirty days of the publication of the same but the same was not done by the management. In view of the decision of the Court in Reference No. 22 of 1987 the aforesaid deceased workmen should be deemed to be employees of the management w.e.f. 1-5-73. Unfortunately the late Chaku Dhoba died on 11-9-80, Durga Dhoba died on 15-9-80, Atwari Bhuiya died on 4-1-84, Ashutosh Goswami died on 26-11-80 and Jakir Mia died in 1985. As per provisions of NCWA-II which has come into effect from 1-1-79 that the dependent of the workmen died during the tenure of his service is entitled for employment as per para 10.4.1 and para 10.4.2. The dependent of the aforesaid deceased workmen represented before the management for providing them employment, but the anti-labour management did not pay any heed to their repeated request and demand which ultimately forced the workmen to raise an industrial dispute before the A.L.C. (C), Dhanbad, but the same ended in failure due to adamant attitude of the management. Thereafter, the present dispute has been referred to this Tribunal by the Government of India, Ministry of Labour, for adjudication. It has been stated that the management of M/s. BCCL is not justified in denying employment to the dependents of the deceased workmen under para 10.4.1 and 10.4.2 of NCWA-II. It has been prayed before this Tribunal to pass an award in favour of the workmen by directing the management to pay them awarded amount and also to provide employment to the dependents of the deceased workmen with retrospective effect with all arrear of wages and consequential benefits.

3. The management has filed written statement stating that the present reference is not legally maintainable. The deceased persons mentioned at the Annexure to the schedule of reference, nameiy, Chakku Dhoba, Durga Dhoba, Atwari Bhuiya, Jakir and Asutosh Goswami were never employed by the management in any of its collieries at any time in any capacity. The management is not aware about their death and the names of their dependents. As no employer-employee relationship exists between the management and the alleged persons or their dependents,

no industrial dispute can be raised on their behalf. The sponsoring union is claiming that the persons named in the schedule of reference were covered under the award passed in Reference No. 22/77. It has been submitted that the award was not accepted by the management in view of several infirmities and non-identification of workmen concerned in the reference. The sponsoring union approached the management not to challenge the award in a writ petition before the Hon'ble High Court and entered into a settlement dated 12-9-80 for implementation of the award as per the terms of the settlement. As per the aforesaid settlement each workman was required to report for duty within 30 days from the date of settlement along with the documents specified in the settlement in support of proof of genuinity. These who would not report for duty within 30 days from the date of the settlement due to any reason being dead or otherwise would forfeit their right of reinstatement. No one was entitled to back wages and would not claim for the same. No benefit would accrue to persons who were dead and did not report for duty. The copies of the settlement were sent to the A. L. C.(C), R.L.C. (C), C.L.C. (C) and the secretary to the Govt. of India, Ministry of Labour & Employment as per provisions of Rule 58 of the Industrial Disputes (Central) Rules, 1957. The award passed by the Hon'ble Tribunal in Reference No. 22/77 was implemented in terms of the settlement dated 12-9-80 to the full satisfaction of all concerned. The sponsoring union was a party to the dispute, award and settlement. It did not raise any demand on behalf of the persons named in the annexure to the schedule of reference for their reinstatement asserting that they were genuine workmen of Mandal's Kenduadih Colliery. It has been submitted that the union put names of several persons without making proper enquiry of the time of raising demand relating to Reference No. 22/77 but subsequently agreed not to press for employment of bogus persons. As the concerned persons were not genuine workmen, they could not procure the relevant documents in proof of their genuinity and the union dropped their case. The present office bearer of the union have raised the present case on behalf of alleged dependents of dead person who themselves were not genuine workers and who had never worked under the management. The provision of employment of dependents is applicable in respect of workmen who have contributed towards development of the company by putting their labour and die in the course of their employment. As the concerned workmen did not work under the management at any time, the question of employment of their dependents did not arise. It has been submitted that after coming into force of Coal Mines (Nationalisation) Amendment Act, 1986, neither the workmen or erstwhile owners nor their dependents have any right to claim for employment and all awards passed by Tribunals relating to employees of erstwhile owners have no binding effect on the management, vide Judgement of the Hon'ble Patna High Court in CWJC 747/1988(R). Therefore, the present demand

of the union is without any basis and is liable to be summarily rejected.

It has been prayed that the Hon'ble Tribunal be graciously pleased to pass the Award holding that the concerned persons are not entitled to any relief.

4. Both the parties have filed their respective rejoinders admitting and denying the contents of some of the paragraphs of each other's written statement.

5. The concerned workmen have produced WW-1-Gangadhar Goswami, who has proved documents as Ext. W-1, W-2 and W-2/1.

The management has produced MW-1-Kalipada Rewani, who has proved document 'X' for identification.

6. No argument was advanced on behalf of either party, though time was granted, if they do not file written argument within 15 days the award will be reserved, by register letter dated 26-6-09 being postal receipt nos. 5896 & 5897 dated 30-6-09, to the parties.

7. I perused the record. As per evidence produced by the concerned workman it shows that the WW-1-Gangadhar Goswami stated in cross-examination at page 2 that the settlement had been arrived at between J. D. Lal, secretary of the said union and the management. The management has stated in their written statement that as per settlement in Reference No. 22/77 it was decided that within 30 days proper identified workers should join duty but nobody joined. In the present reference claim to be dependents of Reference No. 22/77. It has been stated that they are not workmen and they have got no right for employment because it has already stated by WW-1-Gangadhar Goswami that his father Asutosh Goswami died on 26-11-80, Chaku Dhoba died in September, 1980, Durga Dhoba died in September, 1980 Etwari Bhuia died in the year 1994 and Zakir died in the year 1995. After their death the dependents applied for employment. When their fathers had not joined duty as per settlement dated 12-9-80 the dependents of such workman cannot have any right of employment. The persons who were their dependents can claim employment. But as per evidence the persons on whom behalf the dependents are claiming employment they have not joined the management as per settlement dated 12-9-1980.

8. WW-1 stated in cross-examination at page 2 that in the present reference the details with respect to parentage, address and age have not been provided. In the written statement filed in this case also there is no mention about the settlement. The names of all the heirs and representatives of these five concerned workmen have not been provided in the instant case. He has also stated—“It is a fact I am not the son, rather the brother of late Asutosh Goswami.” But no succession certificate or

certified copy has been filed by the concerned workman that he is legal heir of his brother on whose behalf he is claiming employment.

9. MW-1-Kalipada Rewani stated in examination-in-chief that “I am working as personnel officer's clerk in Area No. 1 since 1973. I am acquainted with the facts of this case. An award in favour of the workmen was rendered in Reference No. 22/77. Thereafter on that the union and the management reached a settlement. But presently that file containing that settlement is not available. Only this copy of that settlement could be located which has been filed. At the time of settlement I also was present there. It was settled between the parties that within one month from the date of settlement, which was 12-9-80, the concerned workman would produce proof of their genuineness, after which they would be placed on duty. According to the settlement, those concerned workmen would not have been entitled to service who failed to do so within one month. (The copy of the document be marked 'X' for identification). About 62 to 63 concerned workmen had complied with the aforesaid condition and were inducted into service, but the five concerned workmen in this case did not so report within a month, hence were not given service. These five concerned workmen never had worked under M/s. BCCL. They have not raised any dispute with the allegation that they were not given service. The demand of the dependents of those five deceased workmen, to be provided with service, is unjustified. The management does not possess any paper to find out as to whether or not a particular person is the dependent of any of the five deceased workman. Ext. W-1 shows that Smt. Lakhami Devi dependent of Late Chaku Dhoba was not party and Ext. W-1/1 also shows that Durga Dhoba was not party in Reference No. 22/77 on whose behalf Smt. Matu Devi claimed employment. The terms of settlement which has been marked 'X' for identification proved by MW-1, para 'D' shows that the parties agree that the workmen who fails to report for duty with proper proof of identity, within 30 days of the date of this settlement shall forfeit his claim for re-instatement. They had failed to join duty within 30 days of this settlement. So the dependents of such persons cannot claim any right of employment.

10. In view of the discussions made above I come to the conclusion that the management of M/s. B.C.C.Ltd. in relation to Mondel Kenduadih Collicry, in Barora Area No. 1 is justified in denying employment to the dependents of the deceased workmen under para 10.4.1 and 10.4.2 of NCWA-II and hence the dependents of the deceased workmen are not entitled to any relief.

ANNEXURE

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL NO. I, DHANBAD

In the matter of a reference u/s. 10(1) (d) (2A) of
Industrial Disputes Act, 1947.

Reference No. 146/2001

Parties : Employers in relation to the management of
Keshalpur Colliery, under Katras Area of
M/s. B. C. C. Ltd.

AND

Their Workmen

Present : Shri H. M. Singh, Presiding Officer.

APPEARANCES

For the Employers : Sh. D.K. Verma, Advocate.

For the Workmen : Sh. S. Bose, Vice-President,
RCMS.

State : Jharkhand. **Industry :** Coal.

Dated, the 30th September, 2009.

AWARD

By order No. L-20012/58/2001-(C-1) dated 18/24-5-01 the Central Government in the Ministry of Labour has, in exercise of the powers conferred by the clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947, referred the following dispute for adjudication to this Tribunal :

“Whether the demand of RCMS from the management of M/s. Bharat Coking Coal Ltd, Keshalpur Colliery to refer Sh Jagdish Mondal, Electrician to Apex Medical Board for determination of the age is justified ? If so, to what relief the is workman entitled ?”

2. Written statement has been filed on behalf of the concerned workman stating that the concerned workman, Jagdish Mondal was employed in a permanent post of Electrician since prior to take over of the colliery by the management of M/s. BCCL and continued as such since then. At the time of joining services the workman had recorded his date of birth as 15-7-1948. The concerned colliery has been nationalised w.e.f. 1-5-1973 and the management had changed the service record of the workman engaged by the previous employers and BCCL management prepared new record without the knowledge of workman and the date of birth of the workman concerned was recorded as 19-12-1942 instead of 15-7-1948 and thus wrongfully increased his age by six years. When the workman came to know about the wrong recording of his date of birth he submitted a petition dated 13-10-76 to the Manager, Keshalpur Colliery raising his objection on the incorrect recording of his date of birth. Having not received any information from the management the workman concerned made several representations dated 20-5-77, 7-3-90 and 5-9-91- to different authorities of the management but all went in vain. In support of his date of birth as 15-7-1948 the workman also furnished a school leaving certificate issued by B. B. High School, Rajganj, (Dhanbad). Inspite of all efforts made by the concerned workman the management did not care to rectify the incorrect recording of his date of birth as 19-12-42 instead of 15-7-48. Seeing no other alternative the union raised an industrial dispute before the Asstt. Labour Commissioner (C), Dhanbad which ended in failure due to adamant attitude of the management and hence this present reference before this Hon'ble Tribunal for adjudication.

It has been prayed that an award be passed in favour of the workman by directing the management to get the concerned workman examined by BCCL Apex Medical Board to determine his approximate age.

3. The management has filed written statement stating that the concerned workman is working at Keshalpur Colliery and his date of birth was recorded as 9-12-1942 in Form 'B' Register. Form 'B' Register is a statutory register maintained under the Mines Act and Regulations made thereunder. The entries made in Form 'B' Register in respect of date of birth of a workman concerned is final for all the purposes. The concerned workman also put his signature on Form 'B' Register in token of acceptance of the entries made therein. There is no discrepancy in any register in respect of his date of birth. The workman concerned has not given any authentic proof that the date of the workman concerned in Form 'B' Register is not correct. The demand of the union for sending the concerned workman to Apex Medical Board for assessment of the age of the concerned workman is neither legal nor justified. Accordingly, it has been prayed to answer the reference in favour of the management by holding that the concerned workman is not entitled for any relief.

4. Both the parties have filed their respective rejoinders admitting and denying the contents of some of the paragraphs of each other's written statements.

5. The concerned workmen, Jagdish Mondal, has produced himself as WW-1 and has proved Exts. W-1, Ext. W-2 and W-2/land has also proved Ext. M-1. He has also produced WW-2-Gouri Prasad Singh in support of his case. The management has not produced any oral evidence.

6. Main argument advanced on behalf of the concerned workman that he joined Keshalpur Colliery of M/s. BCCL, as Electrician which colliery was nationalised w.e.f. 1-5-1973. He produced School Leaving Certificate but it has not been considered by the management. It has also been argued that the management issued service excerpt in which his date of birth has been mentioned as 9-12-1942, but his actual date of birth is 15-7-1948. In this respect the statement of the concerned workman (WW-1) who has stated in cross-examination at page 2 - "It is true that in the Form 'B' Register of the colliery my date of birth has been mentioned as 9-12-1942. The same contains my Signature also. It shows that the Form 'B' Register is statutory register maintained under the Mines Act which contains his date of birth as 9-12-1942 and which he has signed, so there is no question of treating wrong date of birth. Regarding School Leaving Certificate WW-1 in cross-examination at page 2 stated that "I had taken admission in Class-VIII. After passing Class VIII examination I left the said school. I obtained the school leaving certificate later on sometime in the year 1962-63 which has been proved by WW-2-Gouri Prasad Singh who has stated in cross-examination that the concerned workman left school on 23-8-76. When the concerned workman joined the management on 30-1-1973 then it is not possible to leave school in 1976. Ext. W-1 shows that the concerned workman was reading in class-IX but as per his statement in cross-examination WW-1 stated that "I had taken admission in Class-VIII. After passing Class-VIII examination I left the said school. It also shows that he has filed fabricated school leaving certificate because he has stated that he left school after passing Class-VIII examination, but as per Ext. W-1 he has left school after class-ix examination, which has been issued by the school on 23-8-76. WW-1 stated that he brought the school leaving certificate to file at the time of his joining service. When the Ext. W-1, school leaving certificate was issued on 23-8-76, then how the copy of the same was available with him in the year 1973 at the time of joining service. It shows that the school leaving certificate is a fabricated document, which is Ext. W-1 and on the basis of which he cannot be referred to Apex Medical Board for determination of his age.

7. In view of the discussions made above, I find that the demand of RCMS from the management of BCCL Keshalpur Colliery to refer Sh. Jagdish Mondal, Electrician to Apex Medical Board for determination of his age is not justified and hence he is not entitled to any relief.

This is my Award.

H. M. SINGH, Presiding Officer.

New Delhi, the 13th October, 2009

S.O. 3056.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the award (Ref. No. 70/2007) of the Central Government Industrial Tribunal/Labour Court No. 1, New Delhi now as shown in the Annexure, in the Industrial Dispute between the employers in relation to the management of M/s. Jet Airways India Ltd. and their workmen, which was received by the Central Government on 13-10-2009.

[No. L-11012/3/2007-IR(C-1)]

SNEH LATA JAWAS, Desk Officer.

ANNEXURE

**BEFORE DR. R.K. YADAV: PRESIDING OFFICER,
CENTRAL GOVT. INDUSTRIAL TRIBUNAL-CUM-
LABOUR COURT NO. 1, NEW DELHI,
KARKARDOOMA COURT COMPLEX, DELHI**

I.D. No. 70/2007

Shri Randhir Singh Kataria,
C/o All India General Mazdoor Trade Union,
170, Bal Mukund, Giri nagar, Kalkaji,
New Delhi ... Workman

Versus

The Regional Manager-HRD,
Jet Airways India Ltd.
Jetair House, 13, Community centre,
Yusuf Sarai,
New Delhi ... Management

AWARD

1. Shri Randhir Singh Kataria was serving Jet Airways (India) Ltd., New Delhi. His services were allegedly terminated by the management on 21-10-2009. He raised an industrial dispute before the Conciliation Officer. Since conciliation proceedings failed, appropriate Government referred the dispute to this Tribunal for adjudication, vide order No. L-11012/3/2007-IR (CM-1) New Delhi, dated 5-10-2007 with following terms:

"Whether the action of the Management of Jet Airways (India) Ltd., New Delhi in dismissing the services of Shri Randhir Singh Kataria, driver w.e.f. 21-10-2004 is justified and legal? If not, to what relief is the concerned workman entitled?"

2. While referring the dispute to this Tribunal for adjudication, the appropriate Government had directed the workman to file his claim statement within a period of 15 days. Despite those directions, the workman opted not to file his claim statement.

3. A registered notice was sent to the workman on 22-6-2009 calling upon him to file his claim statement before the Tribunal on 13-7-2009. On that date Shri Anil Rajput appeared before the Tribunal and sought an adjournment to file the claim statement. The matter was adjourned for 29-7-2009 for filing a claim statement. Since none appeared on behalf of the workman on that date, hence a fresh notice was sent to the workman by registered post, calling upon him to file his claim statement on 17-8-2009. Registered notice was sent to the workman through all India General mazdoor Trade Union, 170, Balmukand, Giri Nagar, Kalkaji, New Delhi, the address provided by the appropriate Government in order of reference. Neither the postal article was received back nor any one appeared on behalf of the workman either on 17-8-2009 or thereafter.

4. Management filed its response to the term of reference, pleading therein that the workman abandoned his services in 1998. With a view to extract money from the management, he filed a frivolous claim before the Conciliation Officer in the year 2005. On account of his unauthorised absence for a long period, he has lost his lien on the job. It was claimed that the workman was employed elsewhere, hence he was not interested to present his claim.

5. In view of the aforesaid facts, it can not be said that the management terminated services of Randhir Singh Kataria on 21-10-2004. There is no question of disputing the facts pleading by the management that the workman abandoned his services in 1998. It is apparent that the workman has opted not to come forward to substantiate that his services were terminated by the management and that too on 21-10-2004. For want of projection of a case by the workman it is concluded that he has abandoned his service in 1998 and as such there was no question of termination of his service on 21-10-2004. An award is accordingly passed. It can be sent to appropriate Government for publication.

Dr. R. K. YADAV, Presiding Officer.

Dated, the 1st October 2009.

AWARD

By order No. L-20012/487/99/IR-(C-1), dated 23-2-2000 the Central Government in the Ministry of Labour has, in exercise of the powers conferred by the clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947, referred the following dispute for adjudication to this Tribunal:

"Whether the action of the Management not to regularise Shri Jiten Mohr and Shri Ram Karan Mistry as cap lamp issue Clerk is just and fair? If not, to what relief are these two workmen entitled and from what date?"

This reference case was received in this Tribunal on 1-3-2000. Thereafter, notices were sent to the parties to file written statement by the sponsoring union/workmen. In spite of notices sent by Regd. post no written statement has been filed by the workman till 24-8-09. It, therefore, appears that neither the concerned workman nor the sponsoring union is interested to contest the case.

In such, circumstances, I render No Dispute Award in this reference case.

H. M. SINGH, Presiding Officer.

The General Manager : Respondent/2nd Party

Union Bank of India

Nodal Office, 139, Broadway Chennai-600108

APPEARANCES

For the 1st party/Petitioner : Ex-parte
For the 2nd Party/Management : M/s. T. S.
Gopalan & Co.

AWARD

The Central Government, Ministry of Labour vide its order No. L-12012/61/2008-IR-(B-II) dated 5-2-2009 referred the following Industrial Dispute to this Tribunal for adjudication.

The Schedule mentioned in that order is :

“Whether the action of the management of Union Bank of India in terminating the services of Shri Anthony is legal and justified ? What relief is the workmen entitled to?”

2. After the receipt of Industrial Dispute, this Tribunal has numbered it as I. D. No. 35/2009 and issued notices to both sides. Respondent entered appearance but the petitioner did not. Respondent engaged Advocate. In spite of several adjournments and issuance of repeated notices. First Party did not appear through on 15-06-2009, the petitioner appears to have been present in person but leaving no records whatever to that score. Thereafter also he continued to be absent or unrepresented and ultimately he has been called absent and set ex-parte.

3. The Respondent filed list of documents and statement of objections. Heard Respondent and perused the documents.

4. Points for determination are :

- (i) Whether the termination of services of the petitioner by the Respondent/Management is legal and justified ?
- (ii) To what relief the concerned workman is entitled ?

Point No 1 & 2

5. Heard Respondent and perused the documents. In the sworn statement filed on behalf of the Respondent/Management by way of Statement of Objections, the case revealed by the Respondent is that the petitioner while was a Head Cashier under the Respondent/Bank in Ranipet branch confessed to have had misappropriated Rs. 33,000 while the said shortage of cash was detected during audit of the Ranipet branch where the petitioner was working on 9-9-2005. He confessed in writing. He remitted back the entire mony the same day. Thereafter he was suspended and was allowed to explain which he did not do. He was charge sheeted and again called upon to explain upon the Charge Sheet which also he did not comply with. An enquiry was held in which the petitioner participated duly. The enquiry finding held him guilty, copy of which was served and he was given personal hearing which he attended on 28-4-2006 where after he was dismissed from service on 11-5-2006. The enquiry was held fairly and properly in accordance with principles of natural justice. The

punishment is just and the legal and does not warrant interference. The claim of the petitioner has to be rejected.

6. In the dispute under reference, the aggrieved petitioner, whose cause was sought to be espoused, that too by himself, has not entered appearance before this Tribunal in spite of having been served with notice a second time after having been initially served with notice immediately, after taking the reference on file or filed Claim Statement, relevant documents or list of reliance and witnesses as was required under the very order of reference as well as under the notices issued to him from this Tribunal. To substantiate his challenge contention as to the legality or justification in the matter of his termination from services of the Respondent/Management, he has not let in any iota of evidence. The inevitable course left with this forum is to enter a finding that his termination from services of the Respondent/Management is only legal and justified and it is found so. He is, therefore, not entitled to any relief.

7. The reference is answered accordingly.

APPEARANCES

For the Workman : Sh. K. S. Jetley.
For the Management : Sh. I. S. Sidhu

AWARD

Passed on : 7-10-09

Government of India, vide Notification No. L-400 12/80/96/IR(DU), dated 19-06-97, by exercising its powers under Section 10 of the Industrial Disputes Act (hereinafter referred to as the Act) referred the following industrial dispute for adjudication to this Tribunal:

“Whether the action of the management of Senior Superintendent of Post Office, Ambala Division, Ambala Cantt., in terminating the services of Sh. Harjeet Singh, EDPM at Rampur w.e.f. 09-08-1989 is just and legal? If not, what relief the workman is entitled to?”

As per the contention of the workman he was appointed as Extra Departmental Branch Post Master at Rampur by respondent No.2 on 22-6-87. He has completed 240 days of work with the respondent No.2. His services were terminated without notice or one month wages-in lieu of notice and retrenchment compensation. One Sh. Mangat Ram S/o Sh. Mehar Chand was appointed at his place, whereas, his services were terminated on 8-9-89 against the provisions of the Act. The workman has also narrated the way he has tried to protect his rights before different forums. He approached the Central Administrative Tribunal twice but both of his writs were dismissed. Thereafter, he raised the industrial dispute and on account of failure of conciliation proceedings, this reference.

The management of Post Office contested the claim of the workman by filing written statement. It was contended by the respondent that the workman was appointed temporarily till the regular appointments were made. The steps for permanent appointment against the post on which the workman was working temporarily were taken by the management as per the rules of department. Two persons namely Hmjeet Singh, the workman, and Sh. Mangat Ram appeared for interview. Sh. Mangat Ram qualified the interview and he was appointed as EDBP at Rampur.

There are some other dispute between the parties regarding the essential qualifications for the post against which the appointment of Sh. Mangat Ram was made by the respondent and the place in which the Post Office was situated at the time in question. The main dispute which is referred by the Central Government in this reference is whether the termination of the workman from the services is illegal and void being against the provisions of the Act?

It is admitted to the workman that two persons were called for the interview for the post he was temporarily working. Both of the persons were interviewed. It is the settled principle of service jurisprudence that a workman working temporarily against the vacant post has no right to post. If better candidate having the desired qualification is available to the management, the management is at liberty to select that candidate and from the day such candidate joins the services, the services of the temporary employee shall automatically be terminated.

Without going to the controversy about the place the Post Office was running during the time in question, I am of the view that the department has interviewed both of the persons and selected one against one post. The virus of selection process has not been referred by the Central Government and cannot be entertained suo moto by this Tribunal. Accordingly, Sh. Mangat Ram was selected by the management for the post on the basis of the interview held as per rules in which workman was also given a chance. Sh. Mangat Ram join the services and the services of the workman, working as temporary employee came to an end. Thus, there is no illegality in terminating the services of the workman and the workman, accordingly, is not entitled for any relief. Central Government be approached for publication of the award, and thereafter, file be consigned to record room.

For the Management : M/s. King & Partridge

ORDER

This is a complaint under Section-33(A) of the ID Act, 1947.

The case of the petitioner briefly read as follows:

ID 93/2003 was raised by the Petitioner Union representing the Appraisers After petitioner's evidence the ID was posted for Respondent's evidence. The Management was agitated against the testimony of Saravana and demanded of him to give a letter to the effect that he has not requested the Petitioner Union to raise the ID and also that he has nothing to do with the case which was not conceded to by the Petitioner. Thereupon the Respondent orally terminated his service from 23-6-2005 (FN) without notice which is an unfair labour practice and clear victimization. The Respondent not being entitled to alter to the prejudice of the concerned workman in the ID without

permission of the Tribunal altered the service conditions which is violative of Section-33(i)(a) of the ID Act in mala fide, vindictive and arbitrary manner as well as opposed to law and natural justice. Hence the petition for suitable action against the Respondent and also for restoration of service of petitioner.

2. In the Counter Statement filed by the Respondent, the contentions raised briefly read as follows:

Lending of Jewel Loans is a small portion of the business of the Respondent/Bank. The bank empanelled goldsmiths for the limited purpose of ascertaining the weight, quality, purity and market value of the gold security jewels. A prospective customer for a jewel loan obtains certificate from a goldsmith in the panel who is available for appraiser of the jewels. The charges are paid by the customer directly to the goldsmith. The presence of the goldsmith is insisted by the bank to ensure that the appraised jewel is alone pledged. For this limited purpose, certain Jewel Appraisers are empanelled over whom Bank has no control. No salary is paid by bank to them. There is no Attendance Register for them. They are free to do their independent business. The Jewel Appraisers render independent professional opinion just like any other advocates or engineers giving professional opinion. The Jewel Appraisers are not doing any other work in the Bank. The Jewel Appraiser is still in the panel. His name has not been removed. Status quo is maintained by the Bank. T. Raja, one panel appraiser of Edapalayam branch residing at Tiruvannamali away is not turning up the branch. There is no employer employee relationship between and therefore there is no question of termination. There is no violation of Section-33(i)(a) of the ID Act. It is denied that the Respondent pestered the Jewel Appraisers to give a letter to the effect that they did not request the petitioner union to raise ID. The petition may be dismissed.

3. In the Rejoinder Statement, the following contentions are further raised:

T. Saravanan is doing other skilled work and get wages from the Bank and he attends to work like other regular employees during working hours. The workmen are workmen under Section-2(s) of the ID Act. The ID is for regularization of 12 such workmen. The termination is non-est and the workmen are deemed to be in service.

4. The points for consideration are:

- (i) Whether there is employment of the workmen and any termination of their service by the Respondent/Management ?
- (ii) Whether there is any violation of Section-33(i) (a) of the ID Act?
- (iii) Whether the Respondent is liable for any action against it ?

5. The evidence consists of oral evidence of WWI on the side of the complainant and that of MWI on the

side of the Respondent. There are no documents marked on either side.

Point Nos. 1 & 2.

6. For the sake of convenience, these two points are considered together. While petitioner claims to himself the status having been engaged as Jewel Appraiser under the Respondent Bank and that thereafter he was being orally terminated from service without notice in exercise of unfair labour practice and on victimization thus altering the service conditions to his prejudice during the pendency of ID 93/2003 for reinstatement, the case of the Respondent is that the Jewel Appraisers were empanelled for the limited purpose of assessing the quality, quantity etc. of gold jewels offered by customers as security for availing jewel loans which is a small part of the business of the Bank. According to the Respondent, they render independent professional opinion just like any other experts. They are not doing any other work. The Jewel Appraiser is still in the panel and has not been removed. There is no employer-employee relationship between and therefore there is no question of termination. They would further contend that there is no violation of service condition during the pendency of the ID and the complaint is sought to be dismissed.

7. No documentary evidence was adduced on either side. To prove the respective contentions there is only oath against oath by WWI and MWI respectively. The testimony of WWI does not show a tendency even of showing that he is an employee under the Respondent Bank other than that of the nature of the duty of an expert giving professional opinion. There is no evidence to show that there was any appointment order in writing given to him or that there is any employer-employee relationship. The case of the Respondent is that there is no appointment and therefore there is no question of any termination arising. Further according to it, the Jewel Appraiser still continues in the panel which is only an oral one. But the fact is that some of them do not turn up for the work for their own reasons. In the absence of any material to show that the petitioner was a workman under the Respondent/Bank appointed under a proper appointment order creating employer-employee relationship intense even if there is any demand for cessation from his such work as an appraiser he cannot be said to have been terminated from service violating any service conditions. The ID which was then pending has since been disposed of keeping the complaint alive without being disposed of simultaneously due to any reason whatever. The award in the ID went against the petitioner. Though that fact is not to be a criterion for an award being passed against the petitioner on this complaint matter as well in the absence of any evidence to show any actual appointment of the petitioner under the Bank other than as a Jewel Appraiser for expressing opinion as to quality and quantity of gold jewels offered as security for jewel loans as is the case of the bank, it cannot be said that

he has been visited by the bank with the termination of such engagement or employment. So to say it cannot be said that there has been any change in regard to the conditions of service of the Jewel Appraiser to his prejudice during the pendency of ID 93/2003. Therefore, the Jewel Appraiser is bound to fail in his claim to proceed against the Respondent/Bank and also for restoration of his service or any other relief. The petition is only liable to be dismissed.

Point No. 3

8. In the light of above finding, the Respondent/Bank is not liable in any action under Section-33(1)(a) of the ID Act.

9. The points are answered accordingly against the petitioner.

ORDER

This is a complaint under Section-33(A) of the ID Act, 1947.

The case of the petitioner briefly read as follows:

ID 93/2003 was raised by the Petitioner Union representing the Appraisers After petitioner's evidence the ID was posted for Respondent's evidence. The Management was agitated against the testimony of Raja and demanded of him to give a letter to the effect that he has not requested the Petitioner Union to raise the ID and also that he has nothing to do with the case which was not conceded to by the Petitioner. There upon the Respondent orally terminated his service from 23-6-2005 (FN) without notice which is an unfair labour practice and clear victimization. The Respondent not being entitled to alter to the prejudice of the concerned workman in the ID without permission of the Tribunal altered the service conditions which is violative of Section-33(i)(a) of the ID Act in mala fide, vindictive and arbitrary manner as well as opposed to law and natural justice. Hence the petition for suitable action against the Respondent and also for restoration of service of petitioner.

2. In the Counter Statement filed by the Respondent, the contentions raised briefly read as follows:

Lending of Jewel Loans is a small portion of the business of the Respondent/Bank. The bank empanelled goldsmiths for the limited purpose of ascertaining the weight, quality, purity and market value of the gold security jewels. A prospective customer for a jewel loan obtains certificate from a goldsmith in the panel who is available for appraiser of the jewels. The charges are paid by the customer directly to the goldsmith. The presence of the goldsmith is insisted by the bank to ensure that the appraised jewel is alone pledged. For this limited purpose, certain Jewel Appraisers are empanelled over whom Bank has no control. No salary is paid by bank to them. There is no Attendance Register for them. They are free to do their independent business. The Jewel Appraisers render independent professional opinion just like any other advocates or engineers giving professional opinion. The Jewel Appraisers are not doing any other work in the Bank. The Jewel Appraiser is still in the panel. His name has not been removed. Status quo is maintained by the Bank. T. Raja, one panel appraiser of Edapalayam branch residing at Tiruvannamalai away is not turning up the branch. There is no employer-employee relationship between and therefore there is no question of termination. There is no violation of Section-33(i)(a) of the ID Act. It is denied that the Respondent pestered the Jewel Appraisers to give a letter to the effect that they did not request the petitioner union to raise ID. The petition may be dismissed.

3. In the Rejoinder Statement, the following contentions are further raised:

T. Raja is doing other skilled work and get wages from the Bank and he attends to work like other regular employees during working hours. The workmen are workmen under Section-2(s) of the ID Act. The ID is for regularization of 12 such workmen. The termination is non-est and the workmen are deemed to be in service.

4. The points for consideration are:

- (i) Whether there is employment of the workmen and any termination of their service by the Respondent/Management ?
- (ii) Whether there is any violation of Section-33(i) (a) of the ID Act?
- (iii) Whether the Respondent is liable for any action against it ?

5. The evidence consists of oral evidence of WW1 on the side of the complainant and that of MW1 on the side of the Respondent. There are no documents marked on either side.

Point No.s 1 & 2

6. For the sake of convenience, these two points are considered together. While petitioner claims to himself the status having been engaged as Jewel Appraiser under the Respondent Bank and that thereafter he was being orally terminated from service without notice in exercise of unfair labour practice and on victimization thus altering the service conditions to his prejudice during the pendency of ID 93/2003 for reinstatement, the case of the Respondent is that the Jewel Appraisers were empanelled for the limited purpose of assessing the quality, quantity etc. of gold jewels offered by customers as security for availing jewel loans which is a small part of the business of the Bank. According to the Respondent, they render independent professional opinion just like any other experts. They are not doing any other work. The Jewel Appraiser is still in the panel and has not been removed. There is no employer-employee relationship between and therefore there is no question of termination. They would further contend that there is no violation of service condition during the pendency of the ID and the complaint is sought to be dismissed.

7. No documentary evidence was adduced on either side. To prove the respective contentions there is only oath against oath by WW1 and MW1 respectively. The testimony of WW1 does not show a tendency even of showing that he is an employee under the Respondent Bank other than that of the nature of the duty of an expert giving professional opinion. There is no evidence to show that there was any appointment order in writing given to him or that there is any employer-employee relationship. The case of the Respondent is that there is no appointment and therefore there is no question of any termination arising.

Further according to it, the Jewel Appraiser still continues in the panel which is only an oral one. But the fact is that some of them do not turn up for the work for their own reasons. In the absence of any material to show that the petitioner was a workman under the Respondent/Bank appointed under a proper appointment order creating employer-employee relationship inter se even if there is any demand for cessation from his such work as an appraiser he cannot be said to have been terminated from service violating any service conditions. The ID which was then pending has since been disposed of keeping the complaint alive without being disposed of simultaneously due to any reason whatever. The award in the ID went against the petitioner. Though that fact is not to be a criterion for an award being passed against the petitioner on this complaint matter as well in the absence of any evidence to show any actual appointment of the petitioner under the Bank other than as a Jewel Appraiser for expressing opinion as to quality and quantity of gold jewels offered as security for jewel loans as is the case of the bank, it cannot be said that he has been visited by the bank with the termination of such engagement or employment. So to say it cannot be said that there has been any change in regard to the conditions of service of the Jewel Appraiser to his prejudice during the pendency of ID 93/2003. Therefore, the Jewel Appraiser is bound to fail in his claim to proceed against the Respondent/Bank and also for restoration of his service or any other relief. The petition is only liable to be dismissed.

Point No. 3

8. In the light of above finding, the Respondent/Bank is not liable in any action under Section-33(1) (a) of the ID Act.

9. The points are answered accordingly against the petitioner.

AWARD

Passed on 27-9-09

Government of India vide notification no. L-12012/67/99/IR(B-I), dated 13-5-99 by exercising its powers under Section 10 of Industrial Disputes Act 1947, (hereinafter referred to as an Act) referred the following industrial dispute for adjudication to this Tribunal :—

"Whether Shri Prem Singh S/o Shri Sadhu Ram, Canteen Boy of Kala AMB Branch of State Bank of India was workman of the Bank? If so, whether the action of the Branch Manager, State Bank of India, Kala AMB in

disengaging him w.e.f. November, 1986 is just and legal? If not to what relief the workman is entitled to?"

The plain reading of the reference makes it clear that two issues have been referred by the Central Government. The first issue is whether Shri Sadhu Ram, a Canteen boy of Kala AMB Branch of State Bank of India was workman of the bank?

The second issue to be answered by this Tribunal is if yes, whether his termination from the services was illegal? The workman was not turning up from the long time. Notice was served upon the workman number of times by this Tribunal informing him to ensure his presence. The final notice was served upon the workman and the management of the bank on 31-7-09. But no one turned up. There were two options available to this Tribunal. The first option was to return the reference as such without adjudication to the Central Government and the second option was to adjudicate the matter as per the provisions of law. The parties cannot be permitted to raised the issue of violation of the principle of natural justice because they were afforded the opportunity of being heard by this Tribunal but none of the parties turned up. Accordingly, I am opting the second option and answering the reference as per the provisions of law.

Hon'ble the Apex Court in 2002 (2) RSJ 528 State Bank of India Versus SBI canteen employees union has specifically held in para no. 40 of the judgment that employees of the canteens which are run at various branches by the local implementation committees as per the welfare scheme framed by the SBI were not employees of the bank as the bank is not having any statutory or contractual obligation or obligation arisen under the award to run such canteens.

I have also gone through the pleadings of the parties and the documents filed by them. On perusal of the record, I am of the view that workman was working as a canteen boy in Kala AMB branch of State Bank of India and as per the law laid down by Hon'ble the Apex Court in State Bank of India Versus SBI Canteens Boys employee Union (supra) the canteen boy cannot claim to be employee of State Bank of India. Accordingly, I am answering this reference with the view that Shri Prem Singh who was working as canteen boy in Kala AMB branch of State Bank of India was not the employee of the bank, and accordingly, this Tribunal is not oblige to answer the second part of the reference. Central Government be approached for publication of the award, and thereafter, file be consigned to record room.

AWARD

Passed on this 5th day of October, 2009

1. The Government of India, Ministry of Labour vide its Notification No. L-12012/199/95-IR(B-I) dated 7-2-97 has referred the following dispute for adjudication by this tribunal :—

“Whether the action of Regional Manager, State Bank of India, Region-IV, Shahdol in disallowing opportunity to Shri Nathulal Soni, S/o Late Sh. Chintamani Soni, Ex-daily wage messenger, SBI, Jaithari for Permanent employment in the Bank is legal and justified? To what relief the workman is entitled?”

2. The case of the workman in short is that he was employed as a canteen boy in the State Bank of India, at Kotma branch from 1-8-80 to 30-11-81 for total periods of 438 days. He was disengaged as there was no work thereafter. Again he was employed as messenger at Jaithari Branch of the said Bank from 1-8-82 to 31-3-83 for a period of 243 days. It is alleged that he was retrenched without any notice and without any retrenchment compensation as provided under Section 25-F of the Industrial Dispute Act, 1947.

3. The further case is that the workman applied for permanent appointment on the post of messenger in the year 1988. He was interviewed. It is alleged that he was selected but he was denied appointment on the ground that when he joined the temporary service of the Bank, he was minor. He was communicated vide letter No. Personnel/02/2253 dated 12-1-1995 after ten years. It is stated that at the time of interview, he was not minor. It is stated that in the Bank Recruitment Rules, the age of messenger is in between 14 to 21 years. Under the circumstances, the workman was entitled to be appointed on permanent post of the Bank.

4. The non-applicant/management Bank appeared and filed his statement of claim (Written Statement). The case of the non-applicant, inter alia, is that the workman was engaged on daily wages as messenger in the State Bank of India at Jaithari Branch, Distt. Shahdol from August, 1982 to March, 1983 for a period of 182 days @ Rs. 10 per day till December 1982 and @ Rs. 12 per day till March, 1983. The engagement was need based and when there was no exigency of work, he was not engaged thereafter. He was engaged on contract basis as such the provision of Section 2(oo) of the I.D. Act is not attracted.

5. The further case of the management/Non-applicant is that the State Bank of India and All India State Bank of India Staff Federation reached to a settlement on 17-11-1987. The clause-1 of the settlement is reproduced below :—

“1. The following category of temporary employees in subordinate cadre will be given a chance for being considered for permanent appointment in the Bank's service against vacancies likely to arise in 1987 to 1991 :

(i) Category “A” :

Those, who have completed 240 days temporary service in 12 months or less after 1-7-1973.

(ii) Category “B” :

Those, who have completed 270 days aggregate temporary service in any continuous block of 36 calendar months after 1-7-1973.

(iii) Category “C” :

Those, who have completed a minimum of 30 days aggregate temporary service in any calendar year after 1-7-1973 or a minimum of 70 days aggregate temporary service in any continuous block of 36 calendar months after 1-7-1973.”

Clause-4 of the settlement is also reproduced below :—

“Above temporary employees would have been in the Bank's temporary service any time during 1-7-1973 to 31-12-1987 or any other determined by the Bank and within 18 to 36 years of age on the date of initial temporary appointment besides fulfilling the other prescribed eligibility criteria for appointment in the subordinate cadre subject to clauses 4(a) and (b) Infra.”

It is stated that the workman applied for permanent employment in the Bank but his date of birth was 6-12-66 and therefore in the entire temporary service, he was minor. As such, he was not eligible for permanent employment in the Bank as per settlement dated 17-11-87. It is stated that those temporary employees, who had fulfilled the terms of the settlement, were permanently absorbed in the Bank. On the basis of the above contention, the reference be answered accordingly.

6. It appears from perusal of the record that an exparte award was passed on 29-9-1999 against the non-applicant whereby the termination of the workman from 1983 was quashed and directed to pay back wages with continuation of service. The non-applicant/Bank preferred a Writ Petition No. 1909/2000 before the Hon'ble High Court of MP at Jabalpur whereby the Hon'ble Court quashed the impugned order dated 13-1-2000 on 21-11-2003 and directed the Tribunal to rehear and decide the application for setting aside the exparte order dated 29-9-1999. Thereafter, the then Presiding Officer of the CGIT after re-hearing the application for setting aside the exparte award rejected the application on 30-11-2005. The non-applicant/Bank again preferred Writ Petition No. 16035 of 2005 (c) before the Hon'ble High Court of M.P at Jabalpur. The Hon'ble court passed order dated 24-11-2006 and set aside the exparte award dated 29-9-1999 and the reference was remitted back to the Tribunal to decide the terms of reference. Before setting aside the exparte award, the Hon'ble Court has held as follows:—

“At no point of time there was a dispute before the Tribunal, which was referred to for its adjudication with regard to the action of the management whether the action of the management in terminating the services of the respondent No. 1 was legal and proper so that there would have been any occasion by the Tribunal to adjudicate upon the grievance of the respondent No. 1 against his termination and then to allow the relief in favour of the workman of reinstatement with full back wages. While regarding, the award (Annexure P-4) does not say anywhere that the action of the management in disallowing an opportunity to the respondent-workman for permanent employment was improper.”

“On the basis of the aforesaid discussion, it is clear that the Tribunal has travelled beyond the scope of reference. The Tribunal while adjudicating upon the scope of reference cannot travel beyond the scope of reference. The Tribunal has to decide and adjudicate upon the terms of reference which were referred to by the appropriate government for its adjudication by the Tribunal.”

“In the present case, the main issue was to adjudicate upon the action of the Management in disallowing the opportunity to respondent, workman for permanent employment. This has to do nothing with the termination or the reinstatement. The main question which was required

to be adjudicated upon was different than decided in the present case. The main question has become incidental to the question of termination and reinstatement and in the present case, the termination and reinstatement become a main question and not the incidental question which is not the terms of reference and thus cannot be treated as incidental. The question decided by the Tribunal with regard to termination and reinstatement cannot be treated to be incidental. The main question with regard to the action of the management in disallowing the opportunity to respondent-workman for permanent employment has not at all been answered by the Tribunal and no relief as such in the award has also been given to the workman. The Tribunal after setting aside the award has granted reinstatement without even answering the main question of reference. Thus, as per the judgment passed by the Tribunal, the main question remains unanswered and the question with regard to the termination which was not in the terms of reference has been answered. Thus, according to the Tribunal the incidental question became the main question and the main question has not even been dealt with.”

Thus it is clear that the dis-engagement or alleged termination of the workman, while he was in temporary employment of the Bank, was not the question in reference to be decided by the Tribunal.

7. The workman preferred Writ Appeal No. 1354/2006 before the Hon'ble High Court of MP against the order dated 24-11-2006 passed in Writ Petition No. 16035/2005(S). In appeal the Hon'ble Court has held as follows:—

“However, on considering the impugned judgment we find that the learned single Judge was right in upholding that the Tribunal had travelled beyond the terms of reference. The management of the respondent/Bank had taken a plea that initially the employment of the workman respondent was irregular and, therefore, he cannot claim reinstatement. The terms of reference pertained to the question whether the action of the Regional Manager disallowed opportunity of permanent employment to the appellant and whether the stand of the Bank was legal and justified.

Then, under such circumstances the Tribunal ought to have given a reasoning whether the management having once given employment to the workman it was morally debarred from raising the objection that the initial appointment was irregular and that the workman could not be allowed to suffer and whether he would be entitled to reinstatement.”

Accordingly the Hon'ble Court dismissed the appeal.

8. Now the question is as to whether the action of the Regional Manager disallowed the opportunity of Permanent Employment to the workman was legal and justified.

9. To prove the case, both the parties have adduced oral and documentary evidence. The workman, Nathulal Soni adduced his evidence twice by affidavits, once on 29-9-98 and again on 16-6-2008. He has stated that he was appointed as canteen boy in the State Bank of India, Kotma from August 1980 to September 1981 for 488 days and again appointed as messenger at Jaithari Branch from August 1982 to March 1983. It is admitted in his evidence in cross-examination that he was appointed on daily wages. It is pleaded by him that he was engaged in the year 1982 to 1983 for 182 days only excluding Sunday and holidays. This shows that he never completed 240 days in a calendar year preceding the date of reference as defined in Sec. 25-B of the Industrial Disputes Act, 1947. However the management only admits that he was engaged on daily wages from August 1982 to March 1983 for 182 days as has been admitted by the workman in his pleading.

10. It is an admitted fact that the date of birth of the workman is 6-12-1966 and the entire temporary period of his engagement as daily wagger was in the state of minority. He has admitted the documents filed by the management which are marked as Exhibit M/1 to M/4. M/4 is the photocopy of the Transfer Certificate of the workman which shows that his date of birth is 6-12-1966. His pleading clearly shows that when there was no exigency of work, he was not engaged further. He has stated that he had filed application for permanent appointment in the bank. The application is marked as Exhibit M/1.

11. He has further stated that the settlement dated 17-11-1987 between the State Bank of India and the workmen is not applicable in his case. This evidence of the workman is not acceptable because the said appointments of the temporary employees of the Bank against permanent vacancies were on the basis of the settlement. This workman has relied on the notice of the news paper by which the applications were invited. The said notice is filed by the management and it is used by the workman which is marked as Exhibit W/1.

12. Exhibit W/1 is the notice published in the newspaper for appointment of temporary employees of the bank against permanent post. The notice further shows that applications were invited on the basis of settlement arrived between the State Bank of India and State Bank of India Staff Federation on 17-11-1987. The criteria for eligible temporary employees was laid down in the said notice which is reproduced below-

"The temporary employees who have completed -

(i) 240 days temporary service in 12 months or less after 1-7-1975 or

(ii) 270 days aggregate temporary service in any continuous block of 36 calendar months after 1-7-1975 or,

(iii) A minimum of 30 days aggregate temporary service in any calendar year after 1-7-1975 or a minimum

70 days aggregate temporary service in any continuous block of 36 calendar months after 1-7-1975 of any module (Area Office) are eligible."

Age:-

"(1) At the time of initial temporary appointment the age of the employee must be within 18 to 26 years.

(2) If any candidate at the time of initial temporary appointment, he was minor but during temporary service, he attained the age of majority. Then he is to be considered within age limit provided the period of the temporary services is to be counted for consideration after attaining his age."

It is evident that it was not a general appointment. The workman has relied the notice published for appointment which is marked Exhibit W/1. This notice was invited for application for selective candidate. It is admitted that the workman had not attained the age of majority during the period of temporary service on daily wages of the Bank. It is itself clear that the workman was not fulfilled the criteria of the notice of the employment. The notice further establishes that temporary employees were given chance for appointment on permanent post on the basis of settlement. The notice for employment and the settlement (M/6), on the basis of which the selective appointment were made, were not under challenge. These are not point in issue.

13. The workman has also filed a letter of the management dated 12-1-2005 which is marked as Exhibit W/2. This letter is also not specifically denied by the management. This is the letter, whereby the workman was informed that he was not selected for appointment for permanent post as during the period of temporary service, he was minor. This is an admitted fact. The notice clearly shows that the workman was not fulfilling the criteria for appointment. The rejection of his appointment was justified by the management.

14. The learned counsel for the workman submits that the workman joined the temporary service for the first time in the Bank, when he was 14 years of age. Again the second time the Bank gave the appointment to the workman from 1-8-1982 to 31-3-1983 on the post of messenger knowing it fully well that the workman is minor, therefore Bank is estopped from challenging that at the time of appointment the workman was minor and therefore his services were liable to be dispensed with and no permanent employment can be given. It is submitted that once the management had given employment to the workman, then morally the management would not be allowed to raise objection that the initial appointment was irregular.

15. The pleading and the evidence of the non-applicant/management clearly shows that nowhere it was

raised that the initial temporary appointment of the workman was illegal or irregular in view of his minority and there is no rule to appoint a minor as a messenger. This is also not a reference to decide that the initial temporary appointment was legal and proper or not. The only point for consideration is that the refusal of the candidature of the workman for appointing on the permanent post was justified or not. This permanent appointment was based on settlement dated 17-11-1987 arrived at between the State Bank of India and State Bank of India Staff Federation and the employment notice published in the newspaper. It was not a general employment notice. It is established and proved that the workman did not fulfill the requirement of the settlement and the employment notice at the time of appointment. As he was not fulfilled the criteria of the eligibility of permanent appointment, he was rightly refused by the management.

16. The learned counsel for the workman urged that he was wrongly terminated, while he was in temporary service. Otherwise he ought to have continued in service and became eligible at the time of appointment.

17. It is clear from the pleading and evidence of the workman that during temporary appointment, he was engaged on daily wages and when there was no exigency of work, he was not further engaged. Moreover there is no reference to decide that the termination was legal or illegal. His argument appears to be not acceptable.

18. On the other hand the management has examined one witness Shri Devendra Meshram. He is presently posted as Manager, State Bank of India, Zonal office, Jabalpur. He has supported the case of the management. He has stated that settlement was arrived between the SBI and the Staff Federation on 17-11-1987. He has further stated that the workman was minor in the entire period of his temporary appointment and thus was not eligible for permanent appointment in the Bank. His evidence fully supported the case of the management. There is no reason to disbelieve his evidence.

19. The management has also filed certain documents in support of the case. Exhibit M/1 is the application of the workman filed for appointment on the basis of employment notice (W -1). Exhibit M-2 and M-3 are the photo copy of marksheets of the workman. This is filed to show that the age of the workman was 6-12-1966 and he was minor during the period of temporary appointment. Exhibit M/4 is the photocopy of transfer certificate of the school of the workman. This is also filed for age. All the above documents are admitted by the workman as well in his evidence.

20. The management has also filed check list of the workman which is marked as Exhibit M-5. This is filed to show that the workman was found not fit for appointment

as he was minor during the entire period of his temporary service. Exhibit M/6 is the settlement dated 17-11-1987 whereby it was argued by the management to appoint temporary employees on the basis of the settlement. The clause-IV of settlement is reproduced as below :—

“Above temporary employees would have been in the Bank's temporary service any time during 1-7-1973 to 31-12-1987 or any other determined by the Bank and within 18 to 36 years of age on the date of initial temporary appointment, besides fulfilling the other prescribed eligibility criteria for appointment in the subordinate cadre subject to clauses 4(a) and (b) Infra.”

Thus age is also one of the factor which was settled in the said settlement. The workman appears to have not fulfilled the said criteria that on the date of initial temporary appointment, he was within 18 to 26 years of age. The criteria also laid down in the employment notice (W -1) that during temporary service, if the minor employee attained the age of majority and fulfilled other criteria, he became eligible for appointment. But the workman did not fulfill the said criteria. There is nowhere a case of the management that the temporary appointment of the workman was irregular or illegal; as such the rule of estoppel appears to be not applicable in the case.

21. To sum up the entire evidence and admitted facts, it is clear that the workman was appointed on daily wages in the Bank and he was not further engaged on account of not existing any exigency of work. It is also established that the workman was minor at the entire period of his temporary employment. The employment notice was published in the newspaper and applications were invited from the temporary Bank employees for permanent appointment on the basis of settlement arrived between the management and Staff federation on 17-11-1987 and certain criteria were laid down in the settlement for appointment. It is also proved that age was also one of the criteria and the workman was not fulfilling that criteria as he was minor in the entire period of temporary service. It is established that on the said ground, his candidature was rejected for appointment. It is also established that there was no case of the management that temporary appointment of the workman was illegal or irregular on account of his minority. Thus it is proved that the action of management was justified in disallowing the opportunity to the workman for permanent employment in the Bank. Accordingly, this reference is decided against the workman.

22. In the result, the award is passed without any order of costs.

23. Let the copies of the award be sent to the Government of India, Ministry of Labour & Employment as per rules.

Present : Shri Ved Prakash Gaur, Presiding Officer

Dated the 26th day of June, 2009

Industrial Dispute L. C.I.D. No. 192 of 2004

BETWEEN

M. Manohar S/o M. John,
C/o Mallikarjuna Talkies,
Madanapalle, Chittoor Dist.

....Petitioner

AND

The Assistant General Manager,
State Bank of India, Zonal Office,
Renigunta Road, Tirupathi

....Respondent

APPEARANCES

For the Petitioner: Sri C. Vijaya Sekhar Reddy,
Advocate

For the Respondent: Sri B. Lalitha Kumari, Advocate.

AWARD

This is a case taken under Sec. 2 A (2) of the I. D. Act, 1947 in view of the judgment of the Hon'ble High

Court of Andhra Pradesh reported in W.P. No. 8395 of 1989 dated 3-8-1995 between Sri U. Chinnappa and M/s. Cotton Corporation of India and two others.

2. This petition under Section 2(a)2 of the ID Act filed by M. Manohar challenging the action of the management in terminating his services by order dated 31-3-1997 and to declare the termination order and as unjust, illegal violating of principle of natural justice and violating of section 2p and 18(1) read with rule, 58 of Central rules and to reinstate the petitioner in the service of the bank with consequential benefits and back wages.

3. It has been averred by the petitioner in his claim statement that he worked as Messenger from 23-7-1986 to 18-1-1987 for a period of 177 days in the Madanapalle branch of State Bank of India. In response to the paper advertisement, the petitioner attended the interview and after successful completion of the interview, he was empaneled for regularization in the year 1992 and was absorbed by the respondent as Messenger in the year 1992, since then the petitioner worked continuously till 31-3-1997. Surprisingly the services of the petitioner were terminated by oral order dated 31-3-1997 without assigning any reason or without giving any notice or pay in lieu of the notice. The petitioner has further stated that he is erstwhile employee who worked in Madanapalle Branch of SBI and belongs to BC community. He possesses prescribed educational qualifications as he has passed 9th class and qualification prescribed for Messenger is 7th class pass. It has been stated by the petitioner that the Government of India vide circular No. F-3/3/104/87-IR, dated 16-8-1990 instructed the Chief Executives of all Public Sector Banks including the respondent management that until problem of existing temporary employees is fully resolved, no bank is permitted to make any temporary appointments. It has been, further, submitted by the petitioner that some of the persons similarly situated like that of the petitioner aggrieved by the inaction of the management whose services were not regularised from out of the select panel filed W.P.No. 4194/97 before Hon'ble A.P. High Court seeking direction from the Hon'ble High Court to direct the bank to implement the settlement entered into between temporary bank employees federation and bank management from time to time. The Hon'ble A.P. High Court by an order dated 5-3-1997 directed the bank to implement the settlement as amended from time to time and also directed the bank to carry out the settlement before expiry of

March 1997. In view of the directions granted by the Hon'ble High Court, all those candidates whose names appeared in the select panel on the basis of the agreement entered into on 7-11-1997 under which the panel was valid up to December, 1992 and on the basis of a settlement dated 27-10-1988 whereby the panel was made alive up to 31-3-1997 which was given continuity and renewed up to 1997. However, this did not put to an end the legitimate

claims of various persons like petitioner's case. The petitioner was further, submitted that a circular was issued on 26-4-1991 wherein it was mentioned that the terms of the agreement dated 17-11-1987 were modified vide agreement dated 16-7-1988 while so, another agreement was entered into on 27-10-1988 between employees union and bank management. In terms of the said agreement, a chance was to be given to all eligible temporary employees for permanent appointments. These appointments were to be made against vacancies likely to arise during the year 1995-1996, to solve the problem of employees and extension of continuity of the panel of eligible temporary employees who has been empanelled or who could not appear in earlier interviews and had been pursuing their cases thereafter, will be given another chance to appear in the interview, thereby exhausting the existing panels. The said agreement, further, stated that the original panels and supplementary panels would be issued for filling of vacancies in the sub-ordinate cadre arising upto 1994 and for the vacancies to be arisen in 1995-1996. Based on the circular dated 26-4-1991, a fresh notification referring to the 3rd settlement dated 27-10-1988 was issued. The last date to respond to the notification was 30-5-1991. Then a separate panel was prepared on 22-2-1993. This panel was to be alive till 31-3-1997. Two separate panels were prepared (a) based on agreement dated 17-11-1987 and (b) based on settlement dated 27-10-1988 which were to remain alive upto 31-3-1997. It has been, further, alleged that though the select panels were intended for a specific period. They were got to be extended, thereby creating a reasonable expectation to the select candidates that their case will be considered and the date of absorption will be extended. But contrary to the direction given by the Hon'ble High Court on 5-3-1997 in WP No. 4194/1997 and contrary to the settlement entered into between the parties. The bank issued proceedings dated 25-3-1997, 27-3-1997 and 31-3-1997 instructing the various authorities of the management not to continue the temporary employees w.e.f. 1-4-1997. The bank management followed the said order. Aggrieved by the said order, the petitioner and similarly situated candidates filed writ petition before Hon'ble A.P. High Court which is registered as WP No. 9206 of 1997 to declare the action of the management dated 25-3-1997, 27-3-1997 and 31-3-1997 as illegal and to direct the management to continue the services of the petitioners. The management has filed counter affidavit. The matter is pending before the Hon'ble High Court. The management has abruptly terminated services of the petitioners without giving any notice and without following the mandatory provisions of the ID Act. As such, the action of the management is illegal, arbitrary and injustice. The petitioner be directed to be reinstated in the services with full back wages.

4. The management has filed counter statement. The management has stated that to tide over the severe sub-ordinate staff constraints, which arose out of, leave

vacancies, exigencies and also owing to the restrictions imposed by the Government of India/Reserve Bank of India on intake of the staff. The respondent bank used to engage Messengers, Sweepers, Sweeper-cum-Water boy etc., depending upon the availability of the work on temporary basis for smooth and uninterrupted functioning of the branch. The all India State Bank Staff Federation which represents majority of the employees of the SBI comprising 98% of the work force as its' members espoused the cause of temporary employees who have put in less than 240 days of temporary services in 12 calendar months in the bank and who were ineligible for any kind of protection under the ID Act and requested the bank management to give a chance to such employees for being considered for absorption and permanent appointment in the bank services, discussions were held between the staff federation and bank management and all aspects were discussed in detail and it was felt that it would be just, fair and reasonable that a settlement should be reached. Thus, on 17-11-1987 an agreement was signed between federation of staff and management of the bank wherein temporary employees were categorized into 3 categories (a) those who have completed 240 days of temporary services in 12 calendar months or less after 1-7-1975 (b) those, who have completed 270 days aggregate temporary service in any continuous block of 36 calendar months after 1-7-1975 or (c) minimum of 70 days aggregate temporary service in any continuous block of 36 calendar year after 1-7-1975, and it was agreed that temporary employees as categorized would be given a chance for being considered for permanent appointment against the vacancies which are likely to arise during the period 1987 to 1991. On 16-7-1988 another agreement was arrived and it was agreed to substitute the period for consideration of vacancies as 1987 to 1992 in place of 1987 to 1991. On 27-10-1988, another agreement was arrived at between the parties in which clause 1-A after clause 1 of the last agreement was inserted wherein it was agreed that all persons who had been engaged in casual basis for any of the periods mentioned in category A,B,C will be given a chance for being considered for permanent appointment against the vacancies likely to arise from 1988 to 1992. Accordingly, casual and daily wage workers were also included for consideration for permanent absorption. The Government of India vide letter dated 16-8-1990 issued guidelines to all the Public Sector Banks with regard to recruitment and absorption of temporary employees in public sector banks. The guidelines made it clear that all the public sector banks may follow the provisions laid down in approach paper. The approach paper is specified that the case of temporary employees who had put in not less than 240 days of temporary service in 12 consecutive months and who are entitled to benefit of Section 25F of the ID Act may be decided by entering into an agreement with representative union. In respect of temporary employees who have put in less than 240 days of service in 12 consecutive months or less, a settlement could be

avoided and however if the management so desired they could enter into a conciliation settlement with the representative union. In Para 6(h) it was mentioned that only those temporary employees who had put in temporary service of 90 days or more after 1-1-82 would be eligible for consideration under the scheme. The approach paper is also specified that one time one opportunity to all the temporary employees for consideration of absorption to be taken up who has worked in the bank on or after 1-1-82. The respondent has gone further wherein the persons who were working after 1997 were also considered. Thus, it could be seen that genuine efforts on the part of respondent bank to provide permanent employment for as many as possible persons were undertaken subject to availability of the vacancies. On 9-1-1991, another settlement hereinafter referred to as 4th settlement for brevity, was entered into between the Staff Federation and Management wherein the settlement dated 17-11-1987, 16-7-1988 and 27-10-1988 were also considered agreeing inter alia to consider the cases of temporary employees and casual and daily wage workers separately in the vacancies likely to arise upto 1994 and 1995-1996 respectively. Accordingly, the year 1992 was substituted with year 1994 and separate panels were prepared for filling upto the vacancies arising between 1995 and 1996. The Federation approached the Regional Labour Commissioner (C), Hyderabad for implementation of Bipartite Settlements in respect of absorption of temporary employees. The Regional Labour Commissioner (C) conducted conciliation proceedings and an agreement was arrived at between the Federation and the Management Bank that both the panels of temporary employees and daily wage/casual labour would be kept alive upto March 1997 and the vacancies as agreed to under the aforesaid settlements will be filled from both the lists concurrently. In response of the conciliation proceedings, the settlement was arrived at and an agreement was signed on 30-7-1996, which is binding on both the parties whereunder earlier settlements dated 17-11-1987, 16-7-1988, 27-10-1988 and 9-1-1991 were referred and it was agreed between the parties that both the panels of temporary employees and daily wage/casual employees will be kept alive upto March 1997 for filling the vacancies existing or arising as on 31-12-1994 within the framework of the above settlements. The modalities about drawing names from out of the panels would be decided administratively on circular to circular basis depending upon the local requirements in consultation with the Federation's affiliate by the circle management and further, agreed that all the messengerial vacancies including part time attendants is specifically provided as leave reserve will be filled by the end of 31-3-1997. The Memorandum of Understanding was signed on 27-2-1997 between federation of staff and bank management that the exercise of identifying the messengerial vacancies as on 31-12-1994 has since been completed by the Central Office and thereby 403 messengerial vacancies were sanctioned to the circle of the management bank and it was agreed that these vacancies

may be filled from 1989 panel of temporary employees after effecting conversion from full time non-messengerial staff in the usual manner and the agreement was reached accordingly. It was agreed between the Federation's affiliate and the Management bank that in terms of the settlement dated 30-7-1996, the panel would lapse on 31-3-1997. The vacancies as agreed upon were filled with the eligible candidates from the panels. The petitioner of this case has not put in more number of days than those who have been absorbed. The petitioner has not continuously worked for the years as alleged by him. He has put in an aggregate temporary service of less than 240 days in a continuous 12 months during the period 1-7-1975 to 31-7-1988 had no right to seek a direction to consider his candidature for absorption under any rule/law except under the terms of the settlement entered into between the parties. The candidature of the petitioner has been considered under the settlements dated 17-11-1987, 16-7-1988, 27-10-1988, 9-1-1991 and 30-7-1996 and having considered under the provision of the said settlements. The petitioner was not found fit to be considered for absorption. The bank management has not violated any terms of the settlement, since the panel prepared by the bank. The petitioners names were not found fit for absorption upto 31-3-1997, their engagement was discontinued from 1-4-1997 and bank management has not committed any violation of the rules and petitioners are not entitled for any relief.

5. The parties were directed to file their evidence. The petitioner has filed Ex. W1 the service certificates given by the respondent bank. Ex. W2 the interview call letter. Ex. W3 the list of empanelled candidates. Ex. W4 and Ex. W5 are SSC memo and TC respectively. The petitioner has filed his affidavit in respect of his oral evidence and has presented himself for cross examination. The bank has filed documents. Ex. M1 the copy of the settlement dated 17-11-1987, Ex. M2 the copy of the settlement dated 16-7-1988, Ex. M3 the copy of the settlement dated 27-10-1988, Ex. M3 the copy of the settlement dated 9-1-1991, Ex. M5 the copy of the Minutes of conciliation proceedings dated 9-6-1995, Ex. M6 the copy of the settlement dated 30-7-1996, Ex. M7 the MoU dated 27-2-1987, Ex. M8 and Ex. M9 are the copy of the statements giving particulars of 89 Messengers Panel and copy of the statement of 1989 non-Messengerial panel and Ex. M10 the copy of the statement of 1992 panel, Ex. M11 the copy of the judgement of the Hon'ble High Court in W. A. No. 86/98 dated 1-5-1998 and Ex. M12 the copy of the judgement in SLP No. 11866 to 11888 of 1998 dated 10-8-1998.

6. The management has also filed affidavit of I. S. Apparao and presented him for cross-examination, but the petitioner or his counsel did not appear to cross examine the respondent witness, as such, the cross examination was closed and the matter has been taken for judgement.

7. I have gone through the claim statement, counter statement and the documentary and oral evidence presented by the parties. The contention of the petitioners in all the cases are that they were employed in the bank on November 1987, and as per the terms of the settlements entered into between the bank staff federation and the bank management from time to time, the petitioners were entitled for the absorption since their name was found place in the panel prepared by the bank administration. It is agreed between the parties that the settlements were entered into between the bank staff federation on 17-11-1987, 16-7-1988, 27-10-1988 and 9-1-1991 and finally on 30-7-1996 and MoU was also entered into between the staff federation and bank management on 27-2-1997 by which the panels life was to end on 31-3-1997. In light of this admitted fact, it has to be seen whether the case of the petitioner is covered under any of the provisions of the settlement entered into between the parties. As per settlement dated 17-11-1987, three categories of the temporary employees were prepared. Category (a) all those employees who completed 240 days in 12 calendar months after 1-7-1975. Category (b) all those employees who completed 270 days aggregate in any continuous block of 36 calendar months after 1-7-1975. Category (c) all those who completed 30 days aggregate temporary service in a calendar year after 1-7-1975 or 70 days in aggregate in any continuous block of 36 calendar months. In the light of these categories of the temporary employees, the status of the petitioner has to be considered. The petitioner in his statement, has admitted that he was appointed without any written orders during the year 1986. He worked for 177 days during the period from 23-7-1986 to 18-1-1987 and no written or oral order was issued to him. Thus, from the own statement of the petitioner, it is proved that the petitioner M. Manohar has worked for 177 days during the period from 23-7-1986 to 18-1-1987. It means that his case is not covered under category (a) of the agreement dated 17-11-1987. His case is covered within the category (c). The petitioner M. Manohar has stated in his cross examination that he is not a member of the employee federation and the settlement is not applicable and binding in his case. However, in his claim statement, he has stated that an agreement was entered into between the bank management and the staff federation of the bank and he is entitled for the benefit of the agreement. Since his case is not covered under the provisions of category (a) or (b) of the settlement dated 17-4-1987, and he has not challenged that junior to him in the service or the person who has completed less than the number of days of service than the petitioner have been absorbed by the bank management, the petitioner's case is not covered by any of the terms of the settlements dated 17-11-1987, July 1987, October 1988, 9-1-1991 and 30-7-1996 or MoU dated February 1996. The bank has categorically stated that it has followed the terms of agreement and settlements and MoU and it has absorbed the candidates empanelled from the temporary and casual

and daily wage workers for absorption in the permanent cadre. The petitioner's name has not been found for consideration due to the non-fulfillment of the conditions and not putting in the number of days of the service as required by the agreement or the persons absorbed in service have put in more number of days of the service than the petitioners. As such, the petitioner's case has not been considered since the panel was remain alive upto 31-3-1997 till the date. The petitioner's names could not come for consideration for absorption. The panel has lost its life on 31-3-1997 and the services of the petitioners were disengaged in the light of the circular issued by the bank and from 1-4-1997. The bank has not committed any illegality, irregularity or high handedness in disengaging the services of the petitioners. It is proved that the petitioners have not put in required number of days of the service and consequently the petitioner name was much below those candidates who have been considered for absorption and as per settlements entered into between the bank staff federation and bank management. The panel prepared by the bank management has lost utility on 31-3-1997, and the bank has committed no illegality and the petitioner is not entitled for any relief and the petition deserves to be dismissed. This is the award of this Tribunal. The petition is dismissed with cost.

Dictated to Sri P. Kanaka Raju, LDC, transcribed by him and corrected by me on this the 26th day of June, 2009.

State Bank of India, Zonal Office,
Renigunta Road, Tirupathi.

.....Respondent

APPEARANCES

For the Petitioner : Sri C. Vijaya Sekhar Reddy,
Advocate

For the Respondent : Sri B. Lalitha Kumari, Advocate.

AWARD

This is a case taken under Sec. 2 A (2) of the I. D. Act, 1947 in view of the judgment of the Hon'ble High Court of Andhra Pradesh reported in W.P. No. 8395 of 1989 dated 3-8-1995 between Sri U. Chinnappa and M/s. Cotton Corporation of India and two others.

2. This petition under section 2(a)2 of the ID Act filed by B. Muniratnam challenging the action of the management in terminating his services by order dated 31-3-1997 and to declare the termination order and as unjust, illegal violating of principle of natural justice and violating of section 2p and 18(1) read with rule 58 of Central Rules and to reinstate the petitioner in the service of the bank with consequential benefits and back wages.

3. It has been averred by the petitioner in his claim statement that he worked as Messenger from 6-10-1985 to 31-3-1997 for a period of 343 days in the Tilak Road branch. Tirupathi Madanapalle branch of State Bank of India. In response to the paper advertisement, the petitioner attended the interview and after successful completion of the interview, he was empanelled for regularization in the year 1989 and was absorbed by the respondent as Messenger since then the petitioner worked continuously till 31-3-1997. Surprisingly the services of the petitioner were terminated by oral order dated 31-3-1997 without assigning any reason or without giving any notice or pay in lieu of the notice. The petitioner has further stated that he is erstwhile employee who worked in Tilak Road branch. Tirupathi of SBI and belongs to BC community. He possesses prescribed educational qualifications as he has passed 9th class and qualification prescribed for Messenger is 7th class pass. It has been stated by the petitioner that the Government of India vide circular No. F-3/3/104/87-IR, dated 16-8-1990 instructed the Chief Executives of all Public Sector Banks including the respondent management that until problem of existing temporary employees is fully resolved, no bank is permitted to make any temporary appointments. It has been, further, submitted by the petitioner that some of the persons similarly situated like that of the petitioner aggrieved by the inaction of the management whose services were not regularised from out of the select panel filed W.P. No. 4194/97 before Hon'ble A.P. High Court seeking direction from the Hon'ble High Court to direct the bank to implement the settlement entered into between temporary bank employees federation and bank management from time to time. The Hon'ble A.P. High Court by an order dated 5-3-1997 directed the bank to implement the settlement as amended from time to time and also directed the bank to carry out the settlement before expiry of March 1997. In view of the directions granted by the Hon'ble High Court, all those candidates whose names appeared in the select panel on the basis of the agreement entered into on 17-11-1987 under which the panel was valid up to December, 1991 and on the basis of a

settlement dated 27-10-1988 whereby the panel was made alive up to 31-3-1997 which was given continuity and renewed up to 1997. However, this did not put to an end the legitimate claims of various persons like petitioner's case. The petitioner further, submitted that a circular was issued on 26-4-1991 wherein it was mentioned that the terms of the agreement dated 17-11-1987 were modified vide agreement dated 16-7-1988 while so, another agreement was entered into on 27-10-1988 between employees union and bank management. In terms of the said agreement, a chance was to be given to all eligible temporary employees for permanent appointments. These appointments were to be made against vacancies likely to arise during the year 1995-1996, to solve the problem of employees and extension of continuity of the panel of eligible temporary employees who has been empanelled or who could not appear in earlier interviews and had been pursuing their cases thereafter, will be given another chance to appear in the interview, thereby exhausting the existing panels. The said agreement, further, stated that the original panels and supplementary panels would be issued for filling of vacancies in the sub-ordinate cadre arising upto 1994 and for the vacancies to be arising in 1995-1996. Based on the circular dated 26-4-1991, a fresh notification referring to the 3rd settlement dated 27-10-1988 was issued. The last date to respond to the notification was 30-5-1991. Then a separate panel was prepared on 22-2-1993. This panel was to be alive till 31-3-1997. Two separate panels were prepared (a) based on agreement dated 17-11-1987 and (b) based on settlement dated 27-10-1988 which were to remain alive upto 31-3-1997. It has been, further, alleged that though the select panels were intended for a specific period. They were got to be extended, there by creating a reasonable expectation to the selected candidates that their case will be considered and the date of absorption will be extended. But contrary to the direction given by the Hon'ble High Court on 5-3-1997 in WP No. 4194/1997 and contrary to the settlement entered into between the parties, The bank issued proceedings dated 25-3-1997, 27-3-1997 and 31-3-1997 instructing the various authorities of the management not to continue the temporary employees w.e.f. 1-4-1997. The bank management followed the said order. Aggrieved by the said order, the petitioner and similarly situated candidates filed writ petition before Hon'ble A.P. High Court which is registered as WP No. 9206 of 1997 to declare the action of the management dated 25-3-1997, 27-3-1997 and 31-3-1997 as illegal and to direct the management to continue the services of the petitioners. The management has filed counter affidavit. The matter is pending before the Hon'ble High Court. The management has abruptly terminated services of the petitioners without giving any notice and without following the mandatory provisions of the ID Act. As such, the action of the management is illegal, arbitrary and injustice. The petitioner be directed to be reinstated in the services with full back wages.

4. The management has filed counter statement. The management has stated that to tide over the severe sub-ordinate staff constraints, which arose out of, leave vacancies, exigencies and also owing to the restrictions imposed by the Government of India/Reserve Bank of India on intake of the staff. The respondent bank used to engage Messengers, Sweepers, Sweeper-cum-Water boy etc., depending upon the availability of the work on temporary basis for smooth and uninterrupted functioning of the branch. The All India State Bank Staff Federation which represents majority of the employees of the SBI comprising 98% of the work force as its members espoused the cause of temporary employees who have put in less than 240 days of temporary services in 12 calendar months in the bank and who were ineligible for any kind of protection under the ID Act and requested the bank management to give a chance to such employees for being considered for absorption and permanent appointment in the bank services, discussions were held between the staff federation and bank management and all aspects were discussed in detail and it was felt that it would be just, fair and reasonable that a settlement should be reached. Thus, on 17-11-1987 an agreement was signed between federation of staff and management of the bank wherein temporary employees were categorized into 3 categories (a) those who have completed 240 days of temporary services in 12 calendar months or less after 1-7-1975 (b) those, who have completed 270 days aggregate temporary service in any continuous block of 36 calendar months after 1-7-1975 or (c) minimum of 70 days aggregate temporary service in any continuous block of 36 calendar months after 1-7-1975, and it was agreed that temporary employees as categorized would be given a chance for being considered for permanent appointment against the vacancies which are likely to arise during the period 1987 to 1991. On 16-7-1988 another agreement was arrived and it was agreed to substitute the period for consideration of vacancies as 1987 to 1992 in place of 1987 to 1991. On 27-10-1988, another agreement was arrived at between the parties in which clause 1-A after clause 1 of the last agreement was inserted wherein it was agreed that all persons who had been engaged in casual basis for any of the periods mentioned in category A,B,C will be given a chance for being considered for permanent appointment against the vacancies likely to arise from 1988 to 1992. Accordingly, casual and daily wage workers were also included for consideration for permanent absorption. The Government of India vide letter dated 16-8-1990 issued guidelines to all the public sector Banks with regard to recruitment and absorption of temporary employees in public sector banks. The guidelines made it clear that all the public sector banks may follow the provisions laid down in approach paper. The approach paper specified that the case of temporary employees who had put in not less than 240 days of temporary service in 12 consecutive months and who are entitled to benefit of section 25F of the ID Act may be

decided by entering into an agreement with representative union. In respect of temporary employees who have put in less than 240 days of service in 12 consecutive months or less, a settlement could be avoided and however if the management so desired they could enter into a conciliation settlement with the representative union. In Para 6(h) it was mentioned that only those temporary employees who had put in temporary service of 90 days or more after 1-1-82 would be eligible for consideration under the scheme. The approach paper is also specified that one time one opportunity to all the temporary employees for consideration of absorption to be taken up who has worked in the bank on or after 1-1-82. The respondent has gone further wherein the persons who were working after 1975 were also considered. Thus, it could be seen that genuine efforts on the part of respondent bank to provide permanent employment for as many as possible persons were undertaken subject to availability of the vacancies. On 9-1-1991, another settlement hereinafter referred to as 4th settlement for brevity, was entered into between the Staff Federation and Management wherein the settlement dated 17-11-1987, 16-7-1988 and 27-10-1988 were also considered agreeing inter alia to consider the cases of temporary employees and casual and daily wage workers separately in the vacancies likely to arise upto 1994 and 1995-1996 respectively. Accordingly, the year 1992 was substituted with year 1994 and separate panels were prepared for filling up the vacancies arising between 1995 and 1996. The Federation approached the regional Labour Commissioner (C), Hyderabad for implementation of Bipartite Settlements in respect of absorption of temporary employees. The Regional Labour Commissioner (C) conducted conciliation proceedings and an agreement was arrived at between the Federation and the Management Bank that both the panels of temporary employees and daily wage/casual Labour would be kept alive upto March 1997 and the vacancies as agreed to under the aforesaid settlements will be filled from both the lists concurrently. In response of the conciliation proceedings, the settlement was arrived at and an agreement was signed on 30-7-1996, which is binding on both the parties where under earlier settlements dated 17-11-1987, 16-7-1988, 27-10-1988 and 9-1-1991 were referred and it was agreed between the parties that both the panels of temporary employees and daily wage/casual employees will be kept alive upto March 1997 for filling the vacancies existing or arising as on 31-12-1994 within the frame work of the above settlements. The modalities about drawing names from the out of the panels would be decided administratively on circle to circle basis depending upon the local requirements in consultation with the federation's affiliate by the circle management and further, agreed that all the messengerial vacancies including part time attendants is specifically provided as leave reserve will be filled by the end of 31-3-1997. The Memorandum of understanding was signed on 27-2-1997 between federation of staff and bank management that the exercise of identifying the messengerial vacancies as on 31-12-94 has since been completed by the Central Office and thereby 403 messengerial vacancies were sanctioned to the circle of the management bank and it was agreed that

these vacancies may be filled from 1989 panel of temporary employees after effecting conversion from full time non-messengerial staff in the usual manner and the agreement was reached accordingly. It was agreed between the Federation's affiliate and the management bank that in terms of the settlement dated 30-7-1996, the panel would lapse on 31-3-1997. The vacancies as agreed upon were filled with the eligible candidates from the panels. The petitioner of this case has not been put in more number of days than those persons who have been absorbed. The petitioner has not continuously worked for the years as alleged by him. He has put in an aggregate temporary service of less than 240 days in a continuous 12 months during the period 1-7-1975 to 31-7-1988 had no right to seek a direction to consider his candidature for absorption under any rule/law except under the terms of the settlement entered into between the parties. The candidature of the petitioner has been considered under the settlements dated 17-11-1987, 16-7-1988, 27-10-1988, 9-1-1991 and 30-7-1996 and having considered under the provision of the said settlements. The petitioner was not found fit to be considered for absorption. The bank management has not violated any terms of the settlement, since the panel prepared by the bank. The petitioners names were not found fit for absorption upto 31-3-1997, their engagement was discontinued from 1-4-1997 and bank management has not committed any violation of the rules and petitioners are not entitled for any relief.

5. The parties were directed to file their evidence. The petitioner has filed Ex. W1 and Ex.W2 are service certificates given by the respondent bank. Ex.W3 the interviews call letter. Ex.W4 and Ex.W5 are SSC memo and TC respectively. The petitioner has filed his affidavit in respect of his oral evidence and has presented himself for cross examination. The bank has filed documents. Ex.M1 the copy of the settlement dated 17-11-1987. Ex.M2 the copy of the settlement dated 16-7-1988. Ex.M3 the copy of the settlement dated 27-10-1988. Ex.M4 the copy of the settlement dated 9-1-1991. Ex.M5 the copy of the Minutes of conciliation proceedings dated 9-6-1995. Ex.M6 the copy of the settlement dated 30-7-1996. Ex.M7 the MoU dated 27-2-1997. Ex.M8 and Ex.M9 are the copy of the statements giving particulars of 89 Messengers Panel and copy of the statement of 1989 non-Messengerial panel and Ex.M10 the copy of the statement of 1992 panel. Ex.M11 the copy of the judgement of the Hon'ble High Court in W. A. No. 86/98 dated 1-5-1998 and Ex.M12 the copy of the judgement in SLP No. 11866 to 11888 of 1998 dated 10-8-1998.

6. The management has also filed affidavit of I.S.Apparao and presented him for cross-examination, but the petitioner or his counsel did not appear to cross examine the respondent witness, as such, the cross examination was closed and the matter has been taken for judgement.

7. I have gone through the claim statement, counter statement and the documentary & oral evidence presented by the parties. The contention of the petitioners in all the cases are that they were employed in the bank in

November 1987, and as per the terms of the settlements entered into between the bank staff federation and the bank management from time to time, the petitioners were entitled for the absorption since their name was found place in the panel prepared by the bank administration. It is agreed between the parties that the settlements were entered into between the bank staff federation on 17-11-1987, 16-7-1988, 27-10-1988 and 9-1-1991 and finally on 30-7-1996 and MoU was also entered into between the staff federation and bank management on 27-2-1997 by which the panel's life was to end on 31-3-1997. In light of this admitted fact, it has to be seen whether the case of the petitioner is covered under any of the provisions of the settlement entered into between the parties. As per settlement dated 17-11-1987, three categories of the temporary employees were prepared. Category (a) all those employees who completed 240 days in 12 calendar months after 1-7-1975. Category (b) all those employees who completed 270 days aggregate in any continuous block of 36 calendar months after 1-7-1975. Category (c) all those who completed 30 days aggregate temporary service in a calendar year after 1-7-1975 or 70 days in aggregate in any continuous block of 36 calendar months. In the light of these categories of the temporary employees, the status of the petitioner has to be considered. The petitioner in his statement, has admitted that he was appointed without any written orders during the year 1987-88. He worked for 343 days only during the period of 1985-96. He never worked for 240 days in any calendar year and no written or oral order was issued to him. Thus, from the own statement of the petitioner, it is proved that the petitioner B. Muniratnam never worked for 240 days in any calendar year. It means that his case is not covered under category (a) & (b) of the agreement dated 17-11-1987. His case is covered within the category (c), petitioner B. Muniratnam has stated in his cross examination that he is not a member of the employee federation and the settlement is not applicable & binding in his case. However, in his claim statement, he has stated that an agreement was entered into between the bank management and the staff federation of the bank and he is entitled for the benefit of the agreement. His case is not covered under the provisions of category (a) or (b) of the settlement dated 17-11-1987, and he has not challenged that junior to him in the service or the person who has completed less than the number of days of service than the petitioner have been absorbed by the bank management, the petitioners case is not covered by any of the terms of the settlements dated 17-11-1987, July 1987, October 1988, 9-1-1991 and 30-7-1996 or MoU dated February 1996. The bank has categorically stated that it has followed the terms of agreement and settlements and MoU and it has absorbed the candidates empanelled from the temporary and casual and daily wage workers for absorption in the permanent cadre. The petitioner's name has not been found for consideration due to the non fulfillment of the conditions and not putting in the number of days of the service as required by the agreement. The persons absorbed in service have put in more number of days of the service than the petitioners. As such, the petitioner's case has not been considered since the panel was remain to alive

upto 31-3-1997. Till the date, the petitioners' name could not come for consideration for absorption. The panel has lost its life on 31-3-1997 and the services of the petitioners were disengaged in the light of the circular issued by the bank and from 1-4-1997. The bank has not committed any illegality, or irregularity or high handedness in disengaging the services of the petitioners. It is proved that the petitioners have not put in required number of days of the service and consequently the petitioners name was much below those candidates who have been considered for absorption and as per settlements entered into between the bank staff federation and bank management. The panel prepared by the bank management has lost utility on 31-3-1997, and the bank has committed no illegality and the petitioner is not entitled for any relief and the petition deserves to be dismissed. This is the award of this Tribunal. The petition is dismissed with cost.

State Bank of India, Zonal Office,
Renigunta Road, Tirupathi.Respondent

APPEARANCES

For the Petitioner : Sri C. Vijaya Sekhar Reddy, Advocate

For the Respondent : Sri B. Lalitha Kumari, Advocate

AWARD

This is a case taken under Sec. 2A (2) of the I.D. Act, 1947 in view of the judgment of the Hon'ble High Court of Andhra Pradesh reported in W. P. No. 8395 of 1989 dated 3-8-1995 between Sri U. Chinnappa and M/s. Cotton Corporation of India and two others.

2. This petition under section 2(a) 2 of the ID Act filed by A. Nageshwara Rao challenging the action of the management in terminating his services by order dated

31-3-1997 and to declare the termination order and as unjust, illegal violating of principle of natural justice and violating of section 2p and 18(1) read with rule 58 of Central rules and to reinstate the petitioner in the service of the bank with consequential benefits and wages.

3. It has been averred by the petitioner in his claim statement that he worked as Messenger from 20-11-1987 to 13-2-1991 for a period of 36 days in the Nellore branch of State Bank of India. In response to the paper advertisement, the petitioner attended the interview and after successful completion of the interview, he was empaneled for regularization in the year 1992 and was absorbed by the respondent as Messenger in the year 1992, since then the petitioner worked continuously till 31-3-1997. Surprisingly the service of the petitioner were terminated by oral order dated 31-3-1997 without assigning any reason or without giving any notice or pay in lieu of the notice. The petitioner has further stated that he is erstwhile employee who worked in Nellore Branch of SBI and belongs to SC community. He possesses prescribed educational qualifications as he has passed 9th class and qualification prescribed for Messenger is 7th class pass. It has been stated by the petitioner that the Government of India vide circular No. F-3/3/104/87-IR, dated 16-8-1990 instructed the Chief Executives of all Public Sector Bank including the respondent management that until problem of existing temporary employees is fully resolved, no bank is permitted to make any temporary appointments. It has been, further, submitted by the petitioner that some of the persons similarly situated like that of the petitioner aggrieved by the inaction of the management whose services were not regularised from out of the select panel filed W. P. No. 4194/97 before Hon'ble A. P. High Court seeking direction from the Hon'ble High Court to direct the bank to implement the settlement entered into between temporary bank employees federation and bank management from time to time. The Hon'ble A. P. High Court by an order dated 5-3-1997 directed the bank to implement the settlement as amended from time to time and also directed the bank to carry out the settlement before expiry of March 1997. In view of the directions granted by the Hon'ble High Court, all those candidates whose names appeared in the select panel on the basis of the agreement entered into on 17-11-1987 under which the panel was valid up to December, 1992 and on the basis of a settlement dated 27-10-1988 whereby the panel was made alive up to 31-3-1997 which was given continuity and renewed up to 1997. However, this did not put to an end the legitimate claims of various persons like petitioner's case. The petitioner further, submitted that a circular was issued on 26-4-1991 wherein it was mentioned that the terms of the agreement dated 17-11-1987 were modified vide agreement dated 16-7-1988 while so, another agreement was entered into on 27-10-1988 between employees union and bank management. In terms of the said agreement, a chance was

to be given to all eligible temporary employees for permanent appointments. These appointments were to be made against vacancies likely to arise during the year 1995-1996, to solve the problem of employees and extension of continuity of the panel of eligible temporary employees who has been empanelled or who could not appear in earlier interviews and had been pursuing their cases thereafter, will be given another chance to appear in the interview, thereby exhausting the existing panels. The said agreement, further, stated that the original panels and supplementary panels would be issued for filling of vacancies in the subordinate cadre arising upto 1994 and for the vacancies to be arisen in 1995-1996. Based on the circular dated 26-4-1991, a fresh notification referring to the 3rd settlement dated 27-10-1988 was issued. The last date to respond to the notification was 30-5-1991. Then a separate panel was prepared on 22-2-1993. This panel was to be alive till 31-3-1997. Two separate panels were prepared (a) based on agreement dated 17-11-1997 and (b) based on settlement dated 27-10-1988 which were to remain alive upto 31-3-1997. It has been, further, alleged that though the select panels were intended for specific period. They were got to be extended, thereby creating a reasonable expectation to the select candidates that their case will be considered and the date of absorption will be extended. But contrary to the direction given by the Hon'ble High Court on 5-3-1997 in W. P. No. 4194/1997 and contrary to the settlement entered into between the parties. The bank issued proceedings dated 25-3-1997, 27-3-1997 and 31-3-1997 instructing the various authorities of the management not to continue the temporary employees w.e.f. 1-4-1997. The bank management followed the said order. Aggrieved by the said order, the petitioner and similarly situated candidates filed writ petition before Hon'ble A. P. High Court which is registered as W. P. No. 9206 of 1997 to declare the action of the management dated 25-3-1997, 27-3-1997 and 31-3-1997 as illegal and to direct the management to continue the services of the petitioners. The management has filed counter affidavit. The matter is pending before the Hon'ble High Court. The management has abruptly terminated services of the petitioners without giving any notice and without following the mandatory provisions of the ID Act. As such, the action of the management is illegal, arbitrary and injustice. The petitioner be directed to be reinstated in the services with full back wages.

4. The management has filed counter statement. The management has stated that to tide over the severe subordinate staff constraints, which arose out of, leave vacancies, exigencies and also owing to the restrictions imposed by the Government of India/Reserve Bank of India on intake of the staff. The respondent bank used to engage Messengers, Sweepers, Sweeper cum Water boy etc., depending upon the availability of the work on temporary basis for smooth and uninterrupted functioning of the branch. The all India State Bank Staff Federation which represents majority of the employees of the SBI comprising

98% of the work force as its' members espoused the cause of temporary employees who have put in less than 240 days of temporary services in 12 calendar months in the bank and who were ineligible for any kind of protection under the ID Act and requested the bank management to give a chance to such employees for being considered for absorption and permanent appointment in the bank services, discussions were held between the staff federation and bank management and all aspects were discussed in detail and it was felt that it would be just, fair and reasonable that a settlement should be reached. Thus, on 17-11-1987 an agreement was signed between federation of staff and management of the bank wherein temporary employees were categorized into 3 categories (a) those who have completed 240 days of temporary services in 12 calendar months or less after 1-7-1975 (b) those, who have completed 270 days aggregate temporary service in any continuous block of 36 calendar months after 1-7-1975 or (c) minimum of 70 days aggregate temporary services in any continuous block of 36 calendar months after 1-7-1975, and it was agreed that temporary employees as categorized would be given a chance for being considered for permanent appointment against the vacancies which are likely to arise during the period 1987 to 1991. On 16-7-1988 another agreement was arrived and it was agreed to substitute the period for consideration of vacancies as 1987 to 1992 in place of 1987 to 1991. On 27-10-1988, another agreement was arrived at between the parties in which clause 1-A after clause 1 of the last agreement was inserted wherein it was agreed that all persons who had been engaged in casual basis for any of the periods mentioned in category A, B, C, will be given a chance for being considered for permanent appointment against the vacancies likely to arise from 1988 to 1992. Accordingly, casual and daily wage workers were also included for consideration for permanent absorption. The Government of India vide letter dated 16-8-1990 issued guidelines to all the public sector banks with regard to recruitment and absorption of temporary employees in public sector banks. The guidelines made it clear that all the public sector banks may follow the provisions laid down in approach paper. The approach paper specified that the case of temporary employees who had put in not less than 240 days of temporary service in 12 consecutive months and who are entitled to benefit of section 25F of the ID Act may be decided by entering into an agreement with representative union. In respect of temporary employees who have put in less than 240 days of service in 12 consecutive months or less, a settlement could be avoided and however if the management so desired they could enter into a conciliation settlement with the representative union. In Para 6(h) it was mentioned that only those temporary employees who had put in temporary service of 90 days or more after 1-1-82 would be eligible for consideration under the scheme. The approach paper also specified that one time one opportunity to all the temporary employees for

consideration of absorption to be taken up who has worked in the bank on or after 1-1-1982. The respondent has gone further wherein the persons who were working after 1975 were also considered. Thus, it could be seen that genuine efforts on the part of respondent bank to provide permanent employment for as many as possible persons were undertaken subject to availability of the vacancies. On 9-1-91, another settlement hereinafter referred to as 4th settlement for brevity was entered into between the Staff Federation and Management wherein the settlement dated 17-11-1987, 16-7-1988 and 27-10-1988 were also considered agreeing inter alia to consider the cases of temporary employees and casual and daily wage workers separately in the vacancies likely to arise upto 1994 and 1995-1996 respectively. Accordingly, the year 1992 was substituted with year 1994 and separate panels were prepared for filling up the vacancies arising between 1995 and 1996. The Federation approached the Regional Labour Commissioner(C), Hyderabad for implementation of Bipartite Settlements in respect of absorption of temporary employees. The Regional Labour Commissioner(C) conducted conciliation proceedings and an agreement was arrived at between the Federation and the Management Bank that both the panels of temporary employees and daily wage/casual labour would be kept alive upto March 1997 and the vacancies as agreed to under the aforesaid settlements will be filled from both the lists concurrently. In response of the conciliation proceedings, the settlement was arrived at and an agreement was signed on 30-7-1996, which is binding on both the parties where under earlier settlements dated 17-11-1987, 16-7-1988, 27-10-1988 and 9-1-1991 were referred and it was agreed between the parties that both the panels of temporary employees and daily wage/casual employees will be kept alive upto March 1997 for filling the vacancies existing or arising as on 31-12-1994 within the frame work of the above settlements. The modalities about drawing names from the out of the panels would be decided administratively on circle to circle basis depending upon the local requirements in consultation with the federation's affiliate by the circle management and further, agreed that all the messengerial vacancies including part time attendants is specifically provided as leave reserve will be filled by the end of 31-3-1997. The Memorandum of understanding was signed on 27-2-1997 between federation of staff and bank management that the exercise of identifying the messengerial vacancies as on 31-12-1994 has since been completed by the Central Office and thereby 403 messengerial vacancies were sanctioned to the circle of the management bank and it was agreed that these vacancies may be filled from 1989 panel of temporary employees after effecting conversion from full time non-messengerial staff in the usual manner and the agreement was reached accordingly. It was agreed between the Federation's affiliate and the management bank that in terms of the settlement dated 30-7-1996, the panel would lapse on 31-3-1997. The vacancies as agreed upon were

filed with the eligible candidates from the panels. The petitioner of this case has not been put in more number of days than those persons who have been absorbed. The petitioner has not continuously worked for the years as alleged by him. He has put in an aggregate temporary service of less than 240 days in a continuous 12 months during the period 1-7-1975 to 31-7-1988 had no right to seek a direction to consider his candidature for absorption under any rule/law except under the terms of the settlement entered into between the parties. The candidature of the petitioner has been considered under the settlements dated 17-11-1987, 16-7-1988, 27-10-1988, 9-1-1991 and 30-7-1996 and having considered the provision of the said settlements, the petitioner was not found fit to be considered for absorption. The bank management has not violated any terms of the settlement since the panel prepared by the bank, the petitioners names were not found fit for absorption upto 31-3-1997, their engagement was discontinued from 1-4-1997 and bank management has not committed any violation of the rules and petitioners are not entitled for any relief.

5. The parties were directed to file their evidence. The petitioner has filed Ex. W1 and Ex.W2 are service certificates given by the respondent bank. Ex.W3 the interviews call letter. Ex.W4 and Ex.W5 are SSC memo and TC respectively. The petitioner has filed his affidavit in respect of his oral evidence and has presented himself for cross-examination. The bank has filed documents. Ex.M1 the copy of the settlement dated 17-11-1987. Ex.M2 the copy of the settlement dated 16-7-1988. Ex.M3 the copy of the settlement dated 27-10-1988. Ex.M4 the copy of the settlement dated 9-1-1991. Ex.M5 the copy of the Minutes of conciliation proceedings dated 9-6-1995. Ex.M6 the copy of the settlement dated 30-7-1996. Ex.M7 the MoU dated 27-2-1997. Ex.M8 and Ex.M9 are the copy of the statements giving particulars of 89 Messengers Panel and copy of the statement of 1989 non-messengerial panel and Ex.M10 the copy of the statement of 1992 panel. Ex.M11 the copy of the judgement of the Hon'ble High Court in W. A. No. 86/98 dated 1-5-1998 and Ex.M12 the copy of the judgement in SLP No. 11866 to 11888 of 1998 dated 10-8-1998.

6. The management has also filed affidavit of I.S.Apparao and presented him for cross-examination, but the petitioner or his counsel did not appear to cross-examine the respondent witness, as such, the cross-examination was closed and the matter has been taken for judgement.

7. I have gone through the claim statement, counter statement and the documentary & oral evidence presented by the parties. The contention of the petitioners in all the cases are that they were employed in the bank on November 1987, and as per the terms of the settlements entered into between the bank staff federation and the bank management from time to time, the petitioners were entitled for the absorption since their name was found

place in the panel prepared by the bank administration. It is agreed between the parties that the settlements were entered into between the bank staff federation on 17-11-1987, 16-7-1988, 27-10-1988 and 9-1-1991 and finally on 30-7-1996 and MoU was also entered into between the staff federation and bank management on 27-2-1997 by which the panel's life was to end on 31-3-1997. In light of this admitted fact, it has to be seen whether the case of the petitioner is covered under any of the provisions of the settlement entered into between the parties. As per settlement dated 17-11-1987, three categories of the temporary employees were prepared. Category (a) all those employees who completed 240 days in 12 calendar months after 1-7-1975. Category (b) all those employees who completed 270 days aggregate in any continuous block of 36 calendar months after 1-7-1975. Category (C) all those who completed 30 days aggregate temporary service in a calendar year after 1-7-1975 or 70 days in aggregate in any continuous block of 36 calendar months. In the light of these categories of the temporary employees, the status of the petitioner has to be considered. The petitioner in his statement, has admitted that he was appointed without any written orders during the year 1987-88. He worked for 89 days only during the period of 1987-88, and from 90, he worked for 47 days. He has worked for 136 days in total and no written or oral order was issued to him. Thus, from the own statement of the petitioner, it is proved that the petitioner A. Nageshwara Rao has worked for only 89 days in the year 1987-88. It means that his case is not covered under category (a) & (b) of the agreement dated 17-11-1987. His case is covered within the category (C), petitioner A. Nageshwara Rao has stated in his cross-examination that he is not a member of the employee federation and the settlement is not applicable & binding in his case. However, in his claim statement, he has stated that an agreement was entered into between the bank management and the staff federation of the bank and he is entitled for the benefit of the agreement. Since his case is not covered under the provisions of category (a) or (b) of the settlement dated 17-4-1987, and he has not challenged that junior to him in the service or the person who has completed less than the number of days of service than the petitioner have been absorbed by the bank management, the petitioner's case is not covered by any of the terms of the settlements dated 17-11-1987, July 1987, October 1988, 9-1-1991 and 30-7-1996 or MoU dated February 1996. The bank has categorically stated that it has followed the terms of agreement and settlements and MoU and it has absorbed the candidates empanelled from the temporary and casual and daily wage workers for absorption in the permanent cadre. The petitioner's name has not been found for consideration due to the non fulfillment of the conditions and not putting in the number of days of the service as required by the agreement or the persons absorbed in service have put in more number of days of the service than the petitioners. As such, the petitioner's case has not

been considered since the panel was to remain alive upto 31-3-1997. Till the date, the petitioners' turn could not come for consideration for absorption. The panel has lost its life on 31-3-1997 and the services of the petitioners were disengaged in the light of the circular issued by the bank and from 1-4-1997. The bank has not committed any illegality, or irregularity or high handedness in disengaging the services of the petitioners. It is proved that the petitioners have not put in required number of days of the service and consequently the petitioners' name was much below those candidates who have been considered for absorption and as per settlements entered into between the bank staff federation and bank management. The panel prepared by the bank management has lost utility on 31-3-1997, and the bank has committed no illegality and the petitioner is not entitled for any relief and the petition deserves to be dismissed. This is the award of this Tribunal. The petition is dismissed with cost.

AWARD

This is a case taken under Sec. 2A (2) of the I.D. Act, 1947 in view of the judgment of the Hon'ble High Court of Andhra Pradesh reported in W. P. No. 8395 of 1989 dated 3-8-1995 between Sri U. Chinnappa and M/s. Cotton Corporation of India and two others.

2. This petition under section 2(a) 2 of the ID Act filed by T. K. Narsimhulu challenging the action of the management in terminating his services by order dated 31-3-1997 and to declare the termination order and as unjust, illegal violating of principle of natural justice and violating of Section 2p and 18(1) read with rule 58 of Central rules and to reinstate the petitioner in the service of the bank with consequential benefits and wages.

3. It has been averred by the petitioner in his claim statement that he worked as Messenger from 1-1-78 to 1-11-1981 for a period of 224 days and from 17-6-1992 to 21-12-1992 he worked for 183 days. In response to the paper advertisement, the petitioner attended the interview and after successful completion of the interview, he was empaneled for regularization in the year 1989 and was absorbed by the respondent as Messenger since then the petitioner worked continuously till 31-3-1997. Surprisingly the services of the petitioner were terminated by oral order dated 31-3-1997 without assigning any reason or without giving any notice or pay in lieu of the notice. The petitioner has further stated that he is erstwhile employee who worked in PTM Branch of SBI and belongs to BC community. He possesses prescribed educational qualifications as he has passed 9th class and qualification prescribed for Messenger is 7th class pass. It has been stated by the petitioner that the Government of India vide circular No. F-3/3/104/87-IR, dated 16-8-1990 instructed the Chief Executives of all Public Sector Banks including the respondent management that until problem of existing temporary employees is fully resolved, no bank is permitted to make any temporary appointments. It has been, further, submitted by the petitioner that some of the persons similarly situated like that of the petitioner aggrieved by the inaction of the management whose services were not regularised from out of the select panel filed W. P. No. 4194/97 before Hon'ble A. P. High Court seeking direction from the Hon'ble High Court to direct the bank to implement the settlement entered into between temporary bank employees federation and bank management from time to time. The Hon'ble A. P. High Court by an order dated 5-3-1997 directed the bank to implement the settlement as amended from time to time and also directed the bank to carry out the settlement before expiry of March 1997. In view of the directions granted by the Hon'ble High Court, all those candidates whose names appeared in the select panel on the basis of the agreement entered into on 7-11-1987 under which the panel was valid up to December, 1991 and on the basis of a settlement dated 27-10-1988 whereby the panel was made alive up to 31-3-1997 which

was given continuity and renewed up to 1999. However, this did not put to an end the legitimate claims of various person like petitioner's case. The petitioner was further, submitted that a circular was issued on 26-4-1991 wherein it was mentioned that the terms of the agreement dated 17-11-1987 were modified vide agreement dated 16-7-1988 while so, another agreement was entered into on 27-10-1988 between employees union and bank management. In terms of the said agreement, a chance was to be given to all eligible temporary employees for permanent appointments. These appointments were to be made against vacancies likely to arise during the year 1995-1996, to solve the problem of employees and extensions of continuity of the panel of eligible temporary employees who has been empanelled or who could not appear in earlier interviews and had been pursuing their cases thereafter, will be given another chance to appear in the interview, thereby exhausting the existing panels. The said agreement, further, stated that the original panels and supplementary panels would be issued for filling of vacancies in the subordinate cadre arising upto 1994 and for the vacancies to be arisen in 1995-1996. Based on the circular dated 26-4-1991, a fresh notification referring to the 3rd settlement dated 27-10-1988 was issued. The last date to respond to the notification was 30-5-1991. Then a separate panel was prepared on 22-2-1993. This panel was to be alive till 31-3-1997. Two separate panels were prepared (a) based on agreement dated 17-11-1997 and (b) based on settlement dated 27-10-1988 which were to remain alive upto 31-3-1997. It has been, further, alleged that though the select panels were intended for specific period. They were got to be extended, thereby creating a reasonable expectation to the select candidates that their case will be considered and the date of absorption will be extended. But contrary to the direction given by the Hon'ble High Court on 5-3-1997 in W. P. No. 4194/1997 and contrary to the settlement entered into between the parties. The bank issued proceedings dated 25-3-1997, 27-3-1997 and 31-3-1997 instructing the various authorities of the management not to continue the temporary employees w.e.f. 1-4-1997. The bank management followed the said order. Aggrieved by the said order, the petitioner and similarly situated candidates filed writ petition before Hon'ble A. P. High Court which is registered as W. P. No. 9206 of 1997 to declare the action of the management dated 25-3-1997, 27-3-1997 and 31-3-1997 as illegal and to direct the management to continue the services of the petitioners. The management has filed counter affidavit. The matter is pending before the Hon'ble High Court. The management has abruptly terminated services of the petitioners without giving any notice and without following the mandatory provisions of the ID Act. As such, the action of the management is illegal, arbitrary and injustice. The petitioner be directed to be reinstated in the services with full back wages.

4. The management has filed counter statement. The management has stated that to tide over the severe sub-

ordinate staff constraints, which arose out of, leave vacancies, exigencies and also owing to the restrictions imposed by the Government of India/Reserve Bank of India on intake of the staff. The respondent bank used to engage Messengers, Sweepers, Sweeper cum Water boy etc., depending upon the availability of the work on temporary basis for smooth and uninterrupted functioning of the branch. The all India State Bank Staff Federation which represents majority of the employees of the SBI comprising 98% of the work force as its' members espoused the cause of temporary employees who have put in less than 240 days of temporary services in 12 calendar months in the bank and who were ineligible for any kind of protection under the ID Act and requested the bank management to give a chance to such employees for being considered for absorption and permanent appointment in the bank services, discussions were held between the staff federation and bank management and all aspects were discussed in detail and it was felt that it would be just, fair and reasonable that a settlement should be reached. Thus, on 17-11-1987 an agreement was signed between federation of staff and management of the bank wherein temporary employees were categorized into 3 categories (a) those who have completed 240 days of temporary services in 12 calendar months or less after 1-7-1975 (b) those, who have completed 270 days aggregate temporary service in any continuous block of 36 calendar year after 1-7-1975 or (c) minimum of 70 days aggregate temporary service in any continuous block of 36 calendar months after 1-7-1975, and it was agreed that temporary employees as categorized would be given a chance for being considered for permanent appointment against the vacancies which are likely to arise during the period 1987 to 1991. On 16-7-1988 another agreement was arrived and it was agreed to substitute the period for consideration of vacancies as 1987 to 1992 in place of 1987 to 1991. On 27-10-1988, another agreement was arrived at between the parties in which clause 1-A after clause 1 of the last agreement was inserted wherein it was agreed that all persons who had been engaged in casual basis for any of the periods mentioned in category A. B. C. will be given a chance for being considered for permanent appointment against the vacancies likely to arise from 1988 to 1992. Accordingly, casual and daily wage workers were also included for consideration for permanent absorption. The Government of India vide letter dated 16-8-1990 issued guidelines to all the public sector banks with regard to recruitment and absorption of temporary employees in public sector banks. The guidelines made it clear that all the public sector banks may follow the provisions laid down in approach paper. The approach paper is specified that the case of temporary employees who had put in not less than 240 days of temporary service in 12 consecutive months and who are entitled to benefit of Section 25F of the ID Act may be decided by entering into an agreement with representative union. In respect of temporary employees who have put in

less than 240 days of service in 12 consecutive months or less, a settlement could be avoided and however if the management so desired they could enter into a conciliation settlement with the representative union. In Para 6(h) it was mentioned that only those temporary employees who had put in temporary service of 90 days or more after 1-1-82 would be eligible for consideration under the scheme. The approach paper also specified that one time one opportunity to all the temporary employees for consideration of absorption to be taken up who has worked in the bank on or after 1-1-1982. The respondent has gone further wherein the persons who were working after 1997 were also considered. Thus, it could be seen that genuine efforts on the part of respondent bank to provide permanent employment for as many as possible persons were undertaken subject to availability of the vacancies. On 9-1-91, another settlement hereinafter referred to as 4th settlement for brevity was entered into between the Staff Federation and Management wherein the settlement dated 17-11-1987, 16-7-1988 and 27-10-1988 were also considered agreeing inter alia to consider the cases of temporary employees and casual and daily wage workers separately in the vacancies likely to arise upto 1994 and 1995-1996 respectively. Accordingly, the year 1992 was substituted with year 1994 and separate panels were prepared for filling up the vacancies arising between 1995 and 1996. The Federation approached the Regional Labour Commissioner(C), Hyderabad, for implementation of Bipartite Settlements in respect of absorption of temporary employees. The Regional Labour Commissioner(C) conducted conciliation proceedings and an agreement was arrived at between the Federation and the Management Bank that both the panels of temporary employees and daily wage/casual labour would be kept alive upto March 1997 and the vacancies as agreed to under the aforesaid settlements will be filled from both the lists concurrently. In response of the conciliation proceedings, the settlement was arrived at and an agreement was signed on 30-7-1996, which is binding on both the parties where under earlier settlements dated 17-11-1987, 16-7-1988, 27-10-1988 and 9-1-1991 were referred and it was agreed between the parties that both the panels of temporary employees and daily wage/casual employees will be kept alive upto March 1997 for filling the vacancies existing or arising as on 31-12-1994 within the frame work of the above settlements. The modalities about drawing names from the out of the panels would be decided administratively on circle to circle basis depending upon the local requirements in consultation with the federation's affiliate by the circle management and further, agreed that all the messengerial vacancies including part time attendants is specifically provided as leave reserve will be filled by the end of 31-3-1997. The Memorandum of understanding was signed on 27-2-1997 between federation of staff and bank management that the exercise of identifying the messengerial vacancies as on 31-12-1994 has since been completed by the Central Office and thereby 403 messengerial vacancies were sanctioned to

the circle of the management bank and it was agreed that these vacancies may be filled from 1989 panel of temporary employees after effecting conversion from full time non-messengerial staff in the usual manner and the agreement was reached accordingly. It was agreed between the Federation's affiliate and the management bank that in terms of the settlement dated 30-7-1996, the panel would lapse on 31-3-1997. The vacancies as agreed upon were filed with the eligible candidates from the panels. The petitioner of this case has not been put in more number of days than those persons who have been absorbed. The petitioner has not continuously worked for the years as alleged by him. He has put in an aggregate temporary service of less than 240 days in a continuous 12 months during the period 1-7-1975 to 31-7-1988 had no right to seek a direction to consider his candidature for absorption under any rule/law except under the terms of the settlement entered into between the parties. The candidature of the petitioner has been considered under the settlements dated 17-11-1987, 16-7-1988, 27-10-1988, 9-1-1991 and 30-7-1996 and having considered under the provision of the said settlements, the petitioner was not found fit to be considered for absorption. The bank management has not violated any terms of the settlement since the panel prepared by the bank. The petitioners names were not found fit for absorption upto 31-3-1997, their engagement was discontinued from 1-4-1997 and bank management has not committed any violation of the rules and petitioners are not entitled for any relief.

5. The parties were directed to file their evidence. The petitioner has filed Ex. W1 and Ex.W4 are service certificates given by the respondent bank. Ex.W5 the interviews call letter. Ex.W6 and Ex.W8 are SSC memo, TC and caste certificate. The petitioner has filed his affidavit in respect of his oral evidence and has presented himself for cross examination. The bank has filed documents. Ex.M1 the copy of the settlement dated 17-11-1987. Ex.M2 the copy of the settlement dated 16-7-1988. Ex.M3 the copy of the settlement dated 27-10-1988. Ex.M4 the copy of the settlement dated 9-1-1991. Ex.M5 the copy of the Minutes of conciliation proceedings dated 9-6-1995. Ex.M6 the copy of the settlement dated 30-7-1996. Ex.M7 the MoU dated 27-2-1997. Ex.M8 and Ex.M9 are the copy of the statements giving particulars of 89 Messengers Panel and copy of the statement of 1989 non-Messengerial panel and Ex.M10 the copy of the statement of 1992 panel. Ex.M11 the copy of the judgement of the Hon'ble High Court in W. A. No. 86/98 dated 1-5-1998 and Ex.M12 the copy of the judgement in SLP No. 11866 to 11888 of 1998 dated 10-8-1998.

6. The management has also filed affidavit of I.S.Apparao and presented him for cross-examination, but the petitioner or his counsel did not appear to cross examine the respondent witness, as such, the cross examination was closed and the matter has been taken for judgement.

7. I have gone through the claim statement, counter statement and the documentary & oral evidence presented by the parties. The contention of the petitioners in all the cases are that they were employed in the bank on November 1987, and as per the terms of the settlements entered into between the bank staff federation and the bank management from time to time, the petitioners were entitled for the absorption since their name was found place in the panel prepared by the bank administration. It is agreed between the parties that the settlements were entered into between the bank staff federation on 17-11-1987, 16-7-1988, 27-10-1988 and 9-1-1991 and finally on 30-7-1996 and MoU was also entered into between the staff federation and bank management on 27-2-1997 by which the panel's life was to end on 31-3-1997. In light of this admitted fact, it has to be seen whether the case of the petitioner is covered under any of the provisions of the settlement entered into between the parties. As per settlement dated 17-11-1987, three categories of the temporary employees were prepared. Category (a) all those employees who completed 240 days in 12 calendar months after 1-7-1975. Category (b) all those employees who completed 270 days aggregate in any continuous block of 36 calendar months after 1-7-1975. Category (C) all those who completed 30 days aggregate temporary service in a calendar year after 1-7-1975 or 70 days in aggregate in any continuous block of 36 calendar months. In the light of these categories of the temporary employees, the status of the petitioner has to be considered. The petitioner in his statement, has admitted that he was appointed without any written orders during the year 1978. He worked for 224 days during the period from 1-1-1978 to 1-11-1981 and from 17-6-1992 to 21-12-1992 and no written or oral order was issued to him. Thus, from the own statement of the petitioner, it is proved that the petitioner T. K. Narsimhulu has worked for 224 days during the period from 1-1-78 to 21-12-92. It means that his case is not covered under category (a) & (b) of the agreement dated 17-11-1987. His case is covered within the category (C), petitioner T. K. Narsimhulu has stated in his cross examination that he is not a member of the employee federation and the settlement is not applicable & binding in his case. However, in his claim statement, he has stated that an agreement was entered into between the bank management and the staff federation of the bank and he is entitled for the benefit of the agreement. Since his case is not covered under the provisions of category (a) or (b) of the settlement dated 17-4-1987, and he has not challenged that junior to him in the service or the person who has completed less than the number of days of service than the petitioner have been absorbed by the bank management, the petitioners case is not covered by any of the terms of the settlements dated 17-11-1987, July 1987, October 1988, 9-1-1991 and 30-7-1996 or MoU dated February 1996. The bank has categorically stated that it has followed the terms of agreement and settlements and MoU and it has absorbed all 403

candidates empanelled from the temporary and casual and daily wage workers for absorption in the permanent cadre. The petitioner's name has not been found place within 403 vacancies for consideration due to the non fulfillment of the conditions and not putting in the number of days of the service as required by the agreement or the persons absorbed in service have put in more number of days of the service than the petitioners. As such, the petitioner's case has not been considered since the panel was remain to alive upto 31-3-1997, till the date, the petitioners' name could not find place within 403 vacancies for consideration for absorption. The panel has lost his force on 31-3-1997 and the services of the petitioners were disengaged in the light of the circular issued by the bank and from 1-4-1997. The bank has not committed any illegality, or irregularity or high handedness in disengaging the services of the petitioners. It is proved that the petitioners have not put in required number of days of the service and consequently the petitioners name was much below those candidates who have been considered for absorption and as per settlements entered into between the bank staff federation and bank management. The panel prepared by the bank management has lost utility on 31-3-1997, and the bank has committed no illegality and the petitioner is not entitled for any relief and the petition deserves to be dismissed. This is the award of this Tribunal. The petition is dismissed with cost.

AWARD

This is a case taken under Section 2A (2) of the I.D. Act, 1947 in view of the judgment of the Hon'ble High Court of Andhra Pradesh reported in W. P. No. 8395 of 1989 dated 3-8-1995 between Sri U. Chinnappa and M/s. Cotton Corporation of India and two others.

2. This petition under Section 2(a) 2 of the I.D. Act filed by G. Ramulu challenging the action of the management in terminating his services by order dated 31-3-1997 and to declare the termination order as unjust, illegal violating of principle of natural justice and violating of Section 2p and 18(1) read with Rule 58 of Central rules and to reinstate the petitioner in the service of the bank with consequential benefits and back wages.

3. It has been averred by the petitioner in his claim statement that he worked as Messenger from 27-3-1979 to 31-3-1997 for a period of 438 days in the Madanapalle branch of State Bank of India. In response to the paper advertisement, the petitioner attended the interview and after successful completion of the interview, he was empaneled for regularization in the year 1989 and was absorbed by the respondent as Messenger, since then the petitioner worked continuously till 31-3-1997. Surprisingly the services of the petitioner were terminated by oral order dated 31-3-1997 without assigning any reason or without giving any notice or pay in lieu notice. The petitioner has further stated that he is erstwhile employee who worked in Madanapalle Branch of SBI and belongs to SC community. He possesses prescribed educational qualifications as he has passed 9th class and qualification prescribed for Messenger is 7th class pass. It has been stated by the petitioner that the Government of India vide circular No. F-3/3/104/87-IR, dated 16-8-1990 instructed the Chief Executives of all Public Sector Banks including the respondent management that until problem of existing temporary employees is fully resolved, no bank is permitted to make any temporary appointments. It has been, further, submitted by the petitioner that some of the persons similarly situated like that of the petitioner aggrieved by the in action of the management whose services were not regularised from out of the select panel filed W. P. No. 4194/97 before Hon'ble A. P. High Court seeking direction from the Hon'ble High Court to direct the bank to implement the settlement entered into between temporary bank employees federation and bank management from time to time. The Hon'ble A. P. High Court by an order dated 5-3-1997 directed the bank to implement the settlement as amended from time to time and also directed the bank to carry out the settlement before expiry of March 1997. In view of the directions granted by the Hon'ble High Court, all those candidates whose names appeared in the select

panel on the basis of the agreement entered into on 17-11-1987 under which the panel was valid up to December, 1991 and on the basis of a settlement dated 27-10-1988 whereby the panel was made alive up to 31-3-1997 which was given continuity and renewed up to 1997.

2. However, this did not put to an end the legitimate claims of various persons like petitioner's case. The petitioner further, submitted that a circular was issued on 26-4-1991 wherein it was mentioned that the terms of the agreement dated 17-11-1987 were modified vide agreement dated 16-7-1988 while so, another agreement was entered into on 27-10-1988 between employees union and bank management. In terms of the said agreement, a chance was to be given to all eligible temporary employees for permanent appointments. These appointments were to be made against vacancies likely to arise during the year 1995-1996, to solve the problem of employees and extension of continuity of the panel of eligible temporary employees who has been empanelled or who could not appear in earlier interviews and had been pursuing their cases thereafter, will be given another chance to appear in the interview, thereby exhausting the existing panels. The said agreement, further, stated that the original panels and supplementary panels would be issued for filling of vacancies in the subordinate cadre arising upto 1994 and for the vacancies to be arisen in 1995-1996. Based on the circular dated 26-4-1991, a fresh notification referring to the 3rd settlement dated 27-10-1988 was issued. The last date to respond to the notification was 30-5-1991. Then a separate panel was prepared on 22-2-1993. This panel was to be alive till 31-3-1997. Two separate panels were prepared (a) based on agreement dated 17-11-1997 and (b) based on settlement dated 27-10-1988 which were to remain alive upto 31-3-1997. It has been, further, alleged that though the select panels were intended for specific period. They were got to be extended, thereby creating a reasonable expectation to the select candidates that their case will be considered and the date of absorption will be extended. But contrary to the direction given by the Hon'ble High Court on 5-3-1997 in W. P. No. 4194/1997 and contrary to the settlement entered into between the parties. The bank issued proceedings dated 25-3-1997, 27-3-1997 and 31-3-1997 instructing the various authorities of the management not to continue the temporary employees w.e.f. 1-4-1997. The bank management followed the said order. Aggrieved by the said order, the petitioner and similarly situated candidates filed writ petition before Hon'ble A. P. High Court which is registered as W. P. No. 9206 of 1997 to declare the action of the management dated 25-3-1997, 27-3-1997 and 31-3-1997 as illegal and to direct the management to continue the services of the petitioners. The management has filed counter affidavit. The matter is pending before the Hon'ble High Court. The management has abruptly terminated services of the petitioners without giving any notice and without following the mandatory provisions of the I.D. Act. As such, the action of the management is illegal, arbitrary and injustice. The

petitioner be directed to be reinstated in the services with full back wages.

4. The management has filed counter statement. The management has stated that to tide over the severe subordinate staff constraints, which arose out of leave vacancies, exigencies and also owing to the restrictions imposed by the Government of India/Reserve Bank of India on intake of the staff. The respondent bank used to engage Messengers, Sweepers, Sweeper-cum-Water boy etc., depending upon the availability of the work on temporary basis for smooth and uninterrupted functioning of the branch. The All India State Bank Staff Federation which represents majority of the employees of the SBI comprising 98% of the work force as its members espoused the cause of temporary employees who have put in less than 240 days of temporary services in 12 calendar months in the bank and who were ineligible for any kind of protection under the I.D. Act and requested the bank management to give a chance to such employees for being considered for absorption and permanent appointment in the bank services, discussions were held between the staff federation and bank management and all aspects were discussed in detail and it was felt that it would be just, fair and reasonable that a settlement should be reached. Thus, on 17-11-1987 an agreement was signed between federation of staff and management of the bank wherein temporary employees were categorized into 3 categories (a) those who have completed 240 days of temporary services in 12 calendar months or less after 1-7-1975 (b) those, who have completed 270 days aggregate temporary service in any continuous block of 36 calendar months after 1-7-1975 or (c) minimum of 70 days aggregate temporary services in any continuous block of 36 calendar months after 1-7-1975, and it was agreed that temporary employees as categorized would be given a chance for being considered for permanent appointment against the vacancies which are likely to arise during the period 1987 to 1991. On 16-7-1988 another agreement was arrived and it was agreed to substitute the period for consideration of vacancies as 1987 to 1992 in place of 1987 to 1991. On 27-10-1988, another agreement was arrived at between the parties in which clause 1-A after clause 1 of the last agreement was inserted wherein it was agreed that all persons who had been engaged in casual basis for any of the periods mentioned in category A, B, C will be given a chance for being considered for permanent appointment against the vacancies likely to arise from 1988 to 1992. Accordingly, casual and daily wage workers were also included for consideration for permanent absorption. The Government of India vide letter dated 16-8-1990 issued guidelines to all the public sector banks with regard to recruitment and absorption of temporary employees in public sector banks. The guidelines made it clear that all the public sector banks may follow the provisions laid down in approach paper. The approach paper specified that the case of temporary employees who had put in not less than 240 days of

temporary service in 12 consecutive months and who are entitled to benefit of section 25F of the I.D. Act may be decided by entering into an agreement with representative union. In respect of temporary employees who have put in less than 240 days of service in 12 consecutive months or less, a settlement could be avoided and however if the management so desired they could enter into a conciliation settlement with the representative union. In Para 6(h) it was mentioned that only those temporary employees who had put in temporary service of 90 days or more after 1-1-82 would be eligible for consideration under the scheme. The approach paper also specified that one time one opportunity to all the temporary employees for consideration of absorption to be taken up who has worked in the bank on or after 1-1-1982. The respondent has gone further wherein the persons who were working after 1975 were also considered. Thus, it could be seen that genuine efforts on the part of respondent bank to provide permanent employment for as many as possible persons were undertaken subject to availability of the vacancies. On 9-1-91, another settlement hereinafter referred to as 4th settlement for brevity was entered into between the Staff Federation and Management wherein the settlement dated 17-11-1987, 16-7-1988 and 27-10-1988 were also considered agreeing inter alia to consider the cases of temporary employees and casual and daily wage workers separately in the vacancies likely to arise upto 1994 and 1995-1996 respectively. Accordingly, the year 1992 was substituted with year 1994 and separate panels were prepared for filling up the vacancies arising between 1995 and 1996. The Federation approached the Regional Labour Commissioner (C), Hyderabad for implementation of Bipartite Settlements in respect of absorption of temporary employees. The Regional Labour Commissioner (C) conducted conciliation proceedings and an agreement was arrived at between the Federation and the Management Bank that both the panels of temporary employees and daily wage/casual labour would be kept alive upto March 1997 and the vacancies as agreed to under the aforesaid settlements will be filled from both the lists concurrently. In response of the conciliation proceedings, the settlement was arrived at and an agreement was signed on 30-7-1996, which is binding on both the parties whereunder earlier settlements dated 17-11-1987, 16-7-1988, 27-10-1988 and 9-1-1991 were referred and it was agreed between the parties that both the panels of temporary employees and daily wage/casual employees will be kept alive upto March 1997 for filling the vacancies existing or arising as on 31-12-1994 within the frame work of the above settlements. The modalities about drawing names from the out of the panels would be decided administratively on circular to circular basis depending upon the local requirements in consultation with the Federation's affiliate by the Circle Management and further, agreed that all the messengerial vacancies including part time attendants specifically provided as leave reserve will be filled by the end of 31-3-1997. The Memorandum of Understanding was

signed on 27-2-1997 between Federation of Staff and Bank Management that the exercise of identifying the messengerial vacancies as on 31-12-1994 has since been completed by the Central Office and thereby 403 messengerial vacancies were sanctioned to the Circle of the management bank and it was agreed that these vacancies may be filled from 1989 panel of temporary employees after effecting conversion from full time non-messengerial staff in the usual manner and the agreement was reached accordingly. It was agreed between the Federation's affiliate and the management bank that in terms of the settlement dated 30-7-1996, the panel would lapse on 31-3-1997. The vacancies as agreed upon were filed with the eligible candidates from the panels. The petitioner of this case has not been put in more number of days than those persons who have been absorbed. The petitioner has not continuously worked for the years as alleged by him. He has put in an aggregate temporary service of less than 240 days in a continuous 12 months during the period 1-7-1975 to 31-7-1988 had no right to seek a direction to consider his candidature for absorption under any rule/law except under the terms of the settlement entered into between the parties. The candidature of the petitioner has been considered under the settlements dated 17-11-1987, 16-7-1988, 27-10-1988, 9-1-1991 and 30-7-1996 and having considered the provision of the said settlements, the petitioner was not found fit to be considered for absorption. The bank management has not violated any terms of the settlement since the panel prepared by the bank, the petitioners names were not found fit for absorption upto 31-3-1997, their engagement was discontinued from 1-4-1997 and bank management has not committed any violation of the rules and petitioners are not entitled are not for any relief.

5. The parties were directed to file their evidence. The petitioner has filed Ex. W1 and Ex. W3 are service certificates given by the respondent bank. Ex. W4 to Ex. W6 the interviews call letter. Ex. W7 the list of empanelled candidates. Ex. W8 to Ex. W10 SSC memo, TC and Caste certificate. The petitioner has filed his affidavit in respect of his oral evidence and has presented himself for cross examination. The bank has filed documents. Ex. M1 the copy of the settlement dated 17-11-1987. Ex. M2 the copy of the settlement dated 16-7-1988. Ex. M3 the copy of the settlement dated 27-10-1988. Ex. M4 the copy of the settlement dated 9-1-1991. Ex. M5 the copy of the Minutes of conciliation proceedings dated 9-6-1995. Ex. M6 the copy of the settlement dated 30-7-1996. Ex. M7 the MoU dated 27-2-1997. Ex. M8 and Ex. M9 are the copy of the statements giving particulars of 89 Messengers Panel and copy of the statement of 1989 non-Messengerial panel and Ex. M10 the copy of the statement of 1992 panel. Ex. M11 the copy of the judgement of the Hon'ble High Court in W. A. No. 86/98 dated 1-5-1998 and Ex. M12 the copy of the judgement in SLP No. 11866 to 11888 of 1998 dated 10-8-1998.

6. The management has also filed affidavit of I. S. Apparao and presented him for cross-examination, but the petitioner or his counsel did not appear to cross examine the respondent witness, as such, the cross examination was closed and the matter has been taken for judgement.

7. I have gone through the claim statement, counter statement and the documentary and oral evidence presented by the parties. The contention of the petitioners in all the cases are that they were employed in the bank in November 1987, and as per the terms of the settlements entered into between the Bank Staff Federation and the Bank Management from time to time, the petitioners were entitled for the absorption since their name was found place in the panel prepared by the bank administration. It is agreed between the parties that the settlements were entered into between the bank staff federation on 17-11-1987, 16-7-1988, 27-10-1988 and 9-1-1991 and finally on 30-7-1996 and MoU was also entered into between the staff federation and bank management on 27-2-1997 by which the panels life was to end on 31-3-1997. In light of this admitted fact, it has to be seen whether the case of the petitioner is covered under any of the provisions of the settlement entered into between the parties. As per settlement dated 17-11-1987, three categories of the temporary employees were prepared. Category (a) all those employees who completed 240 days in 12 calendar months after 1-7-1975. Category (b) all those employees who completed 270 days aggregate in any continuous block of 36 calendar months after 1-7-1975. Category (c) all those who completed 30 days aggregate temporary service in a calendar year after 1-7-1975 or 70 days in aggregate in any continuous block of 36 calendar months. In the light of these categories of the temporary employees, the status of the petitioner has to be considered. The petitioner in his statement, has admitted that he was appointed without any written orders during the year 1979. He worked for 177 days during the period from 27-3-1979 to 31-3-1997 and no written or oral order was issued to him. Thus, from the own statement of the petitioner, it is proved that the petitioner G. Ramulu has worked for 438 days during the period from 27-3-1979 to 31-3-1997. **It means that his case is not covered under category (a) & (b) of the agreement dated 17-11-1987. His case is covered within the category (c). The petitioner G. Ramulu has stated in his cross examination that he is not a member of the employee federation and the settlement is not applicable & binding in his case. However, in his claim statement, he has stated that an agreement was entered into between the bank management and the staff federation of the bank and he is entitled for the benefit of the agreement. Since his case is not covered under the provisions of category (a) or (b) of the settlement dated 17-4-1987, and he has not challenged that junior to him in the service or the person who has completed less than the number of days of service than the petitioner have been absorbed by the bank management,**

the petitioners case is not covered by any of the terms of the settlements dated 17-11-1987, July 1987, October 1988, 9-1-1991 and 30-7-1996 or MoU dated February 1996. The bank has categorically stated that it has followed the terms of agreement and settlements and MoU and it has absorbed the candidates empanelled from the temporary and casual and daily wage workers for absorption in the permanent cadre. The petitioner's name has not been found for consideration due to the non-fulfilment of the conditions and not putting in the number of days of the service as required by the agreement or the persons absorbed in service have put in more number of days of the service than the petitioners. As such, the petitioner's case has not been considered since the panel was remain to alive upto 31-3-1997, till the date, the petitioners' name could not come for consideration for absorption. The panel has lost its force on 31-3-1997 and the services of the petitioners were disengaged in the light of the circular issued by the bank and from 1-4-1997. The bank has not committed any illegality, or irregularity or high handedness in disengaging the services of the petitioners. It is proved that the petitioners have not put in required number of days of the service and consequently the petitioners name was much below those candidates who have been considered for absorption and as per settlements entered into between the bank staff federation and bank management. The panel prepared by the bank management has lost utility on 31-3-1997, and the bank has committed no illegality and the petitioner is not entitled for any relief and the petition deserves to be dismissed. This is the award of this Tribunal. The petition is dismissed with cost.

Dictated to Sri P. Kanaka Raju, LDC, transcribed by him and corrected by me on this the 26th day of June, 2009.

VED PRAKASH GAUR, Presiding Officer

Appendix of evidence

Witnesses examined for the Petitioner :

G. Ramulu.

Witnesses examined for the Respondent :

I. S. Appa Rao.

Documents marked for the Petitioner

...Second Party

Coram : Shri. M. B. Datye, Presiding Officer

APPEARANCES

Shri. A. R. Toro, Advocate for first party

Shri. B. D. Manolkar, Advocate for second party

AWARD

(Date : 12-2-2009)

1. Desk Officer, Government of India, Labour and Energy Department has made the reference that the Ganesh Bank of Kurundwad (Scheduled Bank), Pune terminated Shri Narayan D. Bote on 1st June, 2000 and whether the termination is bad and what reliefs is the workman entitled to.

2. Notices were sent to both parties. Accordingly, both of them appeared. Second party filed the Statement of Claim on 20th December, 2002. First party filed the written statement at Exh. C-17 on 25th September, 2003. Second party filed the affidavit of evidence on 9th January, 2006. His cross-examination was over on 7th August 2006. The Second party then made an application that name of the first party be changed as 'Federal Bank Limited.' the Government of India was also accordingly informed. the Government of India by letter dated 10th March, 2008, wrote that the name "Federal Bank" be read in place of "Ganesh Bank of Kurundwad". My Learned Predecessor by order dated 19th December, 2006 on Exh. U-27 had already allowed the application for amendment and second party had accordingly carried out the amendment in the Statement of Claim on 15th January, 2007.

3. Second party said in the Statement of Claim that he joined the First party as a peon from 1972. During 7th April, 2000 till 30th April, 2000 he was on medical leave. On 2nd May, he made an application and extended the medical leave upto 15th May, 2000. On 16th May, 2000 he went to resume on duty, but Bank Manager did not allow him to enter the bank and also told him that he has been terminated because he remained on leave though his leave balance had exhausted. From 16th May, 2000 to 19th May, 2000 he gave another application for leave. On 20th May, 2000 he had gone to resume duty and tried to convince the Branch Manager. He told that because of sickness he could not attend the duty. Still he did not allow to join the job. From 20th May, 2000 till 31st May, 2000, second party's mother was sick, so he could not join the duty.

4. On 1st June, 2000 when the Second party again went to resume the duty, first party did not allow to join and said that he was terminated. Second party sent a notice. First party did not pay any heed. Then second party

approached Assistant Labour Commissioner for conciliation. First party appeared and filed false reply. It said that the Second party had left the job. As per the direction of the Supreme Court, the first party did not hold and enquiry. Say of the first party that Second party was saying that he would be transferred to Kurundwad and remained absent, is false.

5. Second party has not committed any misconduct. So, first party be directed to reinstate him with full backwages, is his demand.

6. First party submitted the written statement at Exh. C-17 and denied that the second party was terminated on 1st June, 2000. First party submitted the reply to A.C.L., Pune on 29th July, 2000 that it was ready to allow to join the duty. It says that no industrial dispute existed, so there was no reason to make any reference. It admitted that second party was initially working as temporary employee and became permanent from 2nd March, 1973. It said that it never orally terminated the second party. First party is a Scheduled Bank. It does not follow the procedure of orally terminating its employees. It also said that the contention of the second party that he was on medical leave from 7th April, 2000 to 30th April, 2000 and 16th May, 2000 to 19th May, 2000, is false. It also said that the contention of the second party that his mother was sick during 20th May, 2000 to 31st May, 2000, is also false. It further said that the second party had made an application for leave for the period from 1st May, 2000 to 15th May, 2000. It was submitted on 2nd May, 2000. It was allowed on 5th May, 2000. The application for earned leave for the period 16th May, 2000 to 31st May, 2000 was allowed on 29th May, 2000. Second party was supposed to join Dhankavadi, Pune Branch on 1st June, 2000, but he did not resume. On 17th June, 2000 and 6th July, 2000 first party sent letter to the residence of the second party and asked explanation for absence. Still second party did not resume and did not give explanation. On 29th July, 2000 before Assistant Labour Commissioner, the first party had expressed its willingness to allow the second party to resume on duty.

7. First party also said that it is still ready to allow the second party to resume on duty. Second party send a false notice to pressurize first party. It further said that because it had not terminated the second party, there was no reason for giving any notice to him. It also said that second party met Shri Nitin Vasantdas Jamgaonkar, the Manager and told him that he is going to be transferred to Kurundwad, so he will not resume at Pune. The Manager asked to him to join the duty and then to give the application for transfer. He behaved arrogantly with the Manager and till today never resumed at Pune Branch. Due to adamant behaviour of second party, he did not resume on duty. It is ready to allow him to join the duty without backwages. It also said that the reference is not tenable in law, so it should be dismissed.

8. The Roznama of 24th August, 2004 reveals that issues are framed at Exh. O-17. The Roznama of 25th September, 2003 says that the written Statement is at Exh. C-17. Both parties know their respective pleadings. Accordingly, they have led the evidence. I have framed following issues, findings to them with reference are as under.

Issues

1. Whether second party proves that the first party orally terminated him on 1st June, 2000 and it is illegal?
2. Is second party entitled to be reinstated with continuity of service and full backwages?
3. What order?

Answers

1. Yes.
2. As per final order.
3. As per final order.

REASONS

Issue No. 1 :

9. First party filed its written statement at Exh. C-17 stated that it had not terminated the second party. Second party made an application at Exh. U-18 that first party stated that he was not terminated, so he should be allowed to resume duty. On 25th September, 2004 my learned predecessor kept open the issue of backwages and made an order that second party be allowed to join the duty. Second party was asked to resume at Dhankavadi, Pune Branch by 31st October, 2004. Accordingly, second party joined Dhankavadi, Pune Branch on 31st October, 2004 and in due course of time retired from duty. So, now it is necessary to see second party is entitled to claim the backwages during 1st June, 2000 to 31st October, 2004.

10. For that purpose it is necessary to see what happened at 1st June, 2000. As per the documents filed by the second party, on 2-3-1972 he was appointed for four months as a peon. By order dated 16th October, 1999 he was relieved to join the Dhankavadi on 17th October, 1999. Before that he was working at Shirol Branch. It is seen that from October 1999 second party served at Dhankavadi, Pune Branch.

11. According to the first party, the second party was on sick leave during 1st May, 2000 to 15 May, 2000 and 16th May, 2000 to 31st May, 2000. First party by orders dated 5th May, 2000 and 29th May, 2000 had sanctioned these leaves. Second party stated that he was on leave till 31st May, 2000. He went to resume on 1st June, 2000 and was orally terminated. Then he was requesting to allow him to join, but his request was not considered. At last on 12th June, 2000 he made an application to Labour Enforcement Officer (Central), Sangli. During the intervening period, he was jobless. He said that he

borrowed money from his brother and other relatives to maintain his family. He denied that he got the leave sanctioned by giving false reasons. When first party sanctioned medical leave, it can not say that the leave was got sanctioned by giving false reason. If it were so, first party should have taken any action against the second party. There is no evidence to that effect.

12. Second party admitted that the name of the Branch Manager is not mentioned. Second party stated that from 1st June, 2000, every day he used to go to the first party and requested to allow him to join the duty. He has filed the copy of application made to Labour Enforcement Officer on 12th June, 2000. It mentioned that the Branch Manager did not allow him to join the duty on 1st June, 2000. Hence the second party has led evidence to support his contentions. On 12th June, 2000 i.e. immediately after 1st June, 2000 he made complaint. As against this the first party did not file copies of letters dated 17th June 2000 and 6th July, 2000 alleged to have been sent to the residence of the second party. In the reply dated 29th July, 2000 to the Labour Enforcement Officer by first party, it is said that second party did not attend his duty and after two days he met the Branch Manager and told that he would be transferred near Kurundwad. So, he would not resume duty. There is no evidence that first party had written letters to the second party. It did not take any action against him.

13. First party relied on 1999 1 L. L. J. Supreme Court Page No. 549 and 2000 II C. L. R. Madras, Page No. 190 on the point that if the employer is ready to allow the workman to resume on duty and the workman is not ready, he will not get the backwages.

14. In the present case, after the first party said in the written statement that it had not terminated the second party, the second party made an application to the Court and got an order. Then he resumed the duty. So, it can not be said that the second party was not willing to join the duty. From the evidence of both the parties, it is seen that after alleged termination on 1st June, 2000 the second party complained to the Labour Enforcement Officer on 12th June, 2000. He also said that in the meanwhile he was meeting the first party. But though the second party did not join the duty from 1st June, 2000, first party did not take any action against him. Though it said that on 17th June and 6th July, 2000 letters were sent to him, there is no evidence. Even though the first party said that the second party left the job, it did not take any action against

him. Second party immediately acted against the first party. But the first party was silent. So I draw the inference that the first party orally terminated the second party on 1st June, 2000. Hence I answer issue no. 1 in affirmative.

Issue No. 2 and 3 :

15. As said earlier the first party employed the second party on 31st October, 2004. Second party does not say that continuity of service was denied. Because it is proved that the first party terminated the second party from 1st June, 2000, it has to pay the full backwages from 1st June, 2000 till 31st October, 2004. Second party said that in the meanwhile he was jobless. First party has not proved that he was working in this period. Advocate Shri. Toro also argued that the Federal Bank is not liable to pay the dues of the second party. First party has not filed additional written statement to that effect. As per the order of the Court, the second party was allowed to resume on 31st October, 2004. He worked there till his superannuation. From 2nd September, 2006 Ganesh Bank of Kurundwad merged with Federal Bank. There is no evidence as to which liabilities of Ganesh Bank were under taken and which were not under taken by it. On 1st June, 2000 Ganesh Bank unlawfully terminated the second party. Till 31st October, 2004 Ganesh Bank existed. Even thereafter Federal Bank accepted the services of the second party till his superannuation. Considering all these aspects it will have to be inferred that Federal Bank is liable to pay the backwages to second party. Hence I answer the second issue accordingly and pass following order :

ORDER

Reference is partly allowed.

First party should pay the full backwages from 1st June, 2000 till 31st October, 2004 and allied benefits to the second party.

Because the second party joined the service on 31st October, 2004 till his superannuation, the prayer of reinstatement with continuity of service does not exist.

No order as to costs.

Award be published.

Place : Kolhapur

Date : 12-2-2009.
